# Annual Report 2024-25

## **Honored by Hon'ble Union HM Minister**

Greenzo was honored to welcome Hon'ble Union Home Minister Shri Amit Shah at Sanand GIDC on 28 June 2025, where he witnessed our indigenously developed Alkaline Electrolyser systems in action. This visit reflects our strong commitment to clean energy and aligns with the goals of the National Green Hydrogen Mission.

# Chairman's Message

## **Dear Stakeholders,**

It is with great pride and optimism that I share this update at a transformative moment in the journey of Greenzo Energy India Limited. From our inception with a vision to accelerate India's transition towards clean energy, to now commissioning one of the country's largest indigenous electrolyzer manufacturing facilities, our path has been marked by innovation, determination, and sustainable growth.

## **A Journey of Leadership in Green Hydrogen**

The past year has been about progress and recognition. With the successful commissioning of our 250 MW electrolyzer manufacturing facility at Sanand GIDC, Greenzo has entered a new phase of scale and impact. We have commenced deliveries of indigenously developed electrolyzer systems to both domestic and international clients—an achievement that reinforces our role as a leading force in India's green hydrogen mission.

A proud milestone during the year was the recognition of our electrolyzer by the Hon'ble Union Home Minister Shri Amit Shah, a moment that validated our relentless pursuit of excellence and our alignment with the National Green Hydrogen Mission.

This progress is more than an operational achievement—it is a story of possibilities. It reflects India's growing leadership in clean energy and Greenzo's pivotal role in shaping a sustainable future.

### **Looking Ahead**

Our journey is guided by a strong focus on innovation, quality, and sustainability. With continued support from our partners, clients, and investors, we remain committed to delivering long-term value, scaling our capabilities, and expanding our global presence in green hydrogen solutions.

Together, we are not just building projects—we are building the future of clean energy.

With Warm Regards  
Sandeep Agarwal  
Chairman & MD  
Greenzo Energy India Limited

## Company Profile

Greenzo Energy India Limited was established with the aim of becoming a leading player in the renewable energy space, particularly in green hydrogen and solar energy. Registered under the Indian Government, we have rapidly grown our research, production, and project development capacities.

## Vision & Mission

Our vision is to lead India's transition toward a zero-carbon energy economy by 2030, with a strong emphasis on producing clean energy through green hydrogen and ammonia.

## Business Model

Greenzo Energy operates across the renewable energy value chain:

- **Electrolyzer Manufacturing:** Producing high-efficiency systems for green hydrogen.
- **EPC Services:** Offering engineering, procurement, and construction services in solar and hydrogen projects.
- **Green Hydrogen Production:** Developing scalable hydrogen solutions for industrial applications.

# Latest Updates

## TUV Report Pass

Green hydrogen certification, specifically the CMS70 standard, issued by TUV SUD after a successful audit of Greenzo's operations. This certification verifies that Greenzo's hydrogen production meets specific criteria for being considered "green," meaning it's produced with low or no greenhouse gas emissions.

# Latest Updates

# Latest Updates

## Construction Overview

Greenzo Energy is rapidly progressing with the construction of its 250 MW indigenous electrolyser manufacturing facility in Sanand, Gujarat. With over 60% of machinery already on-site and civil works actively underway, the project is on track for completion by the end of 2025. A leading engineering firm has been appointed for factory design and execution, while a separate BoP facility nearby will support integrated production—marking a major step toward self-reliant green hydrogen manufacturing in India.

# Latest Updates

## Machines Received

The machines for the factory have started arriving in phases. Equipment such as the CNC and bending machines are already been received.

The storage system and automatic robotic machine are currently in progress and are expected to be delivered before October 2025.

# Progress

## **Expansion of Manufacturing Capacity:**

In addition to the 250 MW electrolyzer manufacturing facility at Sanand GIDC, Greenzo has leased an additional factory nearby dedicated to the manufacturing of Balance of Plant (BoP) components. This strategic expansion strengthens our integrated manufacturing capabilities and ensures end-to-end delivery of world-class green hydrogen systems.

## **Electrolyzer Factory Construction:**

Construction work for the state-of-the-art electrolyzer factory is progressing steadily. The facility is designed to incorporate advanced technology and automation, enabling Greenzo to meet growing domestic and international demand for electrolyzer systems.

## **Machinery Installation at Sanand Facility:**

Significant progress has been made at the Sanand plant, with almost 60% of the critical machines already delivered and installed. The remaining equipment is expected to arrive shortly, keeping the facility on track for full-scale production.

# Progress

## Project Execution:

- Felix Industries, Gujarat: We have successfully dispatched a 150 kW (30 Nm<sup>3</sup>/hr) Green Hydrogen Plant to Felix Industries in Gujarat. This delivery marks an important milestone in Greenzo's journey of executing indigenously developed hydrogen systems.
- Oswal Energies: Another proud achievement was the successful execution of a 1 MW Green Hydrogen Plant at Oswal Energies' facility. This project demonstrates Greenzo's capability to deliver large-scale hydrogen solutions that align with industrial decarbonization goals.
- Major Order Win – Jindal Stainless Ltd (Odisha): Greenzo secured an order for a 472-tonne-per-year green hydrogen plant (4,72,409 kg/year) in Odisha, including full BoP systems, erection, installation, and commissioning—reinforcing its leadership in industrial hydrogen solutions.

## Future Expansion

- Expanding partnerships to scale operations and explore Phase 2 expansion towards gigawatt-level capacity.

## INDEPENDENT AUDITOR'S REPORT

To

The Members

Greenzo Energy India Limited

### Report on the Audit of the Standalone Financial Statements

#### Opinion

We have audited the standalone financial statements of Greenzo Energy India Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2025, the Profit and Loss Statement, and Cash Flow Statement for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under Section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021, and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2025, and profit and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These

matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

### **Information Other than the Standalone Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the Director's Report (but does not include the standalone financial statements and our auditor's report thereon).

Our opinion on the standalone financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records,

relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists

related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Profit and Loss Statement and the Cash Flow Statement dealt with by this report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014.

- (e) On the basis of the written representations received from the directors as on 31 March 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls; refer to our separate report in Annexure - B attached herewith.
- (g) In our opinion and to the best of our information and according to the explanations given to us, the Company being a unlisted public company, provisions of Section 197 of the Act related to the managerial remuneration are not complied.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - iv. (a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - (b) The Management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to accounts, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

### ANNEXURE "B" TO THE INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS

#### Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Greenzo Energy India Limited** ("the Company") as of 31 March 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Board of Directors of the company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating

effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with Generally Accepted Accounting Principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal

- (c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year and has not proposed final dividend for the year.
- vi. Based on our examination which included test checks, the Company has used accounting softwares for maintaining its books of account, which have a feature of recording audit trail (edit log) facility, however the same has not operated throughout the year.

The company is engaged in a diverse range of activities within the renewable energy and green hydrogen sector, with core operations including:

1. Manufacturing & Trading: Electrolysers, separators, purification units, and a wide range of engineering equipment required for hydrogen production and its balance of plant, such as compressors, motors, dryers, safety valves, storage tanks, flow meters, sensors, controllers, control panels, rectifiers, pumps, transformers, circulation tanks, KOH pumps, HVAC systems, steel tubes, and more.
2. Renewable Energy Projects: Development, EPC execution, and consultancy in solar, wind, and hydrogen projects.
3. Advanced Energy Systems: Hydrogen turbines, fuel cell systems, hydrogen fueling stations, oxygen correction plants, nitrogen and ammonia generation plants, and fuel cell vehicles.
4. Manufacturing Facilities: Solar structures, pump and generator assemblies, and other customized engineering goods.
5. Global Trade: Export and import of specialized engineering equipment to support hydrogen generation and renewable energy projects.

Greenzo Energy India Limited positions itself as a developer, manufacturer, EPC contractor, and consultant in renewable energy, with a strong focus on advancing green hydrogen technologies and contributing to the global transition towards sustainable energy solutions.

**2 Significant Accounting Policies****2.1 Basis of preparation of financial statements**

The financial statements of the company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013 read together with rule 7 of the Companies (Accounts) Rules, 2014 as amended, Companies (Accounting Standards) Rules, 2021 and presentation requirements of Division-I of schedule III to the Companies Act, 2013.

The financial statements have been prepared on an accrual basis and under the historical cost convention. The Accounting policies adopted in the preparation of financial statements are consistent with those followed in the previous year.

**a. Current versus non-current classification**

An asset is treated as current asset when it is expected to be realised or intended to be sold or consumed in normal operating cycle or held primarily for the purpose of trading or expected to be realised within twelve months after the reporting period, or Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period, all the other assets are classified as non current.

A liability is treated as current when it is expected to be settled in normal operating cycle or it is held primarily for the purpose of trading or it is due to be settled within twelve months after the reporting period, or there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period, all the other liabilities are classified as non current.

**b. Use of estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in India requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results if they differ from those estimates are recognized in the year in which the results are known or materialized.

**c. Revenue recognition**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

**Income from Sales:**

Revenue is recognized as soon as the significant risks and rewards of ownership are transferred to the buyer.

**Interest:**

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

**d. Property, plant and equipment**

Property, plant and equipment are stated at their original cost (which include purchase price, duties and any directly attributable cost of bringing the asset to its working condition for intended use) net of accumulated depreciation, and accumulated impairment losses, if any. Gains or losses arising from derecognition of a tangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

**e. Intangible assets**

Intangible assets are measured on initial recognition at cost. Following initial recognition, they are carried at cost less accumulated amortization and accumulated impairment losses, if any. Intangible assets are amortized on a straight line basis over the estimated useful economic life.

Expenditure related to and incurred during development of software/application are included under "Intangible Assets under Development". The same will be transferred to the respective intangible assets on completion of software/application.

The amortization period and the amortization method are reviewed at each financial year-end. Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

**Assets class****Useful life as per Schedule II of the Company Act, 2013****f. Depreciation on property, plant and equipment:**

(a) Depreciation on all Property, plant and equipment is provided on the written line method over the estimated useful life of the assets as per Schedule II to the Companies Act, 2013 on pro-rata basis.

(b) Depreciation on addition to Property, plant and equipment is provided on pro-rata basis from the dates of acquisition/ the assets are put to use. Depreciation on sale/deduction from Property, plant and equipment is provided for upto the date of sale, deduction and discardment as the case may be.

(c) Assets individually costing INR 5,000 or less are fully depreciated in the year of acquisition.

Note: Salvage value of assets has been taken @5% of original cost as prescribed in Schedule II. The residual value, useful life and method of depreciation of Property, Plant & Equipment are reviewed at each financial period end and adjusted prospectively if approved.

**Assets class****Useful life as per Schedule II of the Company Act, 2013**

|                      |          |
|----------------------|----------|
| Car                  | 8 Years  |
| Computer             | 3 Years  |
| Furniture & Fixtures | 10 Years |
| Office Equipments    | 5 Years  |
| Plant & Machinery    | 15 Years |

**g. Impairment of Property, plant and equipment and intangible assets**

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

**h. Investments**

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued. If an investment is acquired in exchange for another asset, the acquisition is determined by reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

**i. Foreign currency transactions**

i. All transactions in foreign currency are recognised at the exchange rate prevailing on the date of the transaction.

ii. Foreign currency monetary items are reported using the exchange rate prevailing at the close of the financial year.

iii. Exchange differences arising on the settlement of monetary items or on the restatement of Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise.

**j. Retirement and other employee benefits**

**Short Term :**

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, short term compensated absences and bonus etc. are recognised in the profit and loss account in the period in which the employee renders the related service.

**Provident fund:**

In accordance with the provisions of the Employees Provident Funds and Miscellaneous Provisions Act, 1952, eligible employees of the company are entitled to receive benefits with respect to provident fund, a defined contribution plan in which both the company and the employee contribute monthly at a determined rate (currently 12%). Company's contribution to Provident Fund is charged to the Profit & Loss Account as incurred. Provisions of the Employees Provident Funds and Miscellaneous Provisions Act, 1952 are not applicable to the company during the F.Y 24-25.

**Gratuity:**

The Company's gratuity scheme is a defined benefit plan. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation done by an independent actuary at the year end using the Projected Unit Credit Method. Provisions of Gratuity Act are not applicable to the company during the F.Y 24-25.

**Leave encashment:**

Benefits under the Company's leave encashment constitute other long-term employee benefits. The liability in respect of leave encashment is provided on the basis of an actuarial valuation done by an independent actuary at the year end using the Projected Unit Credit Method. Actuarial gains and losses are recognised immediately in the profit and loss account.

**k. Employee share based payments**

Company has not incurred any expenditure in respect of ESOPs issued for the year ended 31st March 2025

**l. Taxes on income**

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act. Deferred income tax reflects the tax effect of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses under tax laws, deferred tax assets are recognized to the extent of deferred tax liabilities or only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each balance sheet date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax.

The Company offsets, on a year to year basis, the current tax assets and liabilities, where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis.

**m. Earning/loss per share**

Basic Earnings / (Loss) per share are calculated by dividing the net profits or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares, except where results are anti dilutive.

**n. Operating Leases**

Rental payments under Operating Lease are charged to expense as the payments are made or become payable. The company has not taken any operating lease during the year.

**o. Provisions, Contingent Liabilities and Contingent Assets**

The Company creates a provision where there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

Provision is determined based on best estimate required to settle the obligation at the year end date. Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or in respect of present obligations that arise from past events but are not recognized as they probably will not require an outflow of resources or a reliable estimate of their amount can not be made.

Contingent assets are not recognized or disclosed in the financial statements.

**p. Cash and cash equivalents**

Cash and cash equivalents comprises of cash balance with bank and highly liquid investments with maturity period of 3 months or less.

Greenzo Energy India Limited

### Report on the Audit of the Consolidated Financial Statements

#### Opinion

We have audited the Consolidated financial statements of Greenzo Energy India Limited (herein after referred to as the "Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the group") comprising of the Consolidated Balance Sheet as at 31st March 2025, the Consolidated Profit and Loss Statement, and Consolidated Cash Flow Statement for the year then ended, and notes to the Consolidated financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as "Consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under Section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021, and other accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at 31 March 2025, and consolidated profit and its consolidated cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

### Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

### Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the Director's Report (but does not include the consolidated financial statements and our auditor's report thereon).

Our opinion on the consolidated financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

### Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that

give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists

related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Consolidated Balance Sheet, the Consolidated Profit and Loss Statement and the Consolidated Cash Flow Statement dealt with by this report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014.

- (e) On the basis of the written representations received from the directors as on 31 March 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls; refer to our separate report in Annexure - B attached herewith.
- (g) In our opinion and to the best of our information and according to the explanations given to us, the Company being a unlisted public company, provisions of Section 197 of the Act related to the managerial remuneration are not complied.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - iv. (a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any of such subsidiary to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - (b) The Management of Holding Company has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to accounts, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Holding Company and its subsidiary company has not declared or paid any dividend during the year and has not proposed final dividend for the year.
- vi. Based on our examination which included test checks, the Holding Company and its subsidiary company has used accounting softwares for maintaining its books of account, which have a feature of recording audit trail (edit log) facility, however the same has not operated throughout the year.

Notes to the consolidated financial statements for the year ended March 31, 2025

(All amounts are in INR Hundreds, unless otherwise stated)

**1 Company overview**

GREENZO ENERGY INDIA LIMITED was incorporated in India on November 22, 2022 as a Public Company registered under the Companies Act 2013.

The company is engaged in a diverse range of activities within the renewable energy and green hydrogen sector, with core operations including:

1. Manufacturing & Trading: Electrolysers, separators, purification units, and a wide range of engineering equipment required for hydrogen production and its balance of plant, such as compressors, motors, dryers, safety valves, storage tanks, flow meters, sensors, controllers, control panels, rectifiers, pumps, transformers, circulation tanks, KOH pumps, HVAC systems, steel tubes, and more.
2. Renewable Energy Projects: Development, EPC execution, and consultancy in solar, wind, and hydrogen projects.
3. Advanced Energy Systems: Hydrogen turbines, fuel cell systems, hydrogen fueling stations, oxygen correction plants, nitrogen and ammonia generation plants, and fuel cell vehicles.
4. Manufacturing Facilities: Solar structures, pump and generator assemblies, and other customized engineering goods.
5. Global Trade: Export and import of specialized engineering equipment to support hydrogen generation and renewable energy projects.

Greenzo Energy India Limited positions itself as a developer, manufacturer, EPC contractor, and consultant in renewable energy, with a strong focus on advancing green hydrogen technologies and contributing to the global transition towards sustainable energy solutions.

**2 Significant Accounting Policies****2.1 Basis of preparation of financial statements**

The consolidated financial statements of the company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013 read together with rule 7 of the Companies (Accounts) Rules, 2014 as amended, Companies (Accounting Standards) Rules, 2021 and presentation requirements of Division-I of schedule III to the Companies Act, 2013.

The consolidated financial statements have been prepared on an accrual basis and under the historical cost convention. The Accounting policies adopted in the preparation of consolidated financial statements are consistent with those followed in the previous year.

**a. Current versus non-current classification**

An asset is treated as current asset when it is expected to be realised or intended to be sold or consumed in normal operating cycle or held primarily for the purpose of trading or expected to be realised within twelve months after the reporting period, or Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period, all the other assets are classified as non current.

A liability is treated as current when it is expected to be settled in normal operating cycle or it is held primarily for the purpose of trading or it is due to be settled within twelve months after the reporting period, or there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period, all the other liabilities are classified as non current.

**b. Use of estimates**

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in India requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results if they differ from those estimates are recognized in the year in which the results are known or materialized.

**c. Revenue recognition**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

**Income from Sales:**

Revenue is recognized as soon as the significant risks and rewards of ownership are transferred to the buyer.

**Interest:**

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

**d. Property, plant and equipment**

Property, plant and equipment are stated at their original cost (which include purchase price, duties and any directly attributable cost of bringing the asset to its working condition for intended use) net of accumulated depreciation, and accumulated impairment losses, if any. Gains or losses arising from derecognition of a tangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

**e. Intangible assets**

Intangible assets are measured on initial recognition at cost. Following initial recognition, they are carried at cost less accumulated amortization and accumulated impairment losses, if any. Intangible assets are amortized on a straight line basis over the estimated useful economic life.

Expenditure related to and incurred during development of software/application are included under "Intangible Assets under Development". The same will be transferred to the respective intangible assets on completion of software/application.

The amortization period and the amortization method are reviewed at each financial year-end. Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized

**Assets class****Useful life as per Schedule II of the Company Act, 2013****f. Depreciation on property, plant and equipment:**

(a) Depreciation on all Property, plant and equipment is provided on the written line method over the estimated useful life of the assets as per Schedule II to the Companies Act, 2013 on pro-rata basis.

(b) Depreciation on addition to Property, plant and equipment is provided on pro-rata basis from the dates of acquisition/ the assets are put to use. Depreciation on sale/deduction from Property, plant and equipment is provided for upto the date of sale, deduction and discardment as the case may be.

(c) Assets individually costing INR 5,000 or less are fully depreciated in the year of acquisition.

Note: Salvage value of assets has been taken @5% of original cost as prescribed in Schedule II. The residual value, useful life and method of depreciation of Property, Plant & Equipment are reviewed at each financial period end and adjusted prospectively if approved.

**Assets class****Useful life as per Schedule II of the Company Act, 2013**

|                      |          |
|----------------------|----------|
| Car                  | 8 Years  |
| Computer             | 3 Years  |
| Furniture & Fixtures | 10 Years |
| Office Equipment     | 5 Years  |
| Plant & Machinery    | 15 Years |

**g. Impairment of Property, plant and equipment and intangible assets**

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

**h. Investments**

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued. If an investment is acquired in exchange for another asset, the acquisition is determined by reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

**i. Foreign currency transactions**

i. All transactions in foreign currency are recognised at the exchange rate prevailing on the date of the transaction.

ii. Foreign currency monetary items are reported using the exchange rate prevailing at the close of the financial year.

iii. Exchange differences arising on the settlement of monetary items or on the restatement of Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise.

**j. Retirement and other employee benefits**

**Short Term :**

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, short term compensated absences and bonus etc. are recognised in the profit and loss account in the period in which the employee renders the related service.

**Provident fund:**

In accordance with the provisions of the Employees Provident Funds and Miscellaneous Provisions Act, 1952, eligible employees of the company are entitled to receive benefits with respect to provident fund, a defined contribution plan in which both the company and the employee contribute monthly at a determined rate (currently 12%). Company's contribution to Provident Fund is charged to the Profit & Loss Account as incurred. Provisions of the Employees Provident Funds and Miscellaneous Provisions Act, 1952 are not applicable to the company during the F.Y 24-25.

**Gratuity:**

The Company's gratuity scheme is a defined benefit plan. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation done by an independent actuary at the year end using the Projected Unit Credit Method. Provisions of Gratuity Act are not applicable to the company during the F.Y 24-25.

**Leave encashment:**

Benefits under the Company's leave encashment constitute other long-term employee benefits. The liability in respect of leave encashment is provided on the basis of an actuarial valuation done by an independent actuary at the year end using the Projected Unit Credit Method. Actuarial gains and losses are recognised immediately in the profit and loss account.

**k. Employee share based payments**

Company has not incurred any expenditure in respect of ESOPs issued for the year ended 31st March 2025

**l. Taxes on income**

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act. Deferred income tax reflects the tax effect of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses under tax laws, deferred tax assets are recognized to the extent of deferred tax liabilities or only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each balance sheet date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax.

The Company offsets, on a year to year basis, the current tax assets and liabilities, where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis.

**m. Earning/loss per share**

Basic Earnings / (Loss) per share are calculated by dividing the net profits or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares, except where results are anti dilutive.

**n. Operating Leases**

Rental payments under Operating Lease are charged to expense as the payments are made or become payable. The company has not taken any operating lease during the year.

**o. Provisions, Contingent Liabilities and Contingent Assets**

The Company creates a provision where there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

Provision is determined based on best estimate required to settle the obligation at the year end date. Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or in respect of present obligations that arise from past events but are not recognized as they probably will not require an outflow of resources or a reliable estimate of their amount can not be made.

Contingent assets are not recognized or disclosed in the financial statements.

**p. Cash and cash equivalents**

Cash and cash equivalents comprises of cash balance with bank and highly liquid investments with maturity period of 3 months or less.
