NOTES:

1. **A member who is entitled to attend and vote at the meeting is entitled to appoint another person (such person need not be a member) as his proxy to attend instead of himself at the meeting. However, the proxy shall not have the right to speak at meeting and shall not be entitled to vote except on a poll.**
2. The instrument of proxy, in order to be effective, should be deposited at the registered office of the Company, duly completed and signed, not later than 48 hours before the commencement of the meeting. A proxy form is annexed to this report.
3. During the period beginning 24 hours before the time fixed for the commencement of the meeting and ending with the conclusion of the meeting, a member would be entitled to inspect the proxies lodged at any time during the business hours (between 10:00 A.M. and 5:30 P.M.) of the Company, provided that not less than three days of notice in writing is given to the Company.
4. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote at the Meeting.
5. A person can act as proxy on behalf of members not exceeding fifty and holding in the aggregate not more than ten percent of the total share capital of the company carrying voting rights.

Provided that a member holding more than ten percent, of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as proxy for any other person or shareholder.
6. Corporate Members intending to send their authorized representatives to attend the Meeting pursuant to Section 113 of the Companies Act, 2013 are requested to send to the Company, a certified copy of the relevant Board resolution together with their respective specimen signatures authorizing their representative(s) to attend and vote on their behalf at the Meeting.
7. Members/ proxies should bring filled Attendance Slip enclosed herewith to attend the meeting.
8. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Companies Act, 2013, will be made available for inspection by members of the Company.

9. The Register of Contracts or Arrangements in which the Directors are interested, maintained under Section 189 of the Companies Act, 2013 will be made available for inspection by the members of the Company.
10. Members are advised, in their own interest, to convey to the Company at the earliest opportunity, any change in their postal addresses. They are also advised to typewrite their names and if they write in hand they must write their names and addresses in capital letters.
11. An explanatory statement pursuant to Section 102 of the Companies Act, 2013, relating to Special Business to be transacted at the Meeting is annexed hereto and forms part of this notice.
12. All the documents referred to in the Notice are open for inspection at the Registered Office of the Company between 10.00 a.m. to 1.00 p.m. on all days except Sunday and Holidays until the date of the Annual General Meeting or any adjournment(s) thereof.
13. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to M/s. MCS Share Transfer Agent Limited (Registrar & Transfer Agent), 179 - 180, 3rd Floor, DSIDC shed, Okhla Industrial area, Phase-1, New Delhi - 110020.
14. Ministry of Corporate Affairs has taken Green Initiative and allowed the Companies to send Notice of Annual General Meeting, Balance Sheet and Auditors Report etc. to members of the Company as required under Section 101 and Section 136 of the Companies Act, 2013 through electronic mode. **Members are requested to send their email addresses to the Company at its registered office or to the Registrar & Transfer Agent.** Members who have not registered their e-mail address with the Company are requested to register the same by submitting the letter to M/s. MCS Share Transfer Agent Limited, 179-180, 3rd Floor, DSIDC Shed, Okhla Industrial Area, Phase I, New Delhi – 110020.
15. In accordance with the provisions of Section 72 of the Companies Act, 2013, members are entitled to make nominations in respect of the Equity Shares held by them, in physical form. Members desirous of making nominations may procure the prescribed form from the Registrar & Share Transfer Agent M/s. MCS Share Transfer Agent Limited and have it duly filled and sent back to them.
16. Electronic copy of the Annual Report is being sent to all the members whose email IDs are registered with the Company/Depository Participants(s) for communication purposes unless any member has requested for a hard copy of the same. For members who have not registered their email address, physical copies of the Annual Report is being sent in the permitted mode.
17. Electronic copy of the Notice of the 40th Annual General Meeting of the Company inter alia indicating the process and manner of e-voting along with Attendance Slip and Proxy Form is being sent to all the members whose email IDs are registered with the Company/Depository Participants(s) for communication purposes unless any member has requested for a hard copy of the same. For members who have not registered their email address, physical copies of the Notice of the 40th Annual General Meeting of the Company inter alia indicating the process and manner of e-voting along with Attendance Slip and Proxy Form is being sent in the permitted mode.

THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING ARE AS UNDER:-

The remote e-voting period begins on 23rd September 2025 at 9 A.M. and ends on 25th September 2025 at 5 P.M. The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. 19th September 2025, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being 19th September 2025.

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

Step 1: Access to NSDL e-Voting system

- A) Login method for e-Voting for Individual shareholders holding securities in demat mode

In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Login method for Individual shareholders holding securities in demat mode is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in demat mode with NSDL.	- For OTP based login you can click on https://eservices.nsdl.com/SecureWeb/evoting/evotinglogin.jsp. You will have to enter your 8-digit DP ID, 8-digit Client Id, PAN No., Verification code and generate OTP. Enter the OTP received on registered email id/ mobile number and click on login. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or e-Voting service provider i.e. NSDL and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period - Existing IDeAS user can visit the e-Services website of NSDL Viz. https://eservices.nsdl.com either on a Personal Computer or on a mobile. On the e-Services home page click on the “Beneficial Owner” icon under “Login” which is available under ‘IDeAS’ section, this will prompt you to enter your existing User ID and Password. After successful authentication, you will be able to see e-Voting services under Value added services. Click on “Access to e-Voting” under e-Voting services and you will be able to see e-Voting page. Click on company name or e-Voting service provider i.e. NSDL and you will be re-directed to e-Voting website of NSDL for casting your vote during the remote e-Voting period. If you are not registered for IDeAS e-Services, option to register is available at https://eservices.nsdl.com. Select “Register Online for IDeAS Portal” or click at https://eservices.nsdl.com/SecureWeb/IdeasDirectReg.jsp - Visit the e-Voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com/ either on a Personal Computer or on a mobile. Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholder/Member’ section. A new screen will open. You will have to enter your User ID (i.e. your sixteen digit demat account number hold with NSDL), Password/ OTP and a Verification Code as shown on the screen. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or e-Voting service provider i.e. NSDL and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period. - Shareholders/Members can also download NSDL Mobile App “NSDL Speede” facility by scanning the QR code mentioned below for seamless voting experience. NSDL Mobile App is available on  App Store  Google Play  

Individual Shareholders holding securities in demat mode with CDSL	1. Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. Option will be made available to reach e-Voting page without any further authentication. The users to login Easi /Easiest are requested to visit CDSL website www.cdslindia.com and click on login icon & New System Myeasi Tab and then user your existing myeasi username & password. 2. After successful login the Easi / Easiest user will be able to see the e-Voting option for eligible companies where the e-Voting is in progress as per the information provided by company. On clicking the e-Voting option, the user will be able to see e-Voting page of the e-Voting service provider for casting your vote during the remote e-Voting period. Additionally, there is also links provided to access the system of all e-Voting Service Providers, so that the user can visit the e-Voting service providers' website directly. 3. If the user is not registered for Easi/Easiest, option to register is available at CDSL website www.cdslindia.com and click on login & New System Myeasi Tab and then click on registration option. 4. Alternatively, the user can directly access e-Voting page by providing Demat Account Number and PAN No. from a e-Voting link available on www.cdslindia.com home page. The system will authenticate the user by sending OTP on registered Mobile & Email as recorded in the Demat Account. After successful authentication, user will be able to see the e-Voting option where the e-Voting is in progress and also able to directly access the system of all e-Voting Service Providers..
Individual Shareholders (holding securities in demat mode) login through their depository participants	You can also login using the login credentials of your demat account through your Depository Participant registered with NSDL/CDSL for e-Voting facility. upon logging in, you will be able to see e-Voting option. Click on e-Voting option, you will be redirected to NSDL/CDSL Depository site after successful authentication, wherein you can see e-Voting feature. Click on company name or e-Voting service provider i.e. NSDL and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period.

Important note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at abovementioned website.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. NSDL and CDSL.

Login type	Helpdesk details
Individual Shareholders holding securities in demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.com or call at 022 - 4886 7000
Individual Shareholders holding securities in demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at toll free no. 1800-21-09911

B) Login Method for e-Voting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.
How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/ Member' section.
3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.
Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****.
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***.

5. Password details for shareholders other than Individual shareholders are given below:
 - a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
 - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
 - c) How to retrieve your 'initial password'?
 - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - (ii) If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered.**
6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a) Click on "[Forgot User Details/Password?](#)" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) [Physical User Reset Password?](#) (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.com mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
8. Now, you will have to click on "Login" button.
9. After you click on the "Login" button, Home page of e-Voting will open..

Step 2: Cast your vote electronically on NSDL e-Voting system.**How to cast your vote electronically on NSDL e-Voting system?**

1. After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle is in active status.
2. Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period.
3. Now you are ready for e-Voting as the Voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
5. Upon confirmation, the message "Vote cast successfully" will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote..

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/ JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to cs.ranjeet@gmail.com with a copy marked to evoting@nsdl.com. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) can also upload their Board Resolution / Power of Attorney / Authority Letter etc. by clicking on "Upload Board Resolution / Authority Letter" displayed under "e-Voting" tab in their login.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "Forgot User Details/Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on: 022 - 4886 7000 or send a request at evoting@nsdl.com

Process for those shareholders whose email ids are not registered with the depositories for procuring user id and password and registration of e mail ids for e-voting for the resolutions set out in this notice:

1. In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to gdi.stakeholder@gknautomotive.com
2. In case shares are held in demat mode, please provide DPID-CLID (16 digit DPID + CLID or 16 digit beneficiary ID), Name, client master or copy of Consolidated Account statement, PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) to gdi.stakeholder@gknautomotive.com. ROUTE MAP FOR VENUE OF ANNUAL GENERAL MEETING

DIRECTORS REPORT

To the Members of
GKN Driveline (India) Limited
Plot No. 270, Sector 24,
Faridabad-121005, Haryana

Your directors have pleasure in presenting their 40th Board Report on the audited accounts of the Company for the financial year ended March 31, 2025.

FINANCE

The summarized financials figures are given below:

(Rs.in Mn)

	Apr 1, 2024 to Mar,31,2025	Apr 1, 2023 to Mar,31,2024
Revenue from Operations (net of excise duty)	10,917.53	10,518.34
Other Income	84.12	82.47
Profit /(loss) before Tax, Interest and Depreciation (EBITDA)	1,750.99	1,594.05
Profit /(loss) before Tax and Depreciation (EBTDA)	1,725.57	1,571.51
Profit /(loss) before Tax (PBT)	1,303.69	1,158.52
Tax	331.94	299.87
Net Profit / (Loss)	971.75	858.65
Other Comprehensive Income	(12.41)	3.61
Total Comprehensive Income/(loss) for the year	959.34	862.26

Financial performance

The Company's top-line showed a growth of 3.80% when current year is compared with previous year mainly due to increase in market demand. The profit before interest, tax and depreciation (EBITDA) is INR 1750.99 Mn (16.03%) as compared to INR 1594.05 Mn (15.15%) in previous year. EBITDA is slightly better than previous year due to volume increase and reduction in commodity prices.

Your directors are satisfied that the accounts represent correct performance of the company and give a true and fair view of the state of affairs of the company as at March 31, 2025 and of the profit of the company for that year.

STATE OF THE COMPANY'S AFFAIRS AND OPERATIONS

The focus in 2024-25 continued to be on maintenance of harmonious industrial relations, people safety and business growth in line with market conditions. The business environment continued to be challenging in terms of volatile demand, global situation amid geopolitical tensions causing supply chain issues. The business environment had been challenging with volatile demand and supply chain disruptions due to geopolitical tensions. Company responded to these conditions with agility. Inflationary pressures impacted financials, prompting us to find creative solutions and operate more flexibly.

Faridabad & Dharuhera: EHMS recertification ISO14001 & ISO 45001 audits conducted successfully without any non-compliance. Sustained Zero LTA in year 2024-2025 won the appreciation award in the "Mass Production Delivery" category at the Honda Supplier Convention. Completed IATF - 16949 surveillance audit without any major non-conformance. FAR Plant achieved 1,000 accident-free days. Won new businesses despite stiff competition, started production during the year. Upgraded DG sets to dual mode (Diesel+PNG) at FAR and DHA sites to comply with changing regulations. Continuous focus on behavior-based safety guidelines, including self-assessments, audits, and awareness programs. National Safety week celebrated In March 2025 with engaging activities like safety quizzes and training sessions.

Pune and Kadi – Both plants won "Platinum Award" in GKN Quality Olympics. Sustained Zero LTA and Zero customer concerns in year 2024-2025. IATF 16949:2016 Re-Certification Audit completed successfully. During the year, focus was on BBS based RADAR & other BBS related activities, SISCA & WPTRA workshop & closure of actions. Best presentation award won by GKN KADI From ACMA in Nov 2024. MG MSA Customer System audits & CQI9 & SMG Customer VSA Audit completed with green rating. TATA CVBU MSA Audit & PCPA audits of TATA PVBU completed successfully with green rating (90%) and without any major observations. DANA Anand SSA CQI 9 & CQI 12 Audit completed successfully with no major observations.

Oragadam- Plant has been awarded Silver Award in the Environment, Health, and Safety (EHS) Excellence System Award Assessment 2024, conducted by the Confederation of Indian Industry – Southern Region. Also awarded for the ninth time with “Zero PPM” award by Toyota for outstanding quality performance & consistently maintained a Level-1 performance rating (above 90%) with Renault-Nissan for the past 10 Years. Remarkably, ORA Plant successfully passed all the customer audits and certification body (IATF and EHS) audits without major / blocking non-conformance. For the first time in its history, ORA achieved a perfect score of 100 out of 100 for the entire year.

AMOUNT PROPOSED TO BE CARRIED TO RESERVES

No amount was transferred to reserves during the year.

DIVIDEND

The Board of Directors of the Company at its meeting held on 13th December 2024, declared an interim dividend of INR 50 per equity share (500%) of face value of INR 10 each for the year 2024-25. Same shall be considered as final dividend for FY 2024-25.

CHANGE IN NATURE OF BUSINESS

There was no change in the nature of business during the year.

CONSERVATION OF ENERGY

Steps taken and impact on conservation of energy:

During the year 2024-25, Company initiated various steps for conserving electricity.

FAR

- *Energy consumption reduced through Heat exchanger with cooling tower line in place of refrigerant chillers on 04 machines – **Saved 19.2 Mwh.***
- *Energy consumption reduced through Air leakages arresting from machines actuators, pu pipes and fittings (439 to 220 CFM)- **Saved 28 Mwh.***
- *Energy consumption reduced by fitted Energy efficient Panel AC on machines – **Saved 17.2 Mwh.***

- *Energy consumption reduced with control off the conveyors, oil skimmer& coolant pumps on EFD and Grinders – Saved **1.2 Mwh.***
- *Energy consumption reduction with removing the washing machine operation from ACO-1 after installation of New EMAG turning- **Saved 60.9 Mwh.***

DHA

- *Energy consumption reduced through Cooling Tower Pump 2ND replaced with more Energy Efficient pump which consumed less energy, Pump rating also reduced from 18kw to 13kw with same flow & same pressure - **Saved 27 Mwh.***
- *Energy consumption reduced through AIR WASHERS WATER CIRCULATION Pump replaced with more Energy Efficient pump which consumed less energy, Pump rating also reduced from 7.5kw to 5.5kw with more flow & more pressure - **Saved 10.5 Mwh.***
- *Energy consumption reduced by fitted VFD in Canteen Air Washer. Air washer consumed less energy with VFD – **saved 2.635 Mwh.***
- *Energy consumption reduced with control off for Washing m/c (01 nos) & Grooving m/c (02 nos) in tea break & lunch time when Component not present – **Saved 4.68 Mwh.***
- *Energy consumption reduced in washing m/c, ICS-1 by replacing Pump and Motors with more Energy Efficient pump and motors and heaters which consumed less energy – **Saved 1.705 Mwh.***

PUN

- *Various productivity improvements - **Saved 47.329 Mwh***
- *Compressor energy cost saving by OD operation elimination on FOR cell for various products – **Saved 13.405 Mwh***
- *Energy Saving through various kaizens - **Saved 23.159 Mwh***
- *Inner Race- 2- Track grinding -Energy cost saving due to cycle time reduction with nozzle modification AC1500 - **Saved 84.822 Mwh***
- *3D coil implementation - **Saved 15.449 Mwh***
- *M/c energy cost saving by OD operation elimination - **Saved 38.323 Mwh***

KAD

- *Energy saving through Motion Detector implementation for Washroom light- **Saved 1.338 Mwh***
- *Energy saving through interlocking of HVAC & Ceiling Fan - **Saved 10.608 Mwh***
- *Stabilizer implementation for under voltage issu – **Saved 14.485 Mwh***

ORA

- *Energy consumption reduced with Compressor load / unload pressure optimization from 6 .3 Bar to 5.8 Bar & leakage prevention without any investment – **217 MWh***
- *LST chiller capacity reduction from 5.5KW to 4 KW- **Saved 18.26 Mwh***
- *IHT Conveyor elimination by changing unloading setup to gravity chute – **Saved 4.3 MWH***
- *Test center chiller off while machine in idle condition – **Saved 2MWH***
- *Gio 3 washing machine(35 KW) replaced with 0.75 Kw conveyor - **Saved 16.29 MWh***
- *Pump elimination and one pump capacity reduction from RO plant – **Saved 6MWh***
- *PF Plant of main motor Switch off 10 min - **Saved 0.5MWh***

TECHNOLOGY ABSORPTION

The Company maintains interaction with GKN Group internationally. The benefits derived by the Company through technology absorption and Research & Development are detailed in **Annexure A** with this Report. Company continuously imports technology from GKN Group under the Technical Collaboration Agreement and the same is fully absorbed. Company is receiving support and guidance from GKN Group to drive functional excellence in marketing, human resource, application engineering, supply management and information technology, among others, which helps Company to remain competitive and further step-up its overall business performance. GKN is committed to ensuring that the support in terms of new products, innovations, technologies and services is commensurate with the needs of the Company and enables it to continue as market leader.

AUTOMOTIVE INDUSTRY AND OUTLOOK:

Indian Automotive Industry FY 2025

- Overall Growth at 6.46%
- Passenger Vehicles (PV) grew by 4.87%, closely matching initial forecast of ~5%
- Two-Wheelers (2W) ended the year at +7.71%, falling short of the hoped-for double-digit increase
- Commercial Vehicles (CV) came in nearly flat at -0.17%, underscoring the impact of unpredictable weather, constrained financing, and shifting consumer sentiment.

Rural vs. Urban Performance

- 2W in rural markets grew by 8.39% vs. 6.77% in urban areas.
- 3W in rural regions rose by 8.70%, significantly outpacing 0.28% growth in cities.
- PV also performed better in rural belts with 7.93% growth, compared to 3.07% in urban markets

Long-Term Outlook (FY'26) is Cautious Optimism

- Growth Projections
 - o Anticipate mid to high single-digit growth in 2W, and low single-digit growth in PV and CV.
 - o New model launches, EV expansions, and improved rural incomes are key supportive factors.
- Persistent Headwinds
 - o Financing Constraints: Dealers emphasize the need for RBI rate cuts to reduce borrowing costs; stringent credit norms remain a major hurdle.
 - o Global Tariff War: Potential stock market turbulence and weaker mutual-fund (SIP) returns could erode disposable incomes, slowing auto purchases.
 - o Consumer Sentiment: Caution persists in PV due to limited product Pipelines, while CV operators await more robust demand

FY'25 Retails

"FY25 truly showcased how adaptable and resilient India's auto retail sector can be. Initial forecast of low single digit growth—around 5%—for Passenger Vehicles ended up hitting the mark almost perfectly at 4.87%. While we hoped for double digits in Two-Wheelers, we ended up at 7.71%. Commercial Vehicles, on the other hand, came in nearly flat at -0.17%, reminding us just how much factors like unpredictable weather, financing constraints, and shifting consumer sentiment can shape overall demand. A key highlights this year was the strong performance in rural areas. Two-Wheelers in rural markets grew by 8.39%, comfortably outpacing the urban growth of 6.77%, while Three-Wheelers saw an even bigger contrast at 8.70% in rural regions versus just 0.28% in urban. Even Passenger Vehicles posted 7.93% in rural sales, compared to 3.07% in cities.

Long-Term Outlook

Dealers across India are cautiously optimistic looking ahead to FY26, with projection mid to high single-digit growth in the 2W segment and low single-digit growth for both PV and CV. Many dealers pin their hopes on a combination of upcoming model launches and renewed interest in electric vehicles. Yet, significant headwinds dampen overall optimism. Financing remains a persistent challenge—dealers note that credit norms have tightened in recent months, and the need for further rate cuts by the RBI to bring down borrowing costs. Meanwhile, extended price hikes weigh on consumers' budgets, potentially impacting vehicle sales. Adding to the uncertainty is the looming spectre of a global tariff war, which could spark stock market turbulence and erode returns on mutual fund SIPs. If investors see their disposable incomes shrink in tandem with market volatility, discretionary spending—like auto purchases—may well suffer. Within the PV segment, new launches and strategic marketing can offer a lift, but widespread concerns remain about subdued consumer sentiment. In CVs, the picture is similarly nuanced, with dealers expecting only a modest pickup in segments like school buses and passenger carriers while freight demand remains patchy. Overall, despite the prospect of incremental growth, lingering caution colours the outlook for FY26 as the health of the auto sector will hinge on how effectively stakeholders manage financing challenges, adapt to a shifting global trade environment and better inventory

Segment wise FY25 performance

CATEGORY	FY'25	FY'24	YOY %
2 WHEELER	1,88,77,812	1,75,27,115	7.71%

HUMAN RESOURCES

Human Resource Development focuses on the following strategic priorities:

1. **Partnering with the business for organisational effectiveness**
2. **Employee experience and engagement**
3. **Talent acquisition, development, and succession planning**
4. **Equity, diversity, and inclusion**
5. **Employee and industrial relations**

Our HR strategy is designed to cultivate a performance-driven culture where innovation is encouraged, performance is recognised, and employees are empowered to optimise their potential. We believe in aligning individual competencies with organisational opportunities and provide continuous support for employee development and organisational growth. In managing employee and industrial relations, we ensure alignment between the workforce and business objectives.

1) Partnering Business for Organisation Effectiveness

- a) Facilitate a constructive social climate by providing strategic support to the business in areas such as organisation al design, culture, and change management initiatives, workforce planning, talent management, and policies. Our goal is to build a competent workforce and a cohesive organisation that meets business objectives.
- b) The organisation's design is regularly recalibrate to meet current and future business needs, enhancing efficiency and effectiveness by acquiring the right skills and competencies in line with our values and behaviours.
- c) Rightsizing and rationalisation are continuous processes aimed at optimising productivity. HR drives changes to balance business needs with individual strengths and aspirations.

2) Employee Experience and Employee Engagement:

HR team partners and People Managers to foster a Positive Employee Experience through Employee Enablement and Engagement.

- a) We believe that people managers play a key role in driving engagement. We encourage a participative management culture, with an open-door policy that allows employees to approach any level of management with individual or group concerns. Regular forums are organised to facilitate constructive interaction between employees and management, offering opportunities to share views and address issues.
- b) To further support employee engagement, plants have established several cross-functional forums for grievance redressal.
 - Quality Circles
 - Kaizen Circles
 - Canteen/Cafeteria Committee Meetings
 - Safety Committee Meetings
 - Grievance Handling Procedures
 - CSR Committee
 - Gender Neutral POSH Policy

We continue to invest in initiatives to enhance employee engagement and enablement, including action planning with people managers.

3. Talent Acquisition, Development and Succession Plan:

- a) We focus on developing effective talent acquisition and retention strategies to support organisational success in a competitive market.
- b) GKN integrates talent development and succession planning to align with business strategy, ensuring that our people strategy supports business outcomes through talent exchanges and a culture of development, inclusion, and diversity.
- c) Talent development processes actively address people-related risks, such as attrition and the retention of critical employees, to meet both current and future business needs.
- d) Blended learning is encouraged, with 70% learning through on-the-job experiences, 20% through coaching and mentoring, and 10% via e-learning or curriculum-based learning.
- e) Training and development programs prioritise values, ethics, compliance, safety, health, and environmental awareness to ensure the well-being of both employees and customers.

4. Equity, Diversity, and Inclusion:

- a) At the core of our strategy is the commitment to creating an environment where everyone can thrive, be their authentic self, and feel valued and included. While we are proud of the diversity within our workforce, we acknowledge that our journey towards achieving true equity and inclusion continues.
- b) We offer platforms for cultural awareness and open conversations on DEI, and we implement interventions to build and sustain meaningful initiatives that promote inclusivity.
- c) Prevention of Sexual Harassment (POSH) : We provide a comprehensive framework for educational initiatives aimed at raising awareness of sexual harassment, respectful , tolerance and promoting a safe workplace . This includes a clear distinction between acceptable and unacceptable behaviour and the deployment of an effective sexual harassment complaint resolution mechanism.

5. Employee & Industrial Relations:

- a) We work closely with the business to deploy effective employee and industrial relations strategies, ensuring a progressive and healthy industrial relations climate.
- b) HR partners with the business to monitor the industrial relations environment, formulate strategies, and manage relationships with trade unions and third-party labor groups. This collaborative approach ensures a positive and forward-thinking industrial relations environment.

HEALTH, SAFETY AND ENVIRONMENT

The company is committed for continual improvement in Health & Safety performance with goal of zero preventable accidents. During April 2024 – March 2025, we achieved zero loss time accident at all plants. We have a comprehensive safety program in place that includes training, education, and enforcement. No lost time accident happened and it's a testament to the hard work and dedication of everyone involved. We're committed to doing everything we can to prevent them. That's why we have a comprehensive safety program in place that includes training, education, and enforcement. We also invest in safety equipment and technology. we're committed to doing everything we can to keep our employees and our customers safe.

Zero LTA reflects the hard work, dedication, and safety awareness of everyone at our plants. We take safety as our utmost priority and are always working to sustain/improve. Our safety program includes regular training, safety education, and strict adherence to safety rules to ensure everyone goes home safe every day. As part of our efforts, we also follow Behavior-Based Safety (BBS). Our vision aligns with the GKN Global vision: "Everyone goes home safe, every day." We remain committed to doing everything we can to protect our employees, visitors, and customers.

LEGAL AND GOVERNANCE

GKN has a strong legacy of practicing fair, transparent and ethical governance par excellence. Besides complying with the statutorily prescribed legal and Governance practices, the Company has voluntarily adopted and evolved various practices governance conforming to highest ethical and responsible standards of business, globally benchmarked. GKN views legal compliance and Governance more as a way of life than a mere legal obligation. It forms part of business strategy which includes, inter-alia, creating an organization intended to maximise wealth of shareholders, establish productive and lasting relationship with all stakeholders with emphasis laid on fulfilling the responsibility towards entire community and society. 'Good Governance' is not an end, it is just a beginning towards growth of company for a long-term prosperity.

The Company has established systems, procedures and policies to ensure that its Board of Directors is well informed and well equipped to discharge its overall responsibilities and provide the management with the strategic direction catering to exigency of long-term shareholders value. It's initiatives towards adhering to highest standards of governance include self-governance, professionalization of the Board, fair and transparent processes and reporting systems and going beyond the mandated Corporate Governance requirements as per the Companies Act 2013 and any amendment thereof.

Corporate Governance

Corporate Governance is modus operandi of governing a corporate entity which includes a set of systems, procedures and practices which ensure that the Company is managed in the best interest of all corporate stakeholders i.e., shareholders, employees, suppliers, customers and society in general. Fundamentals of Corporate Governance includes transparency, accountability and independence. For accomplishment of the objectives of ensuring fair Corporate Governance the Government of India has put in place a framework based on the stipulations contained under the Companies Act, SEBI Regulations, Accounting Standards, Secretarial Standards, etc. Corporate Governance has become a buzzword in the corporate world. Globalization, widespread of shareholders, changing ownership structure, greater expectations, etc. have made a good Corporate Governance sin-quo-nun of modern management. Your Company strictly and strongly adheres to these requirements and norms.

We at GKN, confirm to highest standards of Corporate Governance through regular Board and committee reviews, business reviews, submission of various certifications to the GKN group by the top management. Internal audit conducted throughout the year with quarterly scope covering every function.

Vigil Mechanism/Whistle Blow System

To support Company's employee Disclosure Procedure Policy, the Company operates Group-wide international whistleblowing hotline. Run by an external and independent third party, the hotline facilitates arrangement whereby employees can make confidential disclosures about suspected impropriety and wrongdoing. Further, in terms of section 143 of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, as amended, notifications / circulars issued by the Ministry of Corporate Affairs from time to time, no fraud has been reported by the Auditors of the Company where they have reason to believe that an offence involving fraud is being or has been committed against the Company by officers or employees of the Company. There were a few complaints which were investigated, and appropriate action was taken suitably. There was no instance of fraud during the year under review, which required the Statutory Auditors to report to the Audit Committee and/or board under section 143(12) of the Act and the rules framed there under.

Secretarial Audit

In terms of provisions of Section 204 of the Companies Act, 2013 read with the Companies (Appointment and Remuneration) Rules, 2014, the Secretarial Audit was carried out by M/s Ranjeet Pandey & Associates, Company Secretaries, and Secretarial Auditor of the Company for the financial year 2024-25. The number of meetings attended by each director is attached to this report as **Annexure F**.

Corporate Social Responsibility Committee

The company framed a comprehensive CSR policy and constituted a CSR committee for the implementation of policy. The CSR policy is formulated as per Section 135 of the Companies Act 2013. A three-tier governance structure is responsible for implementing CSR activities for the company. These include the CSR Committee of the Board, Central CSR Team, and Operational CSR Teams located at respective plant sites. CSR Committee consists of four directors of which at least

two are independent directors. The CSR Committee of the Board consists of its chairman, Mr. Sanjay Katyal, Managing Director, Mr. Rajeev Dogra- (member), Mr. Bharat Dev Singh Kanwar– Independent Director (member) and Ms. Rajni Sekhri Sibal – Independent Director (member). Company Secretary of the Company will be responsible for activation, coordination between CSR Committee, Board, Sub – Committee and Plant Committees.

To ensure effective implementation of the CSR programmes undertaken at each Plant, a monitoring mechanism has been put in place. The CSR plan for Financial Year 2025-2026 was finalized and the projected amount of spent is INR 20 Mn approx. The contents of the policy are attached as **Annexure C**.

During the year, the Committee met three times on 21st June 2024, 13th December 2024 and 25th February 2025. The number of meetings attended by each director is attached to this report as **Annexure F**.

Independent Director's meeting

Independent Directors of the Company met separately on 17th February 2025 for FY 2024-2025 without the presence of Non-Independent Directors and members of management. In accordance with the Companies Act 2013 requirements, following matters were, inter alia, reviewed and discussed in the meeting:

- Performance of Non-Independent Directors and the Board of Directors as a whole.
- Performance of the Chairman of the Company taking into consideration the views of executive and Non-Executive Directors.
- Assessment of the quality, quantity and timeliness of flow of information between the Company Management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

RELATED PARTY TRANSACTIONS (SECTION 188)

In line with the requirements of the Companies Act, 2013 the Company has adopted a consistent policy on Related Party Transactions. It is ensured that proper reporting, approval and disclosure processes are in place for all transactions between the Company and Related Parties.

The Board and Audit & Risk Management Committee specifically deals with the review and approval of Related Party Transactions keeping in mind the potential or actual conflicts of interest that may arise because of entering into these transactions. The company takes omnibus approval of estimated Related party transactions in the beginning of the Financial year. All actual Related Party Transactions are placed before the Audit Committee for review and approval. Approval is obtained for Related Party Transactions in each of the board meeting for transactions which are of repetitive nature and / or entered in the Ordinary Course of Business and are at Arm's Length. At the time of transfer pricing audit, all the Related Party Transactions are subjected to independent review by a reputed accounting firm to establish compliance with the requirements of Related Party Transactions.

All Related Party Transactions entered during the period were in Ordinary Course of the Business and on Arm's Length basis. No Material Related Party Transactions, i.e. transactions exceeding ten percent of the annual turnover as per the last audited financial statements, were entered during the financial year by the Company. Accordingly, the disclosure of Related Party Transactions as required under Section 134(3) (h) of the Companies Act, 2013 in Form AOC 2 is not applicable.

RISK MANAGEMENT, INTERNAL CONTROLS AND INTERNAL FINANCIAL CONTROLS

The Board gives significant attention to, and accepts its responsibility for, the company's risk management internal control and internal financial controls. The Board has systems in place which optimizes the Company's ability to manage risk in an effective and appropriate manner.

The Audit and Risk Management Committee is responsible for reviewing the ongoing control processes and reporting to the Board on the operation of the systems of internal control, internal financial controls and risk management. The Board uses feedback from Audit & Risk Management Committee to form its own view on the effectiveness of the systems.

Risk Management

Company's enterprise risk management facilitates a common, company-wide method to the assessment of risks and the way in which these are monitored, managed and controlled. Risk profiling is undertaken at plant, function/business stream. A web-based software tool is used which provides a consistent set of risk definitions and a common approach to probability and impact. A broad range of risks is considered, including those relating to strategy, operational performance, financial, product engineering and technology, business reputation, human resources, health and safety, and the environment.

Consolidated 'risk maps' are reviewed by company management, the Audit & Risk Management Committee and the Board.

Internal Audit

Internal audit is part of the Company's Internal Control on Financial Reporting Programme (ICOFR). The Company has appointed M/s R Mahajan & Co, Chartered Accountants, who conducts internal audit of the company and its five plants on quarterly basis, the auditors submits plant wise and areas wise report every quarter. Internal audit reports of the Plants are presented to the Executive Team of the Company during Plant Review Meetings. Action plan is drawn on each observation and same are closed in timely manner. Internal audit areas include capital expenditure, statutory compliances, procurement & logistics, quality, inventory management, customer collection, dispatches, loans & advances, legatrix audit, intercompany transactions and employee cost etc. Internal Audit recommendations are analyzed and if found appropriate, are implemented.

Internal Financial Controls

The Company has adopted adequate policies and procedures for robust internal controls to ensure orderly conduct of business, adherences to such policies and procedures, safeguarding of assets, true and fair conduct of business, prevention and detection of fraud & errors, accuracy and completeness of accounting records and timely preparation of reliable information. Components of internal controls include management commitment to integrity and ethics, independence between Board & management, establishment of appropriate authorities & responsibilities, commitment to attract and retain competent individuals.

In pursuit to follow strict controls over financial reporting and pursuant to Section 143(3) (i) of Companies Act, 2013, the Company has conducted Internal Financial Control Audit.

IFC management testing was conducted by an Independent agency called DM And Company, Chartered Accountants, and independent testing by Internal auditors of SOPs was conducted to ensure adherence to the standard processes and controls. The independent testing of the processes is ongoing activity. During IFC management testing, internal controls have been found operating satisfactorily.

Compliance, Governance & Risk Framework

CGRF is another initiative of the Company on ICOFR. The Company has constituted a compliance, governance and risk framework at Plant and at Central level. The framework is bestowed with the responsibility to review compliances, governance and risk on periodic basis, draw road map to resolve the issues and implement the decisions taken for effective internal controls on compliances, governance and management of the Risks.

Standard Processes

The standard processes for all functions i.e., finance, human resource, purchasing, application engineering, supply chain, manufacturing engineering, sales & marketing, quality, production and operations developed and implemented during the period in all the plants of the Company. Effective adherence to processes is good sign of good internal control system in the Company.

Reporting & Integrity Process

Your Company observes strong controls and robust reporting processes to ensure that true and fair view of company's affairs are reported. Reporting and integrity processes of the Company are audited on quarterly and yearly basis.

Cost Audit

Cost audit is not applicable to the Company for the FY 2024-2025

DISCLOSURE UNDER SECTION 134(3)(m) OF THE COMPANIES ACT, 2013 READ WITH COMPANIES (ACCOUNTS) RULES, 2014.

FORM B (See Rule 2)**1. Specific areas in which R&D carried out by the Company.****Product Development**

- Third generation plunging and fixed joints developed for local and global OEMs.
- Second-generation plunging boots developed for local and global OEMs.
- New generation fixed boots developed and implemented for local and global OEMs.
- Development of Long stem tulips for OEMs.
- VAVE, Localization effort: Implementation of New VAVE (Value Analysis / Value Engineering) ideas in Product design, Forging, Steel, Grease Projects.
- Successful calibration of test rigs completed by GDI engineers.
- Test rigs programming sharing server configured to test rigs to avoid multiple license purchases.
- SD solution software installed in Test Engineer PC for real-time post-processing and M Graph analysis.
- IMDS preparation capability enhanced for local team.
- GDI rigs test plan replaced by Product Test planning Portal.
- Design capabilities has expanded to handle CAD activities for Japan, Thailand, Poland and France sites. Working on adding CATIA V6 for Honda to fulfil customer requirements.
- Controlling part data quality, CAD data quality, OTD and RFT by Q-sense tool. Following Creoview PVZ for better review of drawings and other documents.
- Self-calibration of test rigs & virtual access to Global rig centre for remote maintenance.
- QlikSense site introduced to see the test lab performance. & tracking design tasks and performance.
- Quasi static test rig upgraded - Stiffness hardware & software, Post processing scripts in Python.

2. Benefits derived as a result of the above R&D activities.

- Won new business in ICE and EV segment from local and global OEMs.
- Response time to customer improved by developing local design capability.
- Reduction in cost of product.
- Customer Engineering relationship enhanced.

3. Future plan of action

- Development of new generation, Light weight Joints which help to reduce CO2 emissions.
- Expand NVH (Noise, Vibration & Harshness) analysis capabilities.
- Planning to add Analysis activity software to check our product performance.
- Working on Commonization of change management process across globe (in GKN) to improve design working.
- GI4, DO2L, SX8.1L, SX6.1 joints promotion.
- Develop low-cost rear joint.
- Backlash test rig upgradation (or new) - under discussion.
- Prototype Competence Center establishment - Spline rolling, Turning, VMC, OD Grinding, HT machine procurement planned in 2025 (in-progress).
- Develop Creo tool for DMU (Articulation) generation with less time as getting high demand from different customers.

4. Expenditure on R&D

- (a) Capital – INR 20.79 Mn
- (b) Recurring – INR 77 Mn
- (c) Total – INR 97.79 Mn

TECHNOLOGY ABSORPTION, ADAPTATION AND INNOVATION**1. Efforts, in brief, made towards technology absorption, adaptation and innovation.**

- Creation of driveshaft and component level drawings for 3rd generation joints in India
 - Design team capability increased, organized refresher training by Japanese colleagues in Faridabad.
 - Testing and validation capability increased.
 - Maintaining Data quality reports to align with global way of working.
- Educated local OEMs on use of hollow shaft technology in place of solid barshaft design. It helped Indian OEMs to design vehicles to improve NVH characteristics.
- Local engineering capability enhanced in handling AWD and Electric vehicle applications.
- Training of engineers outside India to enhance NVH measurement capability and CATIA software to service global OEMs creating drawings and maintaining libraries.
- Forging optimization, boot design change and joint performance benchmarking done under VAVE activities.
- Taking training from other sites for global customers like RNM, Toyota, Hyundai, others which improve visibility of Design and increase individual competency levels.
- WTS (Welded tubular shaft) and MTS (Mono-block Tubular Shaft) Technology introduced for some of new customer programs.
- FB5.1 boot design implementation for MG Motor, MSIL customers.
- Working with various customers for AWD and ePT solutions.
- SX new technology joints adopted in Toyota, Mahindra models.
- PB4.2F plunge boots adopted to have reduced packaging and grease volume.

2. Benefits derived as a result of the above efforts, e.g., Product Development, Import Substitution, etc.

- Quick and accurate response to customers and GKN global teams.
- Support Light weight product development.
- Online design data control (Drawings release system).
- Development of new Business for upcoming Hybrid and Electric Car applications.
- GDI test site release test reports at an avg. lead time of 3.1 days - best among all other sites & Reports OTD 97.7%, ranking 1st in all test sites in GKN.

1. Contents of the Corporate Social Responsibility Policy

GKN Driveline (India) Ltd has Five plants. Two plants are in Haryana, one in Maharashtra one in Tamilnadu and one in Gujarat.

Plants are located where basic civic infrastructure is inadequate and socio-economic profile is on weaker side. GDI's mission is to contribute towards improving the quality of life of the communities living in these areas. The Company believes that its success in executing and operating plants is critically dependent on following a participatory development-oriented approach that strengthens our bond with the local population.

Guiding Principles: GKN Driveline (India) Ltd. in its continuous efforts to positively impact the society, especially the areas around its sites and offices, has formulated policies for social development that are based on the following guiding principles:

- Honor the spirit of law and be a responsible corporate citizen.
- Pursue growths through harmony with the community via innovative management techniques.
- Adopt an approach that aims at achieving a greater balance between social development and economic development.
- Respect culture and customs of every project / plant location.
- Work towards elimination of all barriers for the social inclusion of disadvantaged groups - such as the poor, socially backward, differently abled and others.
- Develop practices aimed at inclusive growth.
- Thrust on Environment Protection.

Focus Areas: GDI CSR areas targets inclusive growth of all stakeholders under nine categories, mentioned under Sch. VII of The Companies Act, 2013.

These primarily fall under drinking water, sanitation, education, healthcare, social development, livelihood opportunities and environment protection. These are:

- Rural Development Projects
- Healthcare including sanitation and drinking water
- Education & Vocational Skills (incl. Educational Infrastructure)
- Gender Equality & Women Empowerment (Incl. Old age homes)
- Environmental Sustainability
- Heritage Protection (Incl. Art and Culture)
- Training for Promotion of Sports Talent
- Clean Ganga & Swach Bharat Abhiyan
- Disaster management
- Other items as may be prescribed from time to time under Sch. VII of The Companies Act, 2013.

2. The Composition of the CSR Committee:

The CSR Committee of the Board consists of its chairman, Mr. Sanjay Katyal - Managing Director, Mr. Rajeev Dogra, Executive Director, Mr. Bharat Dev Singh Kanwar, Independent Director and Ms. Rajni Sekhri Sibal Independent Director.

SECRETARIAL AUDIT REPORT

For the financial year ended on 31st March, 2025

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To

The Members**GKN Driveline (India) Limited****Plot No. 270, Sector- 24,****Faridabad- 121005, Haryana**

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by "**GKN Driveline (India) Limited**" (Corporate Identity Number U74999HR1985PLC034079) (hereinafter called the "Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of **GKN Driveline (India) Limited's** books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives, during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2025 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2025, according to the provisions of:

- i) The Companies Act, 2013 (the Act) and the rules made there under;
- ii) The Depositories Act, 1996 and the Regulations and Bye-Laws framed there under;
- iii) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Overseas Direct Investment;
- iv) As explained by the Company, there is no other law, related to the industry in which the Company is operating, is applicable specifically to the Company.

We have also examined compliance with the applicable clauses of the Secretarial Standards issued by The Institute of Company Secretaries of India.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc. mentioned above.

With respect to Fiscal laws such as Income Tax, Goods and service Tax based on the information and explanation provided to us by the management and officers of the Company and also on verification of reports of professionals including reports of Internal Audit, we report that adequate systems are in place to monitor and ensure compliance of fiscal laws.

We further report that:-

The Board of Directors of the Company is duly constituted with proper balance of Executive Director, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice has been given to all directors/members of the committee, as the case may be, to schedule the Board Meetings including committee meeting during the financial year under review, agenda and detailed notes on agenda were sent properly before the scheduled meeting, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

In terms of the minutes of Board and committee meetings, we report that all the decisions are carried unanimously. The members of the Board have not expressed dissenting views on any of the agenda items during the financial year under review.

We further report that the systems and processes in the Company to monitor and ensure the compliance with applicable laws, rules, regulations and guidelines, are commensurate with the size and operations of the Company.

We further report that, during the audit period, the Company has declared and paid dividend in accordance with the provisions of the Act and necessary compliances of the Act was made.

“Annexure E” to the Board Report**Contents of the remuneration policy and other best practices**

The policy concerns the remuneration and other terms of employment for GKN Driveline (India) Employees, including the directors, the Managing Director and other Senior Management Personnel. The policy is approved by the Nomination and Remuneration Committee and the Board of Directors.

Objectives:

The policy aims to:

- Attract and retain the best qualified people available to achieve the organization's objectives.
- Provide equitable and consistent remuneration to employees.
- Pay for performance: Differentiate performers from non-performers.
- Enable an appropriate compensation structure.
- Communicate the staff the basic parameters of Salary Structure.
- Build external competitiveness and internal performance related equivalences.

Guiding principles for remuneration and other terms of employment

- The remuneration and the other terms of employment for the Employees shall be competitive in order to ensure that GKN Driveline (India) Limited can attract and retain competent Executives.
- The Employee's fixed salary shall be competitive and based on the individual Employee's responsibilities and performance.
- Competitiveness of the salary will be decided as per Market Survey.
- Taxing implications are of paramount importance. There will be no rule bending/compromises.

Criteria for appointment

The appointment shall be based on the following criteria:

- Qualification, experience and expertise of the person for appointment.
- Specialization, special achievements which contributed to growth in the business/functional area.
- Active participation in the affairs of the company.
- Diversity of the Board.
- Demonstrable leadership qualities and interpersonal communication skills.
- Transparent, unbiased and impartial execution.
- Appointment of Directors and KMPs is in compliance with the procedure laid down under the provisions of the Companies Act 1013, and rules made thereunder.

Criteria for remuneration

The remuneration to Directors, Key Managerial Personnel and Senior Management Personnel involves a balance between fixed and variable pay reflecting short term and long term performance objectives.

The Managing Director's remuneration is a combination of fixed and variable pay. The Non-Executive Directors are not paid any remuneration by the Company as directors. Independent Directors are paid sitting fee for attending each meeting(s) of the Board and Committees thereof.

The remuneration is within the statutory limits and approved by the Shareholders of the Company.

INDEPENDENT AUDITORS' REPORT**To The Members of GKN Driveline India Limited****Report on the Audit of the Financial Statements****Opinion**

We have audited the accompanying financial statements of GKN Driveline India Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss (including Other Comprehensive loss), the Statement of Cash Flows and the Statement of Changes in Equity for the year ended on that date, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report but does not include the financial statements and our auditor's report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going

concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for not complying with the requirement of audit trail as stated in i(vi) below.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
- f) The modification/s relating to the maintenance of accounts and other matters connected therewith, are as stated in paragraph (b) above.
- g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended,

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note 13(b) & 32 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses. Refer Notes 40 (xiii) to the financial statements.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company. Refer Note 42 to the financial statements.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. Refer Note 40 (iv) to the financial statements.
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. Refer Note 40 (v) to the financial statements.
 - (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. The interim dividend declared and paid by the Company during the year and until the date of this report is in accordance with section 123 of the Companies Act 2013. Refer Note 11(v) to the financial statements.
 - vi. Based on our examination, the Company has used accounting software for maintaining its books of account for the year ended March 31, 2025 wherein:
 - a. the accounting software did not have a feature of recording audit trail (edit log) facility, and
 - b. in respect of the other accounting software used for maintaining its payroll records, which is operated by a third party software service provider and in absence of Service Organization Control Type 2 (SOC2) report for full year we are unable to comment whether audit trail feature of the said software was enabled and operated throughout the year for all relevant transactions recorded in the software or whether there were any instances of the audit trail feature been tampered with. (Refer note 41 to the financial statements)
 - vii. As audit trail feature was not enabled for the year ended March 31, 2024, reporting under Rule 11 (g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(g) under ‘Report on Other Legal and Regulatory Requirements’ section of our report on the financial statements for the year ended March 31, 2025, to the members of GKN Driveline (India) Limited of even date)

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to financial statements of GKN Driveline (India) Limited (“the Company”) as of March 31, 2025, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal financial controls over financial reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A Company’s internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Reporting

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements

may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the criteria for internal financial control with reference to financial statements established by the respective Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Property, Plant and Equipment and right-of-use assets were physically verified during the year by the Management which, in our opinion, provides for physical verification at reasonable intervals. No material discrepancies were noticed on such verification.
- (c) Based on our examination of the registered sale deed /conveyance deed provided to us, we report that, the title deeds of all the immovable properties, (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) disclosed in the financial statements included in Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.
- (d) The Company has not revalued any of its Property, Plant and Equipment (including right of use assets) and intangible assets during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) The inventories except for goods-in-transit and stocks held with third parties, were physically verified during the year by the Management at reasonable intervals. In our opinion and based on information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. For stocks held with third parties at the year-end,

written confirmations have been obtained and in respect of goods-in-transit, the goods have been received subsequent to the year end. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories/ alternate procedures performed as applicable, when compared with books of account.

- (b) According to the information and explanations given to us, at any point of time of the year, the Company has not been sanctioned any working capital facility from banks or financial institutions on the basis of security of current assets, and hence, reporting under Clause 3(ii)(b) of the Order is not applicable.
- (iii) (a) The Company has granted loans (excluding loan to employees) during the year and details of which are given below:

(Rs. in million)

Particulars	Loans
A. Aggregate amount granted during the year:	
-Fellow Subsidiary	-
B. Balance outstanding as at balance sheet date in respect of above case:	
-Fellow Subsidiary	100.00

The Company has not made any investments in, provided any guarantee or security or granted any advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties during the year.

- (b) The terms and conditions of the grant of all the above-mentioned loans provided during the year are, in our opinion, not prejudicial to the Company's interest.
- (c) The Company has granted loans which are payable on demand. During the year, Loans amounting to Rs. 50 million have been re-paid/settled. In our opinion, the repayments of principal amounts and receipts of interest are regular (Refer reporting under clause (iii)(f) below).
- (d) According to information and explanations given to us and based on the audit procedures performed, in respect of loans provided by the Company, there is no overdue amount remaining outstanding as at the balance sheet date as the Company has not demanded such loans.
- (e) None of the loans granted by the Company have fallen due during the year as the Company has not demanded such loans.
- (f) Above mentioned loans in clause (iii) (a) granted by the Company are repayable on demand and represent 100% of the total loans granted.
- (iv) The Company has complied with the provisions of Section 186 of the Companies Act, 2013 in respect of loans granted. Further the Company has not granted any loans, made investments or provided guarantees or securities that are covered under the provisions of sections 185 of the Companies Act, 2013.
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- (vi) The maintenance of cost records has not been specified for the activities of Company by the Central Government under Section 148(1) of the Companies Act, 2013.
- (vii) In respect of statutory dues:
- (a) Undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income-tax, duty of Customs, cess and other material statutory dues applicable to the Company have generally been regularly deposited by it with the appropriate authorities though there has been a delay in respect of remittance of Provident Fund where KYC is not updated by the employees.

There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, duty of Excise, cess and other material statutory dues in arrears as at March 31, 2025 for a period of more than six months from the date they became payable.

- (b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2025 on account of disputes are given below:

Name of the Statute	Nature of Dues	Amount (Rs. In Million)#	Amount paid under protest (Rs. In Million)	Period to which the Amount Relates	Forum where the dispute is pending
The Income Tax Act, 1961	Income Tax	13.88	-	FY 2018-19	Assistant Commissioner of Income Tax (OSD), New Delhi
The Customs Act, 1962	Custom Duty	410.85	43	FY 2018-19 to FY 2023-24	Customs, Excise & Service Tax Appellate Tribunal (CESTAT)
Goods and Services Tax Act, 2017	Gujarat GST	0.64	-	FY 2020-21	Additional/Deputy Commissioner of State Tax (Appeals)
Goods and Services Tax Act, 2017	Gujarat GST	52.09	-	FY 2017-18	Joint Excise and Taxation Commissioner (Appeal)
Goods and Services Tax Act, 2017	Gujarat GST	2.61	-	FY 2020-21	Commissioner of State Tax – Appeal
Goods and Services Tax Act, 2017	Maharashtra GST	9.10	-	FY 2020-21	Joint Commissioner of State Tax (Appeals)
The Tamil Nadu Value Added Tax (VAT) Act, 2006	Tamil Nadu VAT	3.70	1.50	FY 2014-15	High Court
The Finance Act, 1994	Service Tax	2.08	0.05	FY 2005-06, FY 2008-10, FY 2009-11, FY 2011-12, FY 2014-16	Commissioner (Appeal)
		52.85	0.82	FY 2005-08, FY 2010-11, FY 2014-16	Customs, Excise & Service Tax Appellate Tribunal (CESTAT)
		2.73	-	FY 2004-08	Joint Commissioner of GST & Central Excise

amounts disclosed above are as per demand orders including consequential interest as determined by the management till balance sheet date. (Also refer Note 13(b) and Note 32 to the financial statements for the year ended March 31, 2025 in respect of provision for entry tax and duty of Customs respectively).

- (viii) There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
- (ix) (a) The Company has not taken any loans or other borrowings from any lender. Hence reporting under clause 3(ix)(a) of the Order is not applicable to the Company.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has not taken any term loan during the year and there are no unutilised term loans at the beginning of the year and hence, reporting under clause (ix)(c) of the Order is not applicable.
- (d) On an overall examination of the financial statements of the Company, funds raised on short term basis have, not been used during the year for long term purposes by the Company.
- (e) The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause 3(ix)(e) of the Order is not applicable.
- (f) The Company has not raised any loans during the year on the pledge of securities and hence, reporting under clause 3(ix)(f) of the Order is not applicable.
- (x) (a) The Company has not issued any of its securities (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

- (b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed in Form ADT-4 as prescribed under rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) The Company is not required to establish a whistle blower mechanism under Section 177 the Companies Act, 2013. However, the Company has established a vigil mechanism voluntarily. We have taken into consideration the whistle blower complaints received by the Company during the year (and upto the date of this report) and provided to us, while performing our audit.
- (xii) The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable.
- (xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc as required by the applicable accounting standards.
- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered the internal audit reports issued to the Company during the year covering specific processes scoped in for review as per Internal Audit plan covering period under audit.
- (xv) In our opinion, during the year the Company has not entered into any non-cash transactions with its directors, or persons connected with them and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (b) The Group does not have any CIC as part of the group and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of the realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and the Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all the liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there are no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act, 2013 or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2025

1. Corporate information

GKN Driveline (India) Limited is a public limited company and domiciled in India was incorporated on July 25, 1985. The Company is engaged primarily in the manufacture and sale of driveshafts to original equipment manufacturers (OEMs) in the automobile industry. The Company has five manufacturing locations in India at Faridabad, Dharuhera, Oragadam, Pune and Kadi. The address of its registered office is Plot No 270, Sector 24 Faridabad, Haryana.

The Company is a subsidiary of GKN Driveline international GmbH, Germany and Melrose Industries PLC, UK (Melrose) is the ultimate holding company. Melrose demerged its Automotive, Hydrogen and Powder Metallurgy arm into a new entity known as Dowlais Group PLC on April 20, 2023. Accordingly, the ultimate holding company is Dowlais Group PLC w.e.f. April 20, 2023.

The financial statements for the year ended March 31, 2025, were approved by the Board of Directors and authorised for issue on August 25, 2025.

2. Material accounting policies

2.01 Basis of preparation

(i) Statement of Compliance

The financial statements of the Company have been prepared in accordance with The Indian Accounting Standards (hereinafter referred to as the "Ind AS") as notified by Ministry of Corporate Affairs ('MCA') under the Section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other relevant provision of the Act.

(ii) Basis of preparation and presentation

The financial statements have been prepared in accordance with Ind AS and accounting principles generally accepted in India on historical cost basis except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in relevant accounting policies mentioned below. Historical cost is generally based on the fair value of the consideration given in exchange of goods or services. The accounting policies followed in preparation of the Financial Statements are consistent with those followed in the preparation of Financial Statements for the year ended March 31, 2024 except for certain amendments in Ind AS and the Act as notified by MCA.

a) Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

b) Current and non-current classification

The Company presents assets and liabilities in the financial statements based on current or non-current classification according to the Company's operating cycle.

All amounts disclosed in the financial statements and the accompanying notes have been rounded off to the nearest million as per the requirement of Schedule III of the Companies Act 2013, unless otherwise stated. Previous year figures have been regrouped / reclassified to make comparable with the current year figures for better presentation. However such regrouping / reclassification are not material to overall financial statements.

(iii) Use of estimates and judgements

In preparing the financial statements in conformity with accounting principles generally accepted in India, management is required to make judgements, estimates and assumptions that may affect the application of accounting policies and reported amounts of assets and liabilities and the disclosure of contingent liabilities as at the date of financial statements and the amounts of revenue and expenses during the reported period. Actual results may differ from those estimates. Estimates and underlying assumptions are reviewed at each balance

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2025

sheet date. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods affected.

(iv) Going Concern

The board of directors, at the time of approving the financial statements, have reasonable expectation that the Company has adequate resources to continue its operational existence for the foreseeable future. Thus, they continue to adopt the going concern basis of accounting for preparation of financial statements.

2.02 Cash and cash equivalents

Cash and cash equivalents comprise cash in hand, balances with banks and similar institutions, and short-term deposits which are readily convertible to cash and are subject to insignificant risks of changes in value. For the purpose of Statement of Cash Flows, cash and cash equivalents consist of cash in hand, balances with banks and short-term deposits, as defined above, net of outstanding bank/book overdrafts as they are considered an integral part of Company's cash management.

2.03 Statement of Cash Flows

Cash flows are reported using indirect method, whereby Profit before tax reported under Statement of Profit and loss is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on available information.

2.04 Property, plant and equipment

Property, plant and equipment are stated at cost or deemed cost and subsequent costs thereto net of GST input credit less accumulated depreciation and impairment.

Cost of acquisition includes expenditure that is directly attributable to the acquisition of the items. Such assets are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives and residual value

Depreciation on property, plant and equipment is provided on the straight-line method ('SLM'), over the useful life prescribed in Schedule II to the Companies Act, 2013 ('Act') or useful life determined based on technical evaluation and past trends, upto the estimated residual value of the depreciable assets, as follows:

Category of Fixed Assets	Life of assets (in Years)
Computer & software	3
Electric installation	15
Furniture & fixtures	8
Office equipment	8
Mobile phones	3
Plant & machinery	
- Short life	6
- Medium Life	10
- Long Life	15

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2025

Material handling equipment	8
Mechanical testing	3
Trolleys	3
Vehicles	4
Building including Roads	30
Employees white goods (Furniture & fixtures, Office equipment & computers)	4

All assets, the individual written down value of which at the beginning of the year is Rs. 5,000 or less, are depreciated at the rate of 100%. Assets purchased during the year costing Rs. 5,000 or less are depreciated at the rate of 100%. An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Capital work-in-progress comprises the cost of property, plant and equipment that are not yet ready for their intended use on the reporting date.

The Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as of April 1, 2016 (the transition date) measured as per the previous GAAP and use such carrying value as its deemed cost as of the transition date.

2.05 Intangible assets

Intangible assets with finite useful lives (viz. software) that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses, if any. Amortization is recognized on a straight-line basis over the period of three years or the period of license. The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognised in profit or loss when the asset is derecognized.

The Company has elected to continue with the carrying value of all of its intangible assets recognised as of April 1, 2016 (the transition date) measured as per the previous GAAP and use such carrying value as its deemed cost as of the transition date.

2.06 Impairment of tangible and intangible assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2025

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

2.07 Inventories

Inventories are valued at cost or net realizable value whichever is lower with due allowance being made for obsolete and slow-moving items. Cost is determined on First in First out (FIFO) basis.

The cost of raw materials and stores and spares comprises all cost of purchase, costs of conversion and other costs incurred in bringing inventories to their present location and condition. The cost of finished goods and work in progress comprises raw materials, direct labour, other direct cost, related fixed and variable production overheads. Costs of purchased inventory are determined after deducting rebates and discounts. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

Machinery spares (other than those supplied along with main plant and machinery, which are capitalised and depreciated accordingly) are charged to Statement of Profit and Loss on consumption.

2.08 Revenue recognition

The Company derives revenues primarily from sale of manufactured goods.

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of returns, discounts, price reductions and Goods & Service tax.

The Company recognises revenue when the amount of revenue and its related cost can be reliably measured, and it is probable that future economic benefits will flow to the entity and degree of managerial involvement associated with ownership or effective control have been met for the Company's activity.

Revenue from the sale of driveshaft is recognized at the point in time when control is transferred to the customer, depending upon contractual terms this may be at the point of despatch or acceptance by the customer. The revenue recognised is the transaction price as it is the observable selling price per product.

Contracts are reviewed to identify each performance obligation relating to a distinct good or service and the associated consideration. A performance obligation is identified if the customer can benefit from the good or service on its own or together with other readily available resources, and it can be separately identified within the contract. This review is performed by reference to the specific contract terms.

The Company's revenue is derived from the single performance obligation to transfer primarily its products under arrangements in which the transfer of control of the products and the fulfilment of the Company's performance obligation occur at the same time. Revenue from the sale of goods is recognized when the Company has transferred control of the goods to the buyer and the buyer obtains the benefits from the goods, the potential cash flows and the amount of revenue (the transaction price) can be measured reliably, and it is probable that the Company will collect the consideration to which it is entitled to in exchange for the goods.

Discount to customers are based on certain percentages agreed with the customers, which are typically earned by the customer over an annual period. These are allocated to performance obligations and are recorded as a reduction in revenue at the point of sale based on the estimated future outcome. Due to the nature of these arrangements an estimate is made based on historical results to date, estimated future results across the contract period and the contractual provisions of the customer agreement.

Company procured / manufactured tooling, which is explicitly funded by the customer, whether up-front or over time, and is included within part of a broader production contract.

The Company has the practice of recovering the market movement of steel, obsolete inventory, prototype development and exchange rate from its customers. The revenue for these recoveries is booked only after settlement of prices with customers.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2025

Revenue from services is recognised on rendering of related services to the customers and when there is no uncertainty in receiving the same.

Export Incentives under various schemes are accounted in the year of export.

2.09 Other income

Interest income from a financial assets is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

2.10 Foreign Currencies

The functional currency for the Company is determined as the currency of the primary economic environment in which it operates. For the Company, the functional currency is the local currency of the country in which it operates, which is Indian Rupees (Rs.).

In preparing the financial statements of the Company, transactions in currencies other than the entity's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss.

2.11 Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification of financial assets

Debt instruments that meet the following conditions are subsequently measured at amortised cost (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments that meet the following conditions are subsequently measured at fair value through other comprehensive income (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2025

- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All other financial assets are subsequently measured at fair value.

Effective interest method

The effective interest method is a method of calculating the amortized cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

A financial asset is held for trading if:

- it has been acquired principally for the purpose of selling it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument or a financial guarantee.

Impairment of financial assets

The Company applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortized cost, lease receivables, trade receivables and other contractual rights to receive cash or other financial assets and financial guarantees not designated as at FVTPL.

For trade receivables or any contractual right to receive cash or another financial assets that result from transactions that are within the scope of Ind AS 115, the Company measures the loss allowance at an amount equal to expected credit losses. The expected credit losses on trade receivables and other financial assets are estimated based on the Company's historical credit loss experience, adjusted for factors that are specific to the debtors, general economic conditions and an assessment of both the current as well as the forecast direction of conditions at the reporting date. The Company follows simplified approach for recognition of impairment loss allowance for Trade Receivables.

The application of the simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, twelve months ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in the subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising an impairment loss allowance based on a twelve months ECL. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls).

Derecognition of financial assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognizes a collateralized borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2025

On derecognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of the consideration received for the part no longer recognised and any cumulative gain or loss allocated to it that had been recognised in other comprehensive income is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognised in other comprehensive income is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts.

2.12 Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all its liabilities. Equity instruments issued by a Company entity are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Financial liabilities

All financial liabilities are subsequently measured at amortized cost using the effective interest method or at FVTPL.

However, financial liabilities that arise when a transfer of a financial asset does not qualify for derecognition or when the continuing involvement approach applies, financial guarantee contracts issued by the Company, and commitments issued by the Company to provide a loan at below-market interest rate are measured in accordance with the specific accounting policies set out below.

a) Financial liabilities at FVTPL

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

A financial liability is classified as held for trading if:

- it has been incurred principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument.

Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any interest paid on the financial liability and is included in the 'Other income' line item.

However, for non-held-for-trading financial liabilities that are designated as at FVTPL, the amount of change in the fair value of the financial liability that is attributable to changes in the credit risk of that liability is recognised in other comprehensive income, unless the recognition of the effects of changes in the liability's credit risk in other comprehensive income would create or enlarge an accounting mismatch

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2025

in profit or loss, in which case these effects of changes in credit risk are recognised in profit or loss. The remaining amount of change in the fair value of liability is always recognised in profit or loss. Changes in fair value attributable to a financial liability's credit risk that are recognised in other comprehensive income are reflected immediately in retained earnings and are not subsequently reclassified to profit or loss.

b) Financial liabilities subsequently measured at amortized cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method. Interest expense that is not capitalized as part of costs of an asset is included in the 'Finance costs' line item.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

c) Foreign exchange gains and losses

For financial liabilities that are denominated in a foreign currency and are measured at amortized cost at the end of each reporting period, the foreign exchange gains and losses are determined based on the amortized cost of the instruments and are recognised in 'Other income'.

The fair value of financial liabilities denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of the reporting period. For financial liabilities that are measured as at FVTPL, the foreign exchange component forms part of the fair value gains or losses and is recognised in profit or loss.

d) Derecognition of financial liabilities

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

2.13 Employee benefit costs
Retirement benefits and termination benefits costs
a) Defined contribution plans:

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions. Payments made to state-managed retirement benefit plans are accounted for as payments to defined contribution plans where the Company's obligations under the plans are equivalent to those arising in a defined contribution retirement benefit plan.

The Company contributes towards State governed provident fund linked with employee pension scheme and superannuation fund managed by LIC for certain employees. The contribution paid/ payable under the scheme is recognized during the period in which the employee renders the related service.

b) Defined benefit plans:

- (i) The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering all employees in accordance with the Payment of Gratuity Act, 1972 without any limits on the amount. The Gratuity Plan

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2025

provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The Company funds the benefits through annual contributions to Life Insurance Corporation of India (LIC) under its Group's Gratuity Scheme.

The Company's liability and the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur.

Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognised in profit or loss in the period of a plan amendment or curtailment, and the date that the Company recognizes related restructuring costs.

Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset.

Defined benefit costs are categorized as follows:

- a) service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements)
- b) net interest expense or income; and
- c) remeasurement

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The liability or asset recognised in the financial statements in respect of gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets.

- (ii) Provident Fund contributions for certain employees are made to a Trust administered by the Company. Interest payable to the Provident Fund members, shall not be at a rate lower than the statutory rate. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of the year and any shortfall in the fund maintained by the Trust is additionally provided for in the financial statements. Actuarial losses/gains are recognised in the Statement of Profit and Loss in the year in which they arise.

c) Other Long-term employee benefits:

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Discount rates used for determining present value of the obligation under the defined benefit plan, are based on the market yield on Government Securities as at the balance sheet date. Actuarial gains and losses arising from past-experience and changes in actuarial assumptions are credited or charged to the standalone statement of profit and loss in the year in which such gains or losses are determined.

d) Short-term employee benefits:

All employee benefits falling due wholly within twelve months of rendering the service are classified as short-term employee benefits. The benefits like salaries, wages, short term compensated absences etc. and the expected cost of bonus, and exgratia are recognized in the period the related service is rendered at undiscounted amount of benefits expected to be paid in exchange for that service.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2025

The cost of short-term compensated absences is accounted as under:

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur.

2.14 Leases:

At inception of a contract, the Company assesses whether the contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified assets for a period of time is exchange for consideration.

Where a lease arrangement is identified, a liability to the lessor is included in the Balance Sheet as a lease obligation calculated at the present value of minimum lease payments. A corresponding right-of-use asset is recorded in property, plant and equipment.

The Company recognises a right-of use assets and a lease liability at the lease commencement date except for lease with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

Lease term is a non-cancellable period together with period covered by an option to extend the lease if the Company is reasonably certain to exercise that option: and period covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option.

The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct cost incurred, less any lease incentive received. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term, unless the lease transfers ownership of the underlying assets to the Company by the end of the lease term or code of the right-of-use assets reflects that the Company will exercise a purchase option. In that case the right-of-use assets will be depreciated over the useful life of the underlying assets.

They are subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use asset are depreciated over the shorter of asset's useful life and the lease term on a straight-line basis. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable

The lease liability is initially measured at the present value of the lease payments to be paid over the lease term at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate. Subsequently, the lease liability is measured at amortised cost using the effective interest method.

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability. The lease payments are discounted using the rate of interest implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the Company, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in the similar economic environment with similar terms, security and conditions.

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract in accordance with Ind AS 116 and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components.

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2025

immediately in the statement of profit and loss, unless they are directly attributable to qualifying assets. Variable lease payments are recognised in the statement of profit and loss in the period in which the condition that triggers those payments that occur.

2.15 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of exceptional items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of exceptional items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for employee share options and bonus shares, if any, as appropriate.

2.16 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the assets to be recovered.

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2025

2.17 Provisions, Contingent assets and Contingent liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received, and the amount of the receivable can be measured reliably.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Litigations often involve complex legal/regulatory issues and are connected with a high degree of uncertainty. Accordingly, the assessment of whether an obligation exists on the balance sheet date as a result of an event in the past, and whether a future cash outflow is likely and the obligation can be reliably estimated, largely depends on estimations by the management.

2.18 Insurance claims

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

2.19 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The board of directors assess the financial performance and position of the Company and makes strategic decisions and therefore the board would be the chief operating decision maker or 'CODM, within the meaning of Ind AS 108 "Operating Segments". The CODM evaluates the Company's performance and allocates resources based on the dominant source, nature of product and nature of risks and returns. The Company's primary business segment is manufacturing of driveshafts accordingly there is only one reportable business segment which is consistent with the internal reporting to the chief operating decision maker ("CODM").

2.20 Dividends paid

Dividend to shareholders is recognised as a liability and deducted from equity, in the year in which the dividends are approved by the shareholders. However, interim dividends declared by the Board of directors, which does not need shareholders' approval, are recognised as a liability and deducted from retained earnings, in the year in which the dividends are so declared.

2.21 Use of estimates and judgments

The preparation of these financial statements in conformity with the recognition and measurement principles of applicable Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the period presented.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised, and future periods are affected.

Key source of estimation of uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect the following:

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2025

- Useful lives and Impairment of Property, Plant and Equipment and Intangible Assets – (Also refer Note 2.04, 2.05 and 2.06)

The estimated useful lives, residual value, depreciation/ amortisation method and impairment are reviewed periodically, with the effect of any changes in estimate accounted for on a prospective basis. This reassessment may result in change in depreciation/ amortisation and impairment expense in future periods.

- Contingent liabilities and provisions for contingencies – (Also refer Notes 2.18, 13 and 32)

The contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that arises from past events but is not recognised because:

- it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
- the amount of the obligation cannot be measured with sufficient reliability.

The Company evaluates the obligation through Probable, Possible or Remote model ('PPR'). In making the evaluation for PPR, the Company takes into consideration the industry perspective, legal and technical view, availability of documentation/agreements, interpretation of the matter, independent opinion from professionals (specific matters) etc. which can vary based on subsequent events. The Company provides the liability in the books for probable cases, while possible cases are shown as contingent liability. The remote cases are not disclosed in the financial statements.

- Inventory provisioning (Also refer Note 2.07)

The calculation of inventory provisions requires judgement by management of the expected value of future sales. Further if the carrying value of inventory is higher than the expected recoverable value, the Company makes provisions writing inventory down to its net recoverable value. The inventory is initially assessed for impairment by comparing inventory levels to recent utilization rates and carrying values to historical selling prices. A detailed review is completed for inventory lines identified in the initial assessment considering sales activity, order flow, customer contracts and current selling price.

- Provision for income taxes and deferred taxes – (Also refer Note 2.16)

Significant judgements are involved in determining the provision for income taxes including judgement on whether tax positions are probable of being sustained in tax assessments.

A tax assessment can involve interpretation issues, which can only be resolved over extended time periods. The Company reviews the carrying amount of deferred tax assets at the end of each reporting period.

- Provision for employee benefits – (Also refer Note 2.13)

Provision for employee benefits requires that certain assumptions such as expected future salary increases, average life expectancy and discount rates etc. are made in order to determine the amount to be recorded for retirement benefit obligations. Substantial changes in the assumed development of any of these variables may significantly change the Company's retirement benefit obligations.

2.22 Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under the Companies (Indian Accounting Standards) Rules, as issued from time to time.

The Ministry of Corporate Affairs ('MCA'), vide notification no. G.S.R. 492(E) dated August 12, 2024, issued the Companies (Indian Accounting Standards) Amendment Rules, 2024, introducing a new accounting standard, Ind AS 117 relating to the accounting of Insurance Contracts and MCA through notification no. G.S.R. 554(E) dated September 9, 2024, issued the Companies (Indian Accounting Standards) Second Amendment Rules, 2024, amending Ind AS 116 relating to the accounting for sale and leaseback transactions with variable lease

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2025

payments. Both these amendments were applicable for annual periods beginning on or after April 1, 2024. The Company has reviewed both these amendments and based on its evaluation has determined that it does not have any material impact in its financial statements.

New standard(s) issued or amendments to existing standards issued but not yet effective:

MCA has notified amendment to Ind AS 21, The Effects of Changes in Foreign Exchange Rates, vide the Companies (Indian Accounting Standards) Amendment Rules, 2025 through Notification No. G.S.R. 291(E) dated May 7, 2025. The amendment provides comprehensive guidance on assessing the exchangeability of currencies, determining spot exchange rates when currencies are not exchangeable and enhancing related disclosures. The amendment is effective for annual reporting periods beginning on or after April 1, 2025. The Company has reviewed this amendment and based on its evaluation has determined that it will not have any material impact in its financial statements.

The Ministry of Corporate Affairs ('MCA'), vide notification no. G.S.R. 549(E) dated August 13, 2025, issued the Companies (Indian Accounting Standards) Second Amendment Rules, 2025, introducing a new accounting standard, Ind AS 101, in Appendix 1 relating to the Amendments to requirements for classification of liability, Ind AS 107 relating to new disclosures for supplier finance arrangements and Ind AS 12 relating to Exception for Pillar Two income taxes. all these amendments were applicable for annual periods beginning on or after April 1, 2025. The Company has reviewed all these amendments and based on its evaluation has determined that it will not have any material impact in its financial statements.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025**27. Employee benefit plans****(i) Defined contribution plans**

The Company operates defined contribution retirement benefit plans for all its qualifying employees. Where employees leave the plans prior to full vesting of the contributions, the contributions payable by the Company are reduced by the amount of forfeited contributions.

The Company has recognised the following amounts in the Statement of Profit and Loss:

	(Rs. in million)	
	Year ended 31.03.2025	Year ended 31.03.2024
Contribution to Regional Provident Fund	21.11	17.81
Contribution to Superannuation Fund	13.47	13.81
Contribution to Employee's Pension Scheme 1995	12.95	12.88

Superannuation Fund

"Invel Transmission Limited Superannuation Fund Trust ("The Trust") was incorporated to provide superannuation amount to the eligible employees of the Company on their retirement or resignation from the Company. The Trust has taken Employees Group Superannuation Scheme policy from Life Insurance Corporation of India (LIC).

The quarterly contributions equivalent to 15% of the Basic Salary of eligible employees are paid to LIC which manages the fund.

(ii) Defined benefit plans**A Provident Fund**

Provident fund for certain eligible employees is managed by the Company through the Employees Provident Fund Trust in line with the Provident Fund and Miscellaneous Provision Act 1952. The plan guarantees interest at the rate notified by the Provident Fund Authorities. The contribution by the employer and employee together with the interest accumulated hereon are payable to employees at the time of their separation from the company or retirement, whichever is earlier. The benefits vest immediately on rendering of the services by the employee. The Company has an obligation to make good the shortfall, if any, between the return from the investments of the Trust and the notified interest rate. The Company's obligation in this regard is actuarially determined and provided for if the circumstances indicate that the Trust may not be able to generate adequate returns to cover the interest rates notified by the Government.

The company has obtained an actuarial valuation of provident fund liability as at the Balance Sheet date and accordingly the company has recognised a provision of Rs. 1.75 (Previous year:Rs Nil) towards provident fund liability.

B Gratuity plan

The Company operates gratuity plan administered through Gratuity Trust which further invests in Life Insurance Corporation of India (LIC) under its group gratuity scheme. Every employee is entitled to a benefit equivalent to fifteen days salary last drawn for each completed year of service in line with the Payment of Gratuity Act, 1972. The same is payable at the time of separation from the Company or retirement, whichever is earlier. The benefits vest after five years of continuous service. The Company pays contribution to LIC to fund its plan.

The present value of the Gratuity and related current service cost are measured using the Projected Unit Credit method. The valuation of gratuity liability and corresponding gratuity fund are carried out by qualified Actuary using actuarial valuations techniques as at balance sheet date.

These plans typically expose the Company to actuarial risks such as: interest rate risk, longevity risk, salary risk and investment risk.

Interest risk The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.

Longevity risk The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025

Salary risk The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Investment Risk This may arise from volatility in asset values due to market fluctuations and impairment of assets due to credit losses. LIC of India primarily invests in debt instruments such as Government securities and highly rated corporate bonds wherein the risk of downward fluctuation in value is minimal.

a) **The principal assumptions used in determining obligations for the Company's plan are shown below:**

Particulars	As at 31.03.2025	As at 31.03.2024
Discount Rate(s)	6.69%	7.23%
Expected return on Plan Assets	6.69%	7.23%

Actuarial gain/(loss)	11.65	-	0.13	-
Settlements/Transfer In	-	61.51	-	4.36
Benefits paid	(79.00)	(160.13)	(30.44)	(48.59)
Fair Value of plan asset at the end	447.49	1,033.89	480.86	976.32

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025

The Company expects to make a contribution to gratuity fund of Rs. 32.77 million (Previous Year: Rs. 28.87 million) & to provident fund of Rs. 34.10 million (Previous Year: Rs. 35.21 million) to the defined benefit plans during the next financial year.

Sensitivity Analysis

Significant actuarial assumptions for the determination of defined obligation are discount rate, expected salary growth rate, attrition rate and mortality rate. The sensitivity analysis below have been determined based on reasonably possible changes in respective assumption occurring at the end of reporting period, while holding all other assumptions constant.

A quantitative sensitivity analysis for significant actuarial assumptions is given as:

(Rs. in million)		
Gratuity plan	As at 31.03.2025	As at 31.03.2024
Impact of the change in discount rate on liability- increase/(decrease)		
Present value of obligation at the end of the year	481.55	481.50
- Impact due to increase of 0.50 %	(13.59)	(12.60)
- Impact due to decrease of 0.50 %	14.40	13.33
Impact of the change in salary on liability- increase/(decrease)	-	-
Present value of obligation at the end of the year	481.55	481.50
- Impact due to increase of 0.50 %	14.16	13.17
- Impact due to decrease of 0.50 %	13.49	12.56

(Rs. in million)		
Provident Fund	As at 31.03.2025	As at 31.03.2024
Impact of the change in discount rate on liability- increase/(decrease)		
Present value of obligation at the end of the year	1,035.65	971.22
- Impact due to increase of 0.50 %	(0.12)	(0.09)
- Impact due to decrease of 0.50 %	0.12	0.09

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the changes in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

In presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Fair value hierarchy

Level 1: Quoted prices in the active market. This level of hierarchy includes financial assets that are measured by reference to quoted prices in the active market. This category consists of quoted equity shares and debt based open ended mutual funds.

Level 2: Valuation techniques with observable inputs. This level of hierarchy includes items measured using inputs other than quoted prices included within Level 1 that are observable for such items, either directly or indirectly. This level of hierarchy consists of debt based close ended mutual fund investments and over the counter (OTC) derivative contracts.

Level 3: Valuation techniques with unobservable inputs. This level of hierarchy includes items measured using inputs that are not based on observable market data (unobservable inputs). Fair value determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instruments nor based on available market data. The main item in this category are unquoted equity instruments.

29.2 Financial risk management objective and policies

The Company's activities expose it to market risk, liquidity risk and credit risk. In order to minimise any adverse effects on the financial performance of the Company, derivative financial instruments, such as foreign exchange forward contracts are entered to hedge certain foreign currency risk exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact of hedge accounting in the financial statements.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at amortised cost	Aging analysis/ Credit rating	Diversification of bank deposits, credit limits and letter of credit
Liquidity risk	Business commitment and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities
Market risk - foreign exchange	Commercial transactions recognised financial assets and liabilities not denominated in Indian rupee	Cash flow forecasting Sensitivity analysis	Forward foreign exchange contracts

The financial risk management of the Company is carried out under the policies approved by the Board of Directors. Within these policies, the Board provides written principles for overall risk management including policies covering specific areas, such as foreign exchange risk management, commodity risk management and investment of funds.

(i) Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company's exposure to credit risk primarily arises from trade receivables, balances with banks and security deposits. The credit risk on bank balances is limited because the counterparties are banks with good credit ratings. Trade receivables mainly consist of Original Equipment Manufacturers as customers. Ongoing credit evaluation is performed on the financial condition of accounts receivable. The Company's policies on assessing expected credit losses is detailed in note 2.11 to the financial statements.

(ii) Liquidity risk

Liquidity risk refers to the risk that the Company can not meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and to ensure funds are available for use as per the requirements. The Company operates with a low Debt Equity ratio. The Company raises short term rupee borrowings for cash flow mismatches and hence carries no significant liquidity risk. The Company has access to the borrowing facilities to honour any liquidity requirements arising for business needs. The Company has large investments in debt mutual funds which can be redeemed on a very short notice and hence carries negligible liquidity risk.

(a) Financing arrangements

Undrawn borrowing facilities at the end of the reporting period - Rs 1,350 Million (March 31, 2023- Rs 1,350 Million)

(b) Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities:

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

Contractual maturities of financial liabilities

	<u>As at 31.03.2025</u>				(Rs. in million)
Particulars	<1 year	1-3 Years	3-5 Years	> 5 Years	Total
<u>Non current</u>					
- Other financial liabilities	321.70	9.89	-	-	331.59
- Lease liabilities	18.10	37.24	-	-	55.34
- Trade payables	1,844.66	-	-	-	1,844.66
Total	2,184.46	47.13	-	-	2,231.59

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025

	As at 31.03.2024				(Rs. in million)

Non current					
- Other financial liabilities	924.99	10.33	-	-	935.32
- Lease liabilities	17.24	37.12	18.23	-	72.59
- Trade payables	1,802.99	-	-	-	1,802.99
Total	2,745.22	47.45	18.23	-	2,810.90

(iii) Market risk

Market risk is the risk that the fair value of financial instruments will fluctuate because of change in market price. Market risk comprises of three types of risks - interest risk, foreign currency, and other price risk, such as equity price risk.

The Company's activities expose it primarily to currency risk and other price risk such as equity price risk. The financial instruments affected by market risk includes other current financial liabilities.

(iii) a) Foreign currency risk

The Company has exposure to foreign currency risk on account of its payables and receivables in foreign currency which are mitigated through the guidelines under the foreign currency risk management policy approved by the Board of Directors. The Company enters into derivative financial instruments to mitigate the foreign currency risk including forward foreign exchange and options contracts for foreign currency risk mitigation.

Foreign currency risk exposure

Sensitivity

If INR is depreciated or appreciated by 5% vis-s-a-vis foreign currency, the impact thereof on the profit and loss of the company are given below:

Currency Exposure	Change in currency exchange rate	(Rs. in million)	
		As at 31.03.2025	As at 31.03.2024
USD	+5%	(9.16)	(14.13)
	-5%	9.16	14.13
EUR	+5%	(27.09)	(25.30)
	-5%	27.09	25.30
JPY	+5%	(2.10)	(0.04)
	-5%	2.10	0.04
GBP	+5%	(0.03)	(2.19)
	-5%	0.03	2.19

(iii. b) Interest rate risk

The Company is exposed to interest rate risk on fixed deposits outstanding as at the year end. These exposures are reviewed by appropriate levels of management on a monthly basis. The Company invests in fixed deposits to achieve the Company's goal of maintaining liquidity, carrying manageable risk and achieving satisfactory returns.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025
29.3 Capital Management

The Company manages its capital to ensure that it will be able to continue as going concern, support business stability and growth, while maximising the return to stakeholders. The Company funds its operations majorly through internal accruals. To ride over short term working capital needs, the Company occasionally avails temporary credit facilities.

As at the year end, the cash and cash equivalents were higher than the short term debts availed by the Company. The capital structure of the Company consists of no debt. The Company is not subject to any externally imposed capital requirements.

The following table provides detail of the debt and equity at the end of the reporting period :

	(Rs. in million)	
	As at 31.03.2025	As at 31.03.2024
Borrowings	-	-
Cash and cash equivalents	656.78	1,105.41
Net debt	-	-
Total equity	3,326.24	3,005.55
Net debt to equity ratio	N.A

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025

- v) On March 01, 2023, Directorate of Revenue Intelligence (DRI) carried out search proceedings at the premises of the Company, factory at Faridabad and informed about misclassification of certain imported goods in the import bill of entry documents and its supporting documents.

The Company did not agree with the classification proposed by DRI. To further advance this matter and demonstrate commitment to resolve any potential dispute, the Company has deposited Rs. 43 million towards differential duty of Customs under protest relating to period March, 2018 to February, 2023 subject to final assessment.

During the year ended March 31, 2024, Show Cause Notice (SCN) was received from the Custom Department. Proceedings in respect of above matter is in progress before Commissioner of Customs, New Delhi for adjudication. The Management is confident that ultimately no liability will devolve on the Company and it will be able to get the refund of Rs. 43 million referred above (included in Balance with government authorities refer note 8(a) to the financial statements).

33. Capital and other commitments: (Rs. in million)

Particulars	As at 31.03.2025	As at 31.03.2024
(a) Estimated value of contracts in capital account remaining to be executed (net of advances)	47.27	245.02
(b) The Company has other commitments, for purchase/sales orders which are issued after considering requirements per operating cycle for purchase/sale of goods and services, employee benefits including union agreements in normal course of business. The Company does not have any other long term commitments or material non-cancellable contractual commitments/contracts, which might have material impact on the financial statements.		

34. Lease liabilities :

The Company's leases primarily consists of leases for land and buildings for industrial use. Under these agreements, refundable security deposits have been given. The lease agreement provides for renewable option.

(i) Following are the changes in the carrying value of right of use assets for the year ended March 31, 2025: (Rs. in million)

Particulars	Category of ROU Assets		
	Land	Building	Total
Balance as of April 01, 2023	24.93	54.31	79.24
Depreciation / amortization	(0.30)	(11.24)	(11.54)
Balance as of April 01, 2024	24.63	43.07	67.70

Reason for shortfall	NA	NA
Nature of CSR Activities	i) Solar panels/solar street lights at schools / villages. ii) Construction of classrooms, toilets and building refurbishment at govt schools and Anganbadi iii) Deployment of Apprentice trainees under NAPS for upskilling and employability of youth iv) STEM education support initiatives. Setting of STEM labs.	i) Solar panels/solar street lights at schools / villages. ii) Construction of classrooms, toilets and building refurbishment at govt schools and Anganbadi iii) Installation of water cooler and civil construction iv) Medical infrastructure improvement at Primary health Care centre through medical equipments

c) Above expenses does not include contribution to any related party of the company.

d) The Company does not carry any provisions for corporate social responsibility expenses for current year and previous year.

37. The Company has established a comprehensive system of maintenance of information and documents as required by the transfer pricing legislation under sections 92-92F of the Income Tax Act, 1961. Since the law requires existence of such information and documentation to be contemporaneous in nature, the Company is in the process of updating the documentation for the international transactions entered into with associated enterprises during the financial year and expects such records to be in existence latest by the due date of filing of Form 3CEB, as required under law. The management is of the opinion that its international transactions are at arm's length so that the aforesaid legislation will not have any impact on the financial statements, particularly on the amount of tax expense and that of provision for taxation.

38. Segment Information

The Company is primarily engaged in the business of manufacturing and sale of driveshafts to original equipment manufacturers in the automobile industry. As the Company's business activities fall within a single primary business segment viz. auto components for automobile industry, the disclosure requirement of Indian Accounting Standard (Ind AS-108), Operating Segments is not applicable.

The analysis of geographical segment is based on the geographical location of the customers. The following table shows the distribution of the Company's sales by geographical market, regardless of where the goods were produced.

a) Revenue to External Customers

Particulars	(Rs. in million)	
	year ended 31.03.2025	year ended 31.03.2024
Within India	10,326.02	9,937.23
Outside India	534.70	547.82
Total	10,860.72	10,485.05

b) Non Current Assets

Particulars	(Rs. in million)	
	As at 31.03.2025	As at 31.03.2024
Within India	3,004.10	2,959.49
Outside India	-	-
Total	3,004.10	2,959.49

Information about major customers:

There are two customers which individually contribute more than 10% of the total revenue in current year as well as previous year. The aggregate amount of revenue from such customers account for 67.1% of total revenue. (Previous year 68.3%)

39. Ratios

Sr No.	Particulars	Numerator	Denominator	Year ended March 31, 2025	Year ended March 31, 2024	Change	Reason for change
(a)	Current ratio (number of times)	Current Assets	Current Liabilities	1.17	1.05	11.21%	Not applicable
(b)	Return on equity (number of times)	Net Profit After Taxes	Average Shareholder's Equity	0.31	0.29	6.89%	Not applicable

(g)	Net profit margin (%)	Net Profit	Revenue from Operations	8.90%	8.16%	9.03%	Not applicable
(h)	Return on capital employed (number of times)	Earning before interest and taxes	Capital Employed	0.40	0.39	2.56%	Not applicable
(i)	Return on investments (number of times)	Income generated from investments at FVTPL	Average Shareholder's Equity	NA	NA	NA	Refer note (a)
(j)	Debt Equity Ratio (number of times)	Debt	Equity	NA	NA	NA	Refer note (a)
(k)	Debt Service Coverage Ratio (number of times)	Earnings available for Debt Service	Debt Service	NA	NA	NA	Refer note (a)

Notes:

- (a) The Company do not have borrowings as at balance sheet date. Hence Debt Equity ratio and Debt Service Coverage Ratio are not applicable.

- (b) Equity = Equity share capital + Other equity
- (c) Working capital = Current assets - Current liabilities
- (d) Earning before Interest and Taxes= Profit before tax + Finance Costs
- 40.** (i) The Company does not have any Benami property, where any proceeding has been initiated or pending against the Company for holding any Benami property.
- (ii) The Company does not have any charges or satisfaction which is yet to be registered with ROC beyond the statutory period.
- (iii) The Company has not traded or invested in Crypto currency or Virtual Currency during the financial year.
- (iv) The Company has not advanced or loaned or invested funds to any other person(s) or entity(is), including foreign entities (Intermediaries) with the understanding that the Intermediary shall: (a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (Ultimate Beneficiaries) or (b) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- (v) The Company has not received any fund from any person(s) or entity(is), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall: (a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or (b) provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (vi) The Company does not have any transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961.
- (vii) The Company is not declared as willful defaulter by any bank or financial institution (as defined under the Companies Act, 2013) or consortium thereof or other lender in accordance with the guidelines on willful defaulters issued by the Reserve Bank of India.
- (viii) The Company has complied with the number of layers for its holding in downstream companies prescribed under clause (87) of section 2 of the Companies Act, 2013 read with the Companies (Restriction on number of Layers) Rules, 2017.
- (ix) The title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date. In respect of immovable properties of land and building that have been taken on lease and disclosed as right-of-use in the financial statements, the lease agreements are in the name of the Company.
- (x) The Company has not revalued its Property, Plant and Equipment (including Right-of-Use Asset) since the Company has adopted cost model as its accounting policy to an entire class of Property, Plant and Equipment in accordance with Ind AS 16.
- (xi) The Company does not have any material transactions with companies which were struck off under section 248 of the Companies Act, 2013
- (xii) As per the MCA notification dated 05 August 2022, the Central Government has notified the Companies (Accounts) Fourth Amendment Rules, 2022. As per the amended rules, the Companies are required to maintain back-up on daily basis of such books of account and other relevant books and papers maintained in electronic mode that should be accessible in India at all the time. Also, the Companies are required to create backup of accounts on servers physically located in India on a daily basis. The books of account along with other relevant records and papers of the Company are maintained in electronic mode on servers physically located out of India. These books of account are readily accessible in India at all times and the backup of such books of account is maintained in India.
- (xiii) The Company does not have any long term contracts including derivative contracts for which there will be any material foreseeable losses.
- 41.** Ministry of Corporate Affairs (MCA) vide its notification number G.S.R. 206(E) dated March 24, 2021 (amended from time to time) in reference to the proviso to Rule 3 (1) of the Companies (Accounts) Amendment Rules, 2021, introduced the requirement of only using such accounting software w.e.f. April 01, 2023 which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of account

along with the date when such changes were made and ensuring that the audit trail cannot be disabled. The Institute of Chartered Accounts of India ("ICAI") issued an "Implementation guide on reporting on audit trail under rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (Revised 2024 edition)" in February 2024 relating to feature of recording audit trail.

The Company uses QAD as its primary accounting software for recording all the accounting transactions and maintaining its books of account for the year ended March 31, 2025. QAD MFGPro 2010SE does not have a feature of recording audit trail (edit log) facility.

In respect of maintaining payroll records, the Company uses an accounting software operated by a third party software service provider, the presence of audit trail feature is pending confirmation from such third party for full year.

The Management has adequate internal controls over financial reporting which were operating effectively for the year ended March 31, 2025. The Management is in the process of evaluating the options to ensure compliance with the requirements of proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 referred above in respect of audit trail (edit log).

42. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
