18th ANNUAL REPORT
FINANCIAL YEAR 2025-26

CONTENTS

1.	Directors' Report	01
2.	Annexures to Directors' Report	20
3.	Independent Auditor's Report	37
4.	Balance Sheet	46
5.	Statement of Profit and Loss	47
6.	Cash Flow Statement	49
7.	Notes to Financial Statement	51

BOARD OF DIRECTORS (As on 06th May, 2026)

Name	Designation
Mr. Alok Kumar (DIN No:06517942)	Chairman & Independent Director
Mr. Arvind Singh (DIN No:02780573)	Independent Director
Mr. Deepak Lad (DIN No:01970020)	Independent Director
Mr. Rajiv Ranjan Mishra (DIN No:06480792)	Independent Director
Mr. Ian Gerard Desouza (DIN No:10721685)	Non-Executive Director
Dr. Harish Ahuja (DIN No:07606661)	Non-Executive Director
Mr. Atul Roongta (DIN No:07878061)	Non-Executive Director
Mr. Avinash Mohan (DIN No:10216884)	Non-Executive Director
Mr. Vivek Singla (DIN No:03548350)	Managing Director & CEO

LEADERSHIP TEAM

Name	Designation
Mr. Vivek Singla	Managing Director & Chief Executive Officer (CEO)
Mr. Shekhar Rao	Chief Financial Officer (CFO)
Mr. Mukti Prakash Marchino	VP – Membership, Clearing & Settlement
Mr. Anil V. Kale	VP – Strategy & Regulatory
Mr. Sujayendra Guttal	Chief Technology Officer (CTO)
Mr. Krishan Kumar Yadav	Asst. VP – HR & Administration
Mr. Sunil Hingwani	Company Secretary

STATUTORY AUDITORS**M/s K S Aiyar & Co.**

Chartered Accountants, F7, Laxmi Mills, Shakti Mills Lane (off Dr E Moses Rd),
Mahalaxmi, Mumbai-400011

SECRETARIAL AUDITORS**M/s N L Bhatia & Associates.**

Practicing Company Secretaries, 507, Skyline Wealth Space, 05th Floor, C2 Wing, Skyline Oasis Complex,
Premier Road, Near Vidyavihar Station, Ghatkopar (W), Mumbai – 400086.

DIRECTORS' REPORT

To

The Members,

Your directors have pleasure in presenting the Eighteenth Annual Report and Audited Financial Statements of the Company for the year ended 31st March 2026.

1. BRIEF DESCRIPTION OF THE COMPANY'S WORKING DURING THE YEAR/STATE OF AFFAIRS

1.1 Background & Macro environment

Power sector in India is one of the most diversified when compared to other economies of the world. Sources for power generation range from commercial sources such as coal, lignite, natural gas, oil, hydro and nuclear power to non-conventional sources such as wind, solar, small hydro, bagasse and co-generation. The demand for electricity in the country has been growing at a rapid pace and is expected to grow further in the years to come.

During the year nearly 57,528 MW of generation capacity was added into the system, resulting in installed capacity rising from 475,212 MW in FY 2024-25 to 532,740 MW of which fossil comprising of coal, gas, liquid fuel constitutes 47% (249,272 MW), Hydro including pumped storage plants constitutes 10% (51,415 MW), Nuclear at 2% (8,780 MW) and Renewables comprising of Wind, Solar, Biomass, Small Hydro and Waste to Energy constitutes 42% (223,273 MW). The energy generation, including generation from renewable sources, during FY 2025-26 was 1,845.92 BU which increased marginally by 0.89% from 1829.70 BU in FY 24-25. The generation from renewable sources including supply from small hydro plants increased by 21.1% from 255.01 BU in FY 24-25 to 308.81 BU in FY 25-26.

On the Renewable front, nearly 50,905 MW capacity was added in FY 25-26, with increase in Solar based capacity contributing nearly 87.6% of new capacity addition from 105,646 MW in FY 24-25 to 150,261 MW in FY 25-26, followed by nearly 11.9% contribution in new capacity addition in Wind power from 50,038 MW in FY 24-25 to 56,095 MW in FY 25-26 and the remaining from other types of resources, e.g., Cogeneration, Small Hydro and Municipal Waste from 16,684 MW in FY 24-25 to 16,918 MW in FY 25-26. The installed capacity in renewable space has now reached 223 GW excluding Hydro and 275 GW including Hydro of 51 GW by end of the year, the total capacity from non-fossil resources has reached 283 GW including 8.78 GW from Nuclear. This large capacity addition in the renewable space will contribute towards maintaining 24 x 7 power supply to all, achieve 'Panchamrit' target of 500 GW installed capacity from RE till 2030 and help achieve net-zero target by 2070.

1.2 Market scenario

In India, market participants enter into long term, medium term and short-term contracts to trade in power to meet their power requirement. Long term agreements are generally for a period of more than 5 years and up to 25 years when power is contracted from coal and lignite based generating plants, up to 15 years in case of gas-based plants, and up to 35 years in case of hydro-based plants. Medium term agreements are for a period of more than 1 year and up to 5 years in duration, and short-term agreements are for any duration up to 1 year.

The short- term power market helps Discom to meet unplanned and fluctuating power requirements of its consumers, and on the seller's side it enables power producers to trade untied power that could not be sold under long term and/or medium-term agreement. Similarly, Discoms also sell surplus power during time block when demand is lesser than supply being scheduled from existing power purchase agreements.

In addition to Exchange based transactions, the short-term power market is composed of bilateral transactions between traders & utilities and the Deviation Settlement Mechanism ('DSM'). With the resolution of regulatory jurisdiction of delivery based long duration contracts the power exchanges are permitted to introduce Term Ahead Market ('TAM') contracts where delivery duration is from 'T+2' up to 'T+90' days / up to '12 Weeks ahead' / up to '3 months' for transacting in conventional power, high price power, Wind, Solar, Hydro and other types of Renewable energy.

1.2.1 Power Exchanges:

Socio-political events like State elections in prominent states in Northern, Eastern and Southern region of the country led to States tie-up power to meet short term requirements. Few policy and regulatory events that effected transaction in power exchange space:

- The different TAM Contracts, e.g., Daily, Weekly, Monthly and Any Day Single Sided, introduced after receipt of CERC Order dated 07.06.2022, has been widely accepted by Discoms. These Contracts act as a vital tool to meet their growing power requirements atleast three months ahead
- The RTM volume increased from 39 BU in FY 24-25 to 54.57 BU in FY 25-26, in RTM market participants can transact electricity a hour prior to delivery, it enables them to handle demand-supply fluctuations near to delivery. DAM remains the largest market segment with modest growth by 61,288 BU to 62,843 BU, followed by growth in G-DAM from 8,321 MU in FY 24-25 to 10,255 MU in FY 25-26, followed by growth in HP-DAM from 3.34 MU in FY 24-25 to 82 MU in FY 25-26. The volume in bilateral segment comprising of contingency and term ahead market increased from 35,134 MU in FY 24-25 to 39,309 MU in FY 25-26.

Further, the Ministry of Coal, Government of India, has earlier amended the Shakti Policy in November-2023 to allow generators including IPPs without PPA to sell power in all segments of power exchanges, i.e. in DAM, RTM and TAM, this has resulted in increasing liquidity for transacting in different Contracts at power exchange platform. Such policy and regulatory measures improve sell-side liquidity on the exchange, resulting in softening of power prices. Lower clearing price enables DISCOMs, commercial and industrial consumers to optimize their power procurement costs.

During the year, majority of day ahead and bilateral transactions on PXs did not face any congestion in transmission corridor for interregional flow of power. Investments made towards development of adequate transmission infrastructure in past few years has led to days of near negligible congestion in inter regional transmission corridor.

Few Policy and Regulatory developments related to power exchange markets are as under:

a. Suo-motu Order 8/SM/2025 dated 23.07.2025

CERC vide Order in 8/SM/2025 dated 23.07.2025 directed that:

- Coupling in DAM should be implemented from January 2026
- The power exchanges are designated as Market Coupling Operator 'MCO' on round-robin basis, with GRID-India functioning as back-up and fourth MCO
- Coupling of RTM will be done after gaining operational experience in DAM
- Shadow pilot of RTM and SCED to continue
- Shadow pilot of coupling in TAM

This Order was challenged at the Appellate Tribunal for Electricity (APTEL) by IEX limited, vide Judgement in Appeal no 298 of 2025 date 13.02.2026, the Hon'ble APTEL dismissed the appeal challenging directions to implement coupling in DAM directing as under:

- CERC's Order is an administrative Order that initiated preparatory steps, for drafting Regulations on implementation of Market Coupling,

- Once CERC notified final Regulations, the same may be challenged at appropriate legal forum

Later, PXIL has vide letter dated 26.02.2026 requested CERC:

- For early issuance of draft Regulation along with clearly defined roadmap that will help all stakeholders to prepare themselves for smooth implementation
- Identify team members that will facilitate structured engagement, resolution of issues and timely implementation
- Convene joint meeting of power exchanges and GRID-India to allocate responsibility to each entity along with defined target dates of deliverables

Further, directions and/or draft Regulations are yet to be issued by CERC.

b. Suo-motu Order 6/SM/2024 dated 13.08.2024

CERC vide Order dated 13.08.2024 prescribed power exchanges to align their clearing and settlement systems to the provisions of the Payment and Settlement Systems Act 2007 ('PSS Act 2007'), within a period of six months w.e.f 15.08.2024.

PXIL submitted a representation to CERC and RBI seeking exemption from applicability of provisions of PSS Act 2007 to clearing and settlement systems. PXIL is awaiting further directions in the matter.

Later, PXIL informed CERC that since RBI has not yet, prescribed any procedure / guidelines applicable to power exchanges it humbly requests CERC to kindly advise for any further action in this matter.

c. Introduction of Derivatives in Electricity by NSE and MCX

India took its first formal step in 2006, when electricity was notified as a tradable commodity under the Securities Contracts (Regulation) Act (SCRA) by Government of India. But regulatory jurisdiction quickly became contested. While the Central Electricity Regulatory Commission (CERC) claimed all electricity contracts should be under its control, the Securities and Exchange Board of India (SEBI) argued that financial instruments belonged within the securities market.

A decisive shift came in October 2021, when the Supreme Court of India ruled that:

- CERC will regulate physical delivery contracts, and
- SEBI will regulate electricity derivatives, including futures and options.

This cleared the way for structured derivatives to enter India's power market.

Our promoters National Stock Exchange ('NSE'), in pursuit of 'One Nation, One Grid, One Price' introduced Monthly Electricity Future Contract in their commodity derivative segment from 14.07.2025, prior to its introduction PXIL entered into a Services Agreement with NSE to assist in sharing DAM and RTM clearing price on daily basis enabling NSE to finalize contours of Monthly Electricity Futures Contract.

An electricity future is a financial derivative in which participants commit to buy or sell electricity at a pre-determined price for a future date. The monthly electricity futures are standardised, exchange traded, cash settled contracts that enable participants to lock in power prices for 24 × 7 delivery up to three months ahead.

The core utility of financial derivatives is to hedge against the business risk emanating from frequent price changes. As the electricity derivative market evolves and risk mitigation criteria becomes the corner stone of strategic decision making, all grid connected entities that transact in electricity, e.g. generators, retailers, traders, large commercial and industrial buyers, would hedge their physical position in financial derivatives to safeguard themselves from frequent price changes.

The Monthly Electricity Futures Contract is co-terminus with existing delivery duration of TAM Contracts, i.e. up to 3-month ahead, it is expected that on receipt of approval to increase delivery duration to 11-month ahead, the window for trading in Monthly Electricity Futures Contract will be increased.

The Monthly Electricity Futures Contract operate alongside the physical electricity market, providing a complimentary financial instrument rather than being part of the physical trading or delivery process. The Electricity Futures Contract is designed to enable efficient hedging and risk management in electricity markets.

d. New Contract introduced / to be introduced in 'PRATYAY' platform

i. 11-month Ahead delivery duration Contract

PXIL submitted Petition to CERC on 28.12.2023 seeking approval to increase delivery duration from three months ahead to eleven months ahead in Daily, Weekly, Monthly and Any Day Single Sided Contracts in alignment with Temporary – General Network Access period of 11-month.

The increase in delivery duration, would provide not only a transparent and efficient mechanism for the buyers but also provide platform for sellers to trade up to 11 months effectively. It would also provide transparent data to policy makers, market participants and regulators thereby assisting in overall development of the power market in the country. Further, consumers who wish to enter into Contracts for a term longer than three months will be able to do so seamlessly.

In this petition, approval for increase in delivery duration is sought for transacting in conventional, green and high-price power. During hearing held on 18.03.2024, CERC reserved Order in the matter.

Later, since new Members have joined Commission, a combined hearing with three power exchanges was held on 31.07.2025 informing that new schedule of hearing would commence in the matter. During hearing held on 11.11.2025, CERC directed PXIL and other two exchanges to submit summary of main points within two weeks and one week for subsequent reply by GRID India. PXIL filed written note highlighting key issues on 03.12.2025. During hearing held on 05.02.2026, CERC reserved Order in the matter and directed GRID-India to submit a 'Report on Performance and experience of all three Exchanges on the long-duration Contracts'. GRID-India vide email dated 11.02.2026 sought information on trade data for transactions concluded in different TAM Contracts, i.e. Daily, Weekly, Monthly and Any Day Single Sided Reverse Auction Contract since its introduction vide CERC Order dated 07.06.2022. PXIL vide email dated 13.02.2026 made detailed submission highlighting overwhelming response received from market participants due to integrated service of price discovery, scheduling, clearing and robust risk management framework applicable in TAM Contracts.

Later, GRID-India vide email dated 13.03.2026 submitted report to CERC informing detailed submissions received from three power exchanges.

CERC Order approving increase in delivery duration up to 11-month ahead is awaited

ii. Introduction of Green RTM and HP RTM segments in RTM

PXIL submitted Petition seeking approval to introduce Green RTM and HP RTM segments in existing RTM Contract similar to Green DAM and HP DAM segments in existing DAM. Buyers will be able to purchase green power in G-RTM and uncleared quantity can then be transferred to conventional RTM, post this if any uncleared quantum is available, the buyer can then transfer this uncleared quantum to HP-RTM and purchase high price power. All sell side entities eligible to participate in

HP-DAM or different HP Bilateral Contracts will be eligible to participate in HP-RTM.

PXIL has requested CERC that since directions for shadow coupling of DAM and RTM are provided vide Order 1/SM/2024 dated 06.02.2024, the Green RTM and HP RTM segments should also be included in coupling of RTM.

CERC has concluded hearings and has reserved the matter for issuance of Order.

iii. Introduction of Peak DAM and Peak RTM

PXIL submitted Petition seeking approval to introduce Peak DAM and Peak RTM as additional segment in existing DAM and RTM. In these segments the sell side participants are proposed to be Hydro Pumped Storage System and Battery Energy Storage System. In both the Contracts a carry-over option would be provided to buy side participants, where uncleared bids from G-DAM/G-RTM will be carried forward to DAM/RTM, respectively. The uncleared buy bids from DAM/RTM will be carried forward to Peak DAM / Peak RTM, respectively, then uncleared buy bids from Peak DAM / Peak RTM will then be carried forward to HP-DAM / HP-RTM.

PXIL has requested CERC that since directions for coupling in DAM are provided vide Order 8/SM/2025 dated 23.07.2025, the Peak DAM and Peak RTM segments should also be included in coupling of DAM and RTM.

CERC has concluded hearings and has reserved the matter for issuance of Order.

At PXIL, the transaction volume in bilateral contributed more when compared to volume in collective segment

Particulars	FY 2024-25	FY 2025-26
Integrated Day Ahead Market		
- Conventional (DAM)	56.45	276.55
- Renewable (G-DAM)	0.74	7.43
- High Price (HP-DAM)	0	17.34
Real Time Market	55.49	139.45
AS-DAM	3	0
AS-RTM	1	107
Bilateral (Contingency and Term Ahead Market)		
- Conventional	13,456.45	16,803.24
- Green	293.09	725.15
- High Price	404.24	386.72
Total (MUs)	14,270.46	18,462.88

1.2.2 Deviation Settlement Mechanism (DSM):

The volume transacted under DSM category in previous year was 32.14 BU. In this year, the volume transacted till November-2025 was 24.93 BU when compared to 21.88 BU in FY 24-25 for the same period, on like-to-like basis it has increased by nearly 14%, this could be attributed to market participants meeting their requirements through DSM to overcome the real time demand/supply deficit during the year.

1.2.3 Traders:

The volume transacted under this category in previous year was 62.45 BU. In this year, the volume transacted till November-2025 was 34.61 BU when compared to 47.26 BU in FY 24-25 for the same period, on like-to-like basis it has decreased by nearly 27%, this could be attributed to Discoms finding merit on integrated services offered on power exchange platform, e.g. price discovery, scheduling assistance and

clearing and settlement services, to meet their power purchase requirement by trading in different TAM Contracts offered by power exchanges.

1.3 Policy and Regulatory update

Compliance to prescribed shareholding norms

CERC issued CERC (Power Market) Regulations, 2021 ('PMR 2021') on 15.02.2021, vide Order dated 28.07.2021, the Commission notified its implementation from 15.08.2021. Regulation 15 of PMR 2021 prescribes shareholding structure to be maintained by the Exchange and provided time of one year to comply to the norms.

PXIL submitted Petition no 95/MP/2023 seeking grant of additional time till 31.03.2025 to meet prescribed shareholding norms. CERC vide Order dated 20.11.2023 directed as under:

- a. GMR Energy Limited was permitted to hold shareholding up to 25%
- b. Shareholders NSE Investments Limited (NSEIL'), National Commodity and Derivatives Exchange Limited (NCDEX') and West Bengal State Electricity Distribution Company Limited (WBSEDCL') to align ownership structure till 30.09.2024
- c. PXIL to submit status report till 31.12.2023 in the matter

NCDEX had aligned its shareholding in FY 23-24, later PXIL submitted Petition no 413/MP/2024 on 12.09.2024 seeking grant of additional time to align ownership structure to prescribed norms. After WBSEDCL aligned its shareholding, a supplementary affidavit was submitted to CERC on 25.11.2024 informing the same. During hearing dated 21.01.2025, CERC granted additional time till three months to NSEIL to align its shareholding and imposed penalty of Rs. 1 lakh on PXIL. Later, NSEIL aligned its shareholding and a review petition seeking recall of proceedings was filed with the Hon'ble Commission.

CERC vide order dated 24.10.2025, the Commission acknowledged compliance but dismissed the review petition on penalty as time barred.

1.4 Outlook for FY 2026-27 and beyond

1.4.1 Physical segment

The Power markets in the country have witnessed significant changes over the last 5 to 6 years, since exchange operations were launched in 2008, the introduction of RTM in June 2020, GDAM in September 2020, Hon'ble Supreme Court Judgement providing physical trading to be regulated by CERC and electricity futures under purview of SEBI, introduction of TAM from June 2022 and recent introduction of Monthly Electricity Futures Contract in NSE from July 2025. During the year, few policy and regulatory developments have been initiated towards broadening and deepening of the markets.

i. Implementation of coupling in DAM

CERC Order in Petition no 8/SM/2025 dated 23.07.2025, directed implementation of coupling in DAM from January 2026. The key excerpts of the Order being:

- *Implement coupling in DAM in round-robin mode by Jan-2026. PXs to function as MCO on periodic basis with GRID-India being 4th MCO for backup and audit*
- *RTM Coupling to be considered at later stage after gaining operational experience from coupling of DAM.*
- *RTM-SCED Coupling to be further examined and to be addressed through Regulatory interventions post stakeholder consultation.*
- *Feasibility of Term-Ahead Market (TAM) coupling (including contingency contracts) to be examined by running a shadow pilot.*

This Order was later challenged at Appellate Tribunal for Electricity ('APTEL') by IEX, later vide Judgement

dated 13.02.2026 APTEL dismissed the appeal challenging directions to implement coupling in DAM. PXIL has requested CERC to convene joint meeting of power exchanges and GRID-India to develop procedures, systems and processes for early implementation of coupling. CERC is yet to issue draft Regulation for implementation of coupling as provided in Power Market Regulations, 2021.

ii. **Draft National Electricity Policy 2026**

Ministry of Power, Government of India released the draft National Electricity Policy 2026, aimed at aligning the power sector with Viksit Bharat goals over the next two decades. The policy prioritizes cost-reflective tariff reforms, a phased reduction in cross subsidies and time-of-day peak hour pricing to improve efficiency and strengthen DISCOM finances. It sets ambitious consumption targets for per capita electricity consumption to increase to 2,000 units by 2030 and over 4,000 units by 2047 and calls for stronger generation, transmission and distribution planning. Key strategies span resource adequacy planning, cost-reflective tariffs with ATC loss reduction to single digits, RE expansion with storage, thermal hydro nuclear enhancements, etcetera. For deepening power markets, the policy proposes establishment of suitable policy and regulatory framework for generation capacity addition through market mechanisms such as bilateral contract settlements, Standardized contracts for collective transaction will be executed on power exchanges and electricity from long-term PPAs may be encouraged to be routed through power exchanges or any other platform recognized by the Central Commission.

iii. **Guidelines on Voluntary Power Purchase Agreement**

CERC issued final guidelines for Virtual Power Purchase Agreements ('VPPA') in December 2025. These guidelines recognize power exchanges as authorized platforms for sale of electricity by renewable energy generators under VPPA. Renewable generators entering VPPA with a consumer would be selling the electricity component in different Contracts on power exchanges, i.e. DAM, RTM, Contingency and TAM, the consumer who has entered VPPA with RE generator would remain connected to its Discom and receive RECs from RE generator. The consumer and RE generator would undertake financial settlement for difference between the VPPA price and the market clearing price under revenue neutral mechanism. The RECs transferred to VPPA consumer will enable it to meet ESG compliance requirement.

1.4.2 **Certificate Segment**

i. **Renewable Energy Certificates Market**

Auctions in REC segment are held twice in a month, i.e. 2nd Wednesday and last Wednesday of the month. CERC issued CERC (Terms and Conditions for Renewable Energy Certificates for Renewable Energy Generation) Regulations, 2022 (REC Regulations 2022') on 05.05.2022. Later vide Order dated 31.10.2022 it notified implementation of REC Regulations 2022 from 05.12.2022.

Against the said REC regulations few associations representing Sellers of the Renewable Energy Certificates filed a writ petition in High Court of Delhi pleading to set aside its implementation and allow REC trading as per REC Regulations 2010, the Judgement is awaited in the matter.

The REC market volume increased by nearly 8% from 114.65 lacs in FY 24-25 to 123.68 lacs in FY 25-26, due to increased competition in this segment the market share was 33% for the year.

Particulars	FY 2024-25	FY 2025-26
Market size (no of certificates in lacs)	304.18	378.31
REC volume of PXIL (no of certificates in lacs)	114.65	123.68
Market share of PXIL	38%	33%

The REC Regulations 2022, permits bilateral trading in RECs through trading licensees, this poses competition to power exchanges. Further, CERC vide Order dated 28.02.2025 has directed GRID-India to review the recent trend in REC transactions (both at power exchanges and bilaterally through Traders)

and provide recommendations on increasing the frequency of REC auction sessions at power exchanges in consultation with stakeholders. PXIL has submitted to introduce Reverse Auction Contract, Forward Auction Contract and Continuous matching mechanism in REC segment for benefit of market participants. On approval, market participants can transact in RECs in all days of the month instead of the existing schedule of conduction of two auction sessions in a month, i.e. on 2nd Wednesday and last Wednesday of the month. Further directions in the matter is awaited from CERC.

CERC vide Order 2/SM/2026 dated 18.02.2026 has determined buyout price as an alternate compliance mechanism for fulfilment of Renewable Consumption Obligation (RCO). The Order notified buy-out price applicable for FY 24-25 to FY 29-30.

Financial year	FY 24-25	FY 25-26	FY 26-27	FY 27-28	FY 28-29	FY 29-30
Price (Rs. / MWh)	347	347	364	382	401	421

CERC Order is notified pursuant to MOP's notification dated 27.09.2025, which provided for payment of buyout price as one of the mechanisms for RCO compliance, in addition to renewable energy procurement and/or purchase of REC.

ii. Energy Efficiency Services Market

Bureau of Energy Efficiency vide notification dated 08.06.2024 announced pause in transaction in ESCerts, hence no market was functional during the year.

Further directions on commencement of trading in ESCerts are awaited from BEE.

iii. Carbon Credit Certificates Market

Ministry of Power, Government of India, MOP vide notification dated 28.06.2023 issued the Carbon Credit Trading Scheme ('CCTS'). CCTS provides for development of institutional framework and mechanism for functioning of the Indian Carbon Credit Market.

The scheme provides for setting up of National Steering Committee for Indian Carbon Market, comprising of stakeholders from different Ministries, the BEE is designated as 'Administrator', CERC is designated as 'Regulator', GRID-INDIA shall operate the 'Registry' of Indian Carbon Market and Power exchanges operating under provisions of PMR 2021 are recognized as 'Market platform' for transaction in Carbon Credit Certificates ('CCC').

CERC has vide notification dated 27.02.2026 issued the CERC (Terms and Conditions for Purchase and Sale of Carbon Credit Certificates) Regulations, 2026 creating a framework for exchange of CCC between the obligated and the non-obligated entities on power exchanges or through such other modes in accordance with CCTS.

During the year Ministry of Environment, Forest and Climate Change has notified Greenhouse Emission Intensity ('GEI') targets for seven (7) types of Industrial category units, e.g. Aluminium, Chlor-alkali, Cement, Pulp and paper, Petrochemicals, Petroleum and Textiles. The base line emissions of these seven sectors with base year as FY 2023-24 is 480 million tons equivalent, with targeted reduction to 465.32 million tons equivalent by FY 2026-27, the seven sectors contribute around 16% of India's GHG emissions. The notification of GEI targets provides impetus for commencing trading of CCCs on power exchanges.

PXIL will be submitting petition to CERC seeking approval for introduction of Contracts for transacting in Carbon Credit Certification both in compliance and off-set mechanism.

1.4.3 Implementation of road map provided by consultant M/s Deloitte about future growth of PXIL

During the year, various corporate measures were undertaken based on recommendations made by the strategy consultant. The corporate and business measures implemented are:

i. Adopted new Vision of PXIL

To be the leading and most innovative energy exchange, creating value for stakeholders and fostering seamless trans-regional digital solutions

ii. Adopted new Mission of PXIL

- Drive innovative energy market solutions
- Maintain and enhance secure and advanced digital platform
- Ensure excellence in customer experience
- Strive for aspirational and sustainable growth

iii. Adopted new Values of PXIL

1. Integrity
2. Innovation
3. Market focussed
4. Passion
5. Analytical
6. Collaboration
7. Target driven

With the changing electricity sector landscape and after analyzing the strengths and weaknesses, opportunities and threats, the consultant also suggested a growth matrix for future growth of PXIL

Status of implementation of recommended areas of growth is:

i. Peer-to-Peer Trading

Peer-to-Peer (P2P') power trading is a decentralized system where electricity is traded directly between consumers and producers, by utilizing the existing network established by Discoms. This model allows individuals to buy and sell excess electricity they generate, such as from solar panels, rooftops, etc. with their neighbours or other consumers in a local network.

PXIL is currently analyzing business propositions for synergy between power exchange platform and any P2P service provider.

ii. Capacity market contract

Capacity market contracts are power exchange contracts where generators are paid to have their capacity available, regardless of whether the electricity is consumed and/or traded to another beneficiary, ensuring a reliable electricity supply.

Such markets operate in US, Europe, UK, etc. and provide market-based mechanism for investments in electricity.

The draft National Electricity Policy 2026 provides for deepening the power exchange market by rolling-out long term PPA on power exchange platform. During the year, policy and regulatory measures are envisaged to be taken by authorities for introduction of capacity market contract.

2. SHARE CAPITAL

The Authorized Share Capital of your Company is Rs. 120,00,00,000 (Rs. 120 crores) divided into:

- (a) Equity Share Capital - Rs. 100,00,00,000 (10,00,00,000 Equity Shares of Rs.10/- each)

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED ON 31ST MARCH, 2026

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

Power Exchange India Limited
 Inizio, 101-104, 1st Floor,
 Cardinal Gracious Road, Chakala,
 Andheri East, Mumbai – 400099.

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Power Exchange India Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us with a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the Financial Year ended 31st March 2026 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed, and other records maintained by the Company for the Financial Year ended from 31st March 2026 according to the provisions of:

- (i) The Companies Act, 2013 ("the Act") and the Rules made thereunder;
- (ii) The Central Electricity Regulatory Commission (Power Market) Regulations, 2021 (w.e.f. 15th August, 2021);
- (iii) The Securities Contracts (Regulation) Act, 1956 (SCRA) and the rules made thereunder, **not applicable to the Company during the financial year;**
- (iv) Foreign Exchange Management Act, 1999 ("FEMA") and the rules and regulations made thereunder to the extent of Foreign Direct Investment, overseas Direct Investment and External Commercial Borrowings;
- (v) The Depositories Act, 1996 and the Regulation and Bye-Laws framed thereunder;
- (vi) Other Laws applicable to the Company; as per "**Annexure A**".

We have also examined compliance with the applicable clauses of the following:

- Secretarial Standards issued by The Institute of Company Secretaries of India (ICSI).
- MCA Notification for holding Meetings through VC / OVAM.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that the Board of Directors is duly constituted with an appropriate balance of Executive, Non-Executive, and Independent Directors. However, the term of one Independent Director ended on

15 February 2026. The Company filed a petition with the Central Electricity Regulatory Commission (CERC) for approval of appointments of Independent Directors, and the order was issued on 27 March 2026. The Company in the process of appointing Independent Director.

During the period under review, the Board approved the appointment of Mr. Alok Kumar (DIN: 06517942) and Mr. Arvind Singh (DIN: 02780573) as Additional Independent Directors with effect from 15 April 2025. Further Board at its Meeting held on 20 May 2025 approved the resignation of Mr. Satyajit Ganguly as MD & CEO. Further Board, at its Meeting held on 5 November 2025, approved the appointment of Mr. Vivek Singla (DIN: 03548350) as Additional Director and Managing Director & CEO with effect from 10 November 2025. Additionally, Mr. Pramod Kumar Vaishya on 26th August, 2025 and Mr. Ashok Sethi on 15th February, 2026 retired upon completion of their tenure as Independent Directors.

Adequate notice is given to all directors to schedule the Board Meetings and Board Committee Meetings. Agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes. All the decisions have been taken unanimously in Board Meetings and no dissent recorded in Board and General Meeting.

We further report that; there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable Laws, Rules, Regulations and Guidelines.

We further report that during the audit period the Company has taken the following actions, having a major bearing on the company's affairs in pursuance of the above-mentioned laws, rules, regulations, guidelines, standards, etc.

1. Mr. Vivek Singla has been appointed as Managing Director & CEO of the Company w.e.f 10th November 2025.
2. The Registered office of the Company has been shifted within the local limits of the city from Sumer Plaza, 9th floor, 901, Marol Maroshi Road, Andheri East, Mumbai – 400059 to Inizio, 101-104, 1st Floor, Cardinal Gracious Road, Chakala, Andheri East – Mumbai 400099 with effect from 16th February 2026.
3. The Hon'ble Commission i.e. Central Electricity Regulatory Commission (CERC) by order dated 20.11.2023, extended the timeline to comply with shareholding norms under PMR 2021 till 30.09.2024, after which the Company sought a further two-year extension on 13.09.2024. During the hearing on 21.01.2025, the Commission granted a final extension of three months with a penalty of Rupees One Lakh. The Company submitted compliance on 24.03.2025 and requested waiver of the penalty and also filed a review petition on 04.04.2025 seeking recall of the Record of Proceedings. The matter was heard on 30.04.2025, and vide order dated 24.10.2025, the Commission acknowledged compliance but dismissed the review petition on penalty as time barred.

Annexure 3

Nomination and Remuneration Policy

1. Preamble:

As per Section 178 of the Companies Act, 2013 [read with Rule 6 of the Companies (Meetings of the Board and its Powers) Rules, 2014] Power Exchange India Limited ('PXIL') is required to constitute a "Nomination & Remuneration Committee" ('NRC') consisting of three or more non-executive directors out of which not less than one-half shall be Independent Directors and the Chairperson of the Company (whether executive or non-executive) may be appointed as a member of the Committee but shall not chair such Committee. Accordingly, the Board of Directors of PXIL has passed circular resolution on 17th June, 2014 constituting the NRC in accordance with the above-mentioned provisions of the Act and Rules.

Sub-section (3) of Section 178 of the Act requires the NRC to, inter-alia, recommend to the Board a policy relating to the remuneration for the directors, key managerial personnel and other employees. Accordingly a policy has been drafted in compliance with Section 178 of the Act read along with applicable rules thereto and the same is as follows:

2. Definitions:

1. 'Company' means "Power Exchange India Limited".
2. 'Board' means Board of Directors of the Company.
3. The 'Directors' means Directors on the Board of the Company.
4. 'Nomination and Remuneration Committee' or 'the Committee' shall mean a Committee of Board of Directors of the Company, constituted or reconstituted in accordance with the provisions of Section 178 of the Companies Act, 2013 and the applicable rules made there under.
5. 'Independent Director' means a director referred to in Section 149(6) of the Companies Act, 2013.
6. Key Managerial Personnel ('KMP') means in relation to the Company the persons specified in section 2(51) of the Act.
7. "Policy or This Policy" means, "Nomination and Remuneration Policy."
8. "Remuneration" means any money or its equivalent given or passed to any person for services rendered by him and includes perquisites as defined under the Income-tax Act, 1961.
9. "Senior Management" means personnel of the Company who are members of its core management team excluding Board of Directors. This would typically include members of management one level below the Executive Directors and KMP including the functional heads and those recommended by NRC from time to time.

3. Applicability:

The Policy shall be applicable to the following:

- Directors (Executive, and Non Executive including Independent Directors)
- Key Managerial Personnel
- Senior Management Personnel

The Policy shall be disclosed in the Board's report also.

4. Objectives:

- a) To guide the Board in relation to appointment and removal of Directors, Key Managerial Personnel, and Senior Management Personnel.
- b) To lay down criteria and terms and conditions with regard to identifying persons who are qualified to become Directors (Executive and Non-executive) and persons who may be appointed in Key Managerial positions and Senior Management to determine their remuneration.
- c) To evaluate the performance of the members of the Board and provide necessary report to the Board for further evaluation.
- d) To recommend to the Board on Remuneration payable to the Directors, Key Managerial, and Senior Management Personnel.

Guiding Principles:

The Policy ensures that:

- The level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors, KMP and Senior Management Personnel of the quality required to run the Company successfully;
- Relationship of remuneration to performance is clear and meets appropriate performance benchmarks;
- Remuneration to Directors, Key Managerial and Senior Management Personnel involves a balance between fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals; and
- The process of remuneration management is transparent, conducted in good faith and in accordance with appropriate levels of confidentiality.

5. Interpretation:

Terms that have not been defined in this Policy shall have the same meaning assigned to them in the Companies Act, 2013, Rules made there under as amended from time to time.

6. Effective Date:

This policy shall be effective from 27th March, 2015.

7. Appointment and Remuneration Matters:**a) POLICY FOR APPOINTMENT AND REMOVAL OF DIRECTORS, KMP, AND SENIOR MANAGEMENT PERSONNEL****General:**

Enhancing the competencies of the Board and attracting as well as retaining talented individuals for the role of Directors, and KMP are the basis for the Nomination and Remuneration Committee to select a candidate for appointment to the Board, or a KMP. When recommending a candidate for appointment as Managing Director, Whole Time Director or Executive Director, or KMP, the Nomination and Remuneration Committee shall have regard to:

- assessing the appointee against a range of criteria which includes but not be limited to qualifications, skills, regional and industry experience, background and other qualities required to operate successfully in the position, with due regard for the benefits from diversifying the Board;
- the extent to which the appointee is likely to contribute to the overall effectiveness of the Board, work constructively with the existing directors and enhance the efficiencies of the Company;

- the skills and experience that the appointee brings to the role of KMP;
- In case of Non Executive Directors and Independent Directors, the Committee shall also take into consideration the following:
- that they are willing to devote sufficient time and energy in carrying out their duties and responsibilities effectively;
 - that they have the aptitude to critically evaluate management's working as a member of Board in an environment of collegiality and trust;
 - the nature of existing positions held by them (including directorships or other relationships) and the impact it may have on their ability to exercise independent judgment.

Appointment criteria and qualifications:

- Qualifications:
 - Degree holder in relevant disciplines (e.g. Finance, Accounting, Management, Law, academics having knowledge of power markets etc);
 - Experience of management in a diverse organization;
 - Excellent interpersonal, communication and representational skills;
 - Demonstrable leadership skills;
 - Commitment to high standards of ethics, personal integrity and probity;
 - Demonstrable ability to work effectively with a Board of Directors
 - Extensive team building and management skills
 - Strong influencing and negotiating skills

In order to be appointed as Director of the Company, the person should also satisfy the requirements of regulation 22A and other applicable regulations of the Central Electricity Regulatory Commission (Power Market) Regulations, 2010.

The Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director, and/or KMP, and recommend to the Board his / her appointment.

A person should possess adequate qualification, expertise and experience for the position he / she is considered for appointment. The Committee has discretion to decide whether qualification, expertise and experience possessed by a person is sufficient / satisfactory or not for the concerned position in general and in accordance with the provisions of the Companies Act, 2013 including rules made there-under, the CERC (Power Market) Regulations, 2010, and any other applicable law(s) in particular.

• Term / Tenure:

1. Managing Director/Whole-time Director/Manager (Managerial Personnel), KMP or Senior Management:

Managing Director" under the Companies Act, 2013 means a director who, by virtue of the articles of a company or an agreement with the company or a resolution passed in its general meeting, or by its Board of Directors, is entrusted with substantial powers of management of the affairs of the company and includes a director occupying the position of managing director, by whatever name called

The appointment or reappointment or continuation of employment of any person as Whole Time Director/

Managing Director/Manager of the Company shall be governed by the terms of appointment subject to a condition that the age of such person shall not exceed 70 years. In case of other employees, it shall be governed by the “Staff rules and policy” of the Company.

Provided that the term of the person holding this position may be extended beyond the age of seventy years with the approval of shareholders by passing a special resolution based on the explanatory statement annexed to the notice for such motion indicating the justification for extension of appointment beyond seventy years.

The appointment of Senior Management staff would be done by the MD & CEO as per the staff policy and the same shall be reported to the Committee.

The broad terms and conditions (including tenure, if applicable) of appointment of KMP and/or Senior Management shall be governed by the Recruitment Policy of the Company and in accordance with the relevant provisions of the Companies Act, 2013.

2. Independent Director and Non Executive Director:

An Independent Director shall hold office for a term up to five consecutive years on the Board of the Company and will be eligible for re-appointment on passing of a special resolution by the Company and disclosure of such appointment in the Board’s report.

No Independent Director shall hold office for more than two consecutive terms, but such Independent Director shall be eligible for appointment after expiry of three years of ceasing to become an Independent Director. Provided that an Independent Director shall not, during the said period of three years, be appointed in or be associated with the Company in any other capacity, either directly or indirectly.

The provisions of the Companies Act, 2013 in respect of retirement of directors by rotation shall not be applicable to Independent Directors.

The term of Non-Executive Director shall be governed by the Articles of Association of the Company and as per the applicable provisions of the Companies Act, 2013.

- **Removal:**

Due to reasons for any disqualification mentioned in the Companies Act, 2013, rules made there under or under any other applicable Act(s), rules and regulations, and for any other reasons, the Committee may recommend to the Board, with reasons recorded in writing, removal of a Director or KMP or Senior Management Personnel subject to the provisions and compliance of the said Act, and governing rules and regulations.

In case the post of MD/CEO becomes vacant due to removal/resignation or premature termination of services or for any other reason, the Board will devise a suitable arrangement for looking after the work of MD/CEO until a new incumbent is appointed as MD/CEO.

- **Retirement:**

The Director, KMP and Senior Management Personnel shall retire as per the applicable provisions of the Companies Act, 2013 and the prevailing policy of the Company. The Board will have the discretion to retain the Director and/or, KMP in the same position / remuneration or otherwise even after attaining the retirement age, for the benefit of the Company.

b) POLICY RELATING TO THE REMUNERATION FOR THE MANAGING DIRECTOR, WHOLE-TIME DIRECTOR, NON EXECUTIVE AND INDEPENDENT DIRECTORS, KMP AND SENIOR MANAGEMENT PERSONNEL

i. General:

1. The Nominations & Remuneration Committee shall determine individual remuneration packages for Directors, and KMPs of the Company taking into account factors it deems relevant, including but not limited to market, business performance and practices in comparable companies, having due regard to financial and commercial health of the Company as well as prevailing laws and government/ other guidelines. The Committee may consult the Chairman of the Board as it deems appropriate. Remuneration of the Chairman shall be recommended by the Committee to the Board of the Company.
2. The remuneration / compensation / commission etc. will be determined by the Committee and recommended to the Board for approval. The remuneration / compensation / commission etc. shall be subject to the approval of the shareholders of the Company and in case the Company is not able to comply with the provisions of Schedule V to the Companies Act, 2013, the prior approval of Central Government shall also be obtained.
3. The remuneration/compensation and commission to be paid to the Managing Director and/or Whole-time Director and/or Manager shall be in accordance with the provisions laid down in the Articles of Association of the Company and as per the provisions of the Companies Act, 2013, and the rules made there under.
4. Increments to the existing remuneration / compensation structure may be recommended by the Committee to the Board which should be within the slabs/amounts/percentage approved by the Shareholders in the case of Whole-time Director/MD/Manager. Increments will be generally effective from 1st April.
5. Where any insurance is taken by the Company on behalf of its Whole-time Director, MD, Manager, Chief Executive Officer, Chief Financial Officer, the Company Secretary for indemnifying them against any liability, the premium paid on such insurance shall not be treated as part of the remuneration payable to any such personnel.

Provided that if such person is proved guilty, the premium paid shall be treated as part of the remuneration.

ii. Remuneration to Whole-time Director or Executive Director / Managing Director/Manager (i.e. Managerial Personnel)

1. Fixed pay:

The Managerial Personnel shall be eligible for a monthly remuneration as may be approved by the Board on the recommendation of the Committee. The break-up of the pay scale and type & quantum of perquisites including, employer's contribution to P.F, pension scheme, medical expenses, car entitlement etc. shall be decided and approved by the Board on the recommendation of the Committee and approved by the shareholders and Central Government, wherever required.

2. Variable Pay:

The Committee may in its discretion structure any portion of remuneration to link rewards to corporate and individual performance, fulfilment of specified targets or the attainment of certain financial or other objectives set by the Board. The amount payable is determined by the Committee, based on performance against financial and non-financial metrics.

3. Minimum Remuneration:

If, in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay remuneration to its Managerial Personnel in accordance with the provisions of Schedule V of the Companies Act, 2013 and if it is not able to comply with such provisions, with the previous approval of the Central Government.

4. Provisions for excess remuneration:

If any Managerial Personnel draws or receives, directly or indirectly by way of remuneration any such sums in excess of the limits prescribed under the Companies Act, 2013 or without the prior sanction of the Central Government, where required, he / she shall refund such sums to the Company and until such sum is refunded, hold it in trust for the Company. The Company shall not waive recovery of such sum refundable to it unless permitted by the Central Government.

5. Sitting Fees to Managerial Personnel:

Managerial Personnel shall not be paid any sitting fees for attending meeting(s) of Board of Directors and any other Committee(s) of Board of Directors.

iii. Remuneration to Independent Directors:

The Independent Directors of the company shall be paid remuneration by way of sitting fees only for attending the meetings of the Board of Directors and its Committees. The sitting fees payable to the Independent Directors for attending meetings of Board of Directors or any other Committee(s) of Board of Directors shall not exceed the maximum amounts prescribed under the provisions of the Companies Act, 2013 including rules made there-under. The sitting fee to the Independent Directors shall not be less than the sitting fee payable to other directors.

Beside the sitting fees, they shall also be entitled to reimbursement of expenses for attending such meeting(s).

The Independent Directors of the Company shall not be paid any other remuneration or commission. They shall not be entitled to any stock options but may receive profit related commission as may be approved by the shareholders.

iv. Remuneration to Non-Executive Directors:

The Non-executive Directors (other than Nominee Directors) of the company shall be paid remuneration by way of sitting fees only for attending the meetings of the Board of Directors and its Committees. The sitting fees payable to the Non-executive Directors for attending meetings of Board of Directors and any other Committee(s) of Board of Directors shall not exceed the maximum amounts prescribed under the provisions of the Companies Act, 2013 including rules made there-under. Beside the sitting fees, they shall also be entitled to reimbursement of expenses for attending such meeting(s). The Non-executive Directors of the Company shall not be paid any other remuneration or commission.

The remuneration payable to the Non-executive Directors, Independent Directors may be modified or implemented from time to time with the approval of the Board in due compliance of the provisions of Companies Act, 2013 and rules made there-under.

v. Remuneration to other KMPs and the Senior Management:

The remuneration payable to KMPs shall be decided by the Board on the recommendation of the Committee having regard to their experience, leadership abilities, initiative taking abilities and knowledge base.

The remuneration of Senior Management staff would be decided by the MD & CEO as per the staff policy and the same shall be reported to the Committee.

8. Evaluation/Assessment of Directors, KMPs and Senior Management of the Company:

a) **Criteria:**

The following criteria may be considered for evaluating how effective the performances of the Non-Executive and Independent Directors have been:

- Leadership & stewardship abilities
- Contributing to clearly defined corporate objectives & plans
- Review & approval of achievement of strategic and operational plans, objectives, budgets
- Regular monitoring of corporate results against projections
- Identify, monitor & mitigate significant corporate risks
- Direct, monitor & evaluate KMPs
- Review management's succession plan
- Assuring appropriate board size, composition, independence, structure
- Clearly defining roles & monitoring activities of the committees
- Review of company's ethical conduct

In case of Managerial Personnel (e.g. MD, WTD, Manager), and KMP the following additional criteria may also be taken into consideration while evaluating the performance:

- Obtain adequate, relevant & timely information from external sources
- Communication of expectations & concerns clearly with subordinates/teams
- Development of effective departmental teams
- Assess/review, and propose new policies, structures & procedures including modifications
- Effective meetings
- Profitability and market share growth
- Geographical Expansion
- Thought Leadership
- Technological Competitiveness
- Degree of Control and Compliance

(The above is only an indicative list)

b) **Methodology:**

The evaluation/assessment of the Directors, KMPs and the Senior Management Personnel of the Company shall be conducted on an annual basis.

Evaluation on the aforesaid broad parameters will be conducted by the Independent Directors for each of the Executive and Non Executive Directors and the Board as a whole in a separate meeting of the Independent Directors.

The performance of the non-independent directors and Board as a whole, including the performance of the Chairperson of the Company, shall be reviewed by the Independent Directors.

The performance evaluation of Independent Directors shall be done by the entire Board of Directors, excluding the Director being evaluated.

The performance evaluation of KMP and Senior Management staff would be done by the MD & CEO as per the appraisal policy of the Company and the same shall be placed before the Committee.

9. Succession planning:

The Committee shall review, approve and aid the Board in succession planning for key executives i.e. Board members and KMP.

10. Reporting:

The Chairman of the Committee shall report to the Board on material matters arising at the Committee meetings and wherever applicable shall present the Committee's recommendation to the Board for its approval.

11. Deviations from this Policy:

Deviations on elements of this policy in extraordinary circumstances, when deemed necessary in the interests of the Company, will be made if there are specific reasons to do so in an individual case.

12. Amendments to the Policy:

The Board may review the Policy as and when it deems necessary.

The Committee may issue the guidelines, procedures, formats, reporting mechanism and manual in supplement and better implementation to this Policy, if it thinks necessary.

This Policy may be amended or substituted by the Board as and when required and where there is any statutory or regulatory changes necessitating the change in the policy on an urgent basis the requisite approvals of the Board and/or the Committee may be obtained via circular resolution(s).

13. Review of the Policy:

The Policy shall be reviewed on an annual basis (unless an early review is required) to ensure that it meets the regulatory requirements or latest industry practices or both.

In case of any amendment(s), clarification(s), circular(s) etc. issued by the relevant authorities, not being consistent with the provisions laid down under this Policy, then such amendment(s), clarification(s), circular(s) etc. shall prevail upon the provisions hereunder and this Policy shall stand amended accordingly from the effective date as laid down under such amendment(s), clarification(s), circular(s) etc.

Annexure 4

Independent Auditor's Report

To the Members of Power Exchange India Limited

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying financial statements of **Power Exchange India Limited** ('the Company'), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of cash flows for the year then ended, and notes to financial statements, including a summary of the material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, specified under Section 133 of the Act read with the rules made thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and

other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of the misstatements in the financial statements that, individually or aggregate,

makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning of the scope of our audit work and evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Government of India – Ministry of Corporate Affairs, in terms of sub-section (11) of section 143 of the Act, we enclose in the annexure 'A' a statement on the matters specified in paragraphs 3 and 4 of the said Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on March 31, 2026, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company does not have any pending litigations which would impact its financial position - Refer Note 33 to the Financial Statements;

- (ii) The Company does not have any long-term contracts for which there were any material foreseeable losses. The Company does not have any derivative contracts.
- (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- (iv)
 - (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (c) In our opinion and based on the audit procedures we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- (v) The dividend declared or paid during the year by the Company is in compliance with section 123 of the Companies Act, 2013.
- (vi) Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention

Annexure to the Auditor's Report

(Referred to in paragraph 1 under the heading 'Report on Other Legal and Regulatory Requirements' of our Report of even date on the financial statements for the year ended on March 31, 2026, of **Power Exchange India Limited**)

(i)	(a)	(A)	The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment.
		(B)	The Company has maintained proper records showing full particulars of Intangible assets.
	(b)		Property, Plant and Equipment have been physically verified by the management during the year. In our opinion the frequency of verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
	(c)		According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company does not hold any immovable property. Accordingly, the provisions of clause 3(ii)(c) of the Order are not applicable.
	(d)		The Company has not revalued any of its Property, Plant and Equipment (including Right of Use assets) or intangible assets. Accordingly, provisions of clause 3(i)(d) are not applicable.
	(e)		According to the information and explanations given to us, no proceedings have been initiated during the year or are pending against the Company as at March 31, 2026, for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder
(ii)	(a)		Considering the nature of business of the Company, clause 3 (ii)(a) of the Order regarding inventory is not applicable for the year.
	(b)		The Company has not been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.
(iii)			As informed, the Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties, covered in the register maintained under Section 189 of the Companies Act, 2013. Accordingly, provisions of clauses 3(iii)(a), 3(iii)(b), 3(iii)(c), 3(iii)(d) 3(iii)(e) and 3(iii)(f) of the Order are not applicable. The Company has not provided any guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties.
(iv)			As informed, the Company has not advanced any loans, made any investments or given any guarantees and securities. Accordingly, provisions of section 185 and 186 of the Companies Act, 2013 and clause 3 (iv) of the Order is not applicable.
(v)			The Company has not accepted any deposits from the public to which the provisions of section 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the Companies (Acceptance of Deposit) Rules 2014 apply. No order has been passed by the Company Law Board, National Law Tribunal or Reserve Bank of India or any other court or any other tribunal.
(vi)			According to the information and explanations given to us, the Company is not required to maintain cost records under sub-section (1) of section 148 of the Companies Act, 2013. Accordingly, reporting under clause (vi) of the Order is not applicable to the Company.

(vii)	(a)		According to the records of the Company, it is generally regular in depositing undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other material statutory dues to the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of above which were outstanding, as at March 31, 2026, for a period of more than six months from the date on which they became payable.
	(b)		According to the information and explanations given to us, dues of income tax, goods and services tax, duty of customs, cess and other material statutory dues applicable to the Company which have not been deposited on account of any dispute are as follows:

Name of Statute (Nature of dues)	Nature of dues	Financial year / Period to which amount relates to	Forum where dispute is pending	Amount (Rs. in lakhs)
Service Tax	Service Tax	Oct 2016-June 2017	Asst Commissioner of CGST	15.67

(viii)			According to the information and explanations given to us there are no unrecorded transactions in the books of account which have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
(ix)	(a)		The Company has not taken any loan or other borrowings from banks or debenture holder or any other lenders. Accordingly, reporting under clause (ix)(a) to (ix)(c) of the Order is not applicable to the Company.
	(d)		According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that the no funds raised on short-term basis have been used for long-term purposes.
	(e)		The Company does not have any subsidiaries, associates or joint ventures. Accordingly, reporting under clause 3(ix)(e) and (f) of the Order is not applicable.
(x)	(a)		The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year and accordingly, reporting under clause 3(x)(a) of the Order is not applicable.
	(b)		The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year and accordingly reporting under clause 3(x)(b) of the Order is not applicable.
(xi)	(a)		According to the information and explanations furnished by the management, which have been relied upon by us, there were no frauds by the Company or on the Company noticed or reported during the year.
	(b)		No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
	(c)		According to the information and explanations furnished by the management, which have been relied upon by us, there were no whistle blower complaints received during the year by the Company.
(xii)	(a)		In our opinion, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable to the Company.
(xiii)			In our opinion, all the transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, where applicable and the details have been disclosed in the financial statements etc., as required by the applicable accounting standards.
(xiv)	(a)		In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business

	(b)		We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures
(xv)			According to the information and explanations given to us, the Company has not entered into any non-cash transactions with directors or persons connected with him.
(xvi)	(a)		According to the information and explanations given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.
	(b)		The Company is not a Non-Banking Finance Company or a Housing Company. Accordingly, provision of clause 3(xvi)(b) of the Order is not applicable.
	(c)		In our opinion, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.
	(d)		In our opinion, there is only one core investment company within the Group ('Companies in the Group' as defined in the Core Investment Companies (Reserve Bank) Directions, 2016).
(xvii)			In our opinion, the Company has not incurred any cash losses in the financial year and in the immediately preceding financial year.
(xviii)			There has been no resignation of the statutory auditors during the year and accordingly clause 3(xviii) of the Order is not applicable
(xix)			On the basis information and explanations given to us and based on audit of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, review of Board of Directors and management plans, in our opinion no material uncertainty exists as on the date of the audit report regarding Company's capability to meet its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
(xx)			According to the information and explanations given to us, the provisions of section 135 of the Act are applicable to the Company. The Company has made the required contributions during the year and there are no unspent amounts which are required to be transferred either to a Fund or to a Special Account as per the provisions of section 135 of the act read with schedule VII. Accordingly, reporting under clause 3(xx)(a) and clause 3(xx)(b) of the Order is not applicable to the Company

Annexure - B to the Independent Auditor's Report of even date on the Financial Statements of Power Exchange India Limited**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to financial statements of **Power Exchange India Limited** ("the Company") as of March 31, 2026, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that

receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements for the year ended March 31, 2026

1. Corporate information

Power Exchange India Limited ('PXIL' or 'the Company') is a public limited company, having its registered office at Unit No. 101-104, Inizio Bldg., Cardinal Gracious Road, Chakala, Andheri (East), Mumbai, India. Established in 2008, PXIL promoted by National Stock Exchange India Ltd & National Commodity and Derivatives Exchange India Ltd, is India's first institutionally promoted power exchange that provides innovative and credible solutions to transform the Indian Power Markets. The power exchange provides an electronic platform for trading in power at national level.

2. Material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements ("the Financial Statements"). These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1. Basis of preparation

2.1.1. Compliance with Ind AS

The financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('Act') (to the extent notified). The Ind AS are prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2021 and amendments thereto.

The Company has determined current and noncurrent classification of its assets and liabilities in the financial statements as per Ind AS 1 – 'Presentation of financial statements'. Based on its assessment, the Company has ascertained its normal operating cycle as current classification 12 months for the purpose of current and non current classification.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The financial statements for the year ended March 31, 2026, has been approved for issue by the Board of directors of the Company in their meeting held on 6th May 2026.

2.1.2. Historical Cost Convention

The Financial Statements have been prepared in accordance with Indian Accounting Standard (Ind AS) under the historical cost convention on accrual basis except for the followings:

- Certain financial assets and liabilities and contingent consideration that is measured at fair value.
- Assets held for sale measured at fair value less cost to sell; and
- Defined benefit plans plan assets measured at fair value.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Lakhs (00,000/-) and decimal thereof as per the requirement of Schedule III, unless otherwise stated.

2.1.3. Adoption of new Accounting Standards and amendments

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

In May 2025, MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025. The company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

In August 2025, MCA notified the following amendments to:

1. Ind AS 1, Presentation of Financial Statements, applicable w.e.f April 1, 2025 - The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Group has no impact of these amendments in its classification criteria of current and non-current liabilities.
2. Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments - Disclosures, applicable w.e.f April 1, 2025 — The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Group has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.
3. Ind AS 12, International Trade Reform-Pillar Two Model Rules applicable immediately- The amendments provide a temporary mandatory relief from deferred tax accounting top-up tax and disclose that they have applied the relief. The relief is immediate and applies retrospectively.

The other amendments to Ind AS notified by these rules are primarily in the nature of clarifications.

2.1.4. Critical accounting estimates and judgements

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Although these estimates are based on management's best knowledge of current events and actions, uncertainty about the assumption and estimates could result in the outcome requiring material adjustment to the carrying amount of asset and liabilities.

The areas involving critical estimates or judgments are:

- Estimation of useful life of intangible asset (Note 4)
- Estimation of defined benefit obligation (Note 31)
- Estimation of contingent liabilities (Note 33)
- Estimation of Impairment of Assets

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

2.2. Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is treated as current when it is:

- a) Expected to be realised or intended to be sold or consumed in normal operating cycle.

- b) Held primarily for the purpose of trading, or
- c) Expected to be realised within twelve months after the reporting period other than for (a) above, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- a) It is expected to be settled in normal operating cycle
- b) It is held primarily for the purpose of trading
- c) It is due to be settled within twelve months after the reporting period other than for (a) above, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

2.3. Foreign currency translation and transactions

a) Functional & Presentation Currency

Items included in the Financial Statement of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The Financial Statement are presented in Indian currency (INR), which is the Company's functional and presentation currency.

b) Transaction and Balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at the period end exchange rates are recognized in Statement of Profit and Loss.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss. For example, translation differences on non-monetary assets and liabilities such as equity instruments held at fair value through profit or loss are recognized in the Statement of profit and loss as part of the fair value gain or loss and translation differences on non-monetary assets such as equity investments classified as FVOCI are recognized in other comprehensive income.

2.4. Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

The Company categorizes assets and liabilities measured at fair value into one of three levels as

follows:

- **Level 1 — Quoted (unadjusted)**

This hierarchy includes financial instruments measured using quoted prices.

- **Level 2**

Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 2 inputs include the following:

- a) Quoted prices for similar assets or liabilities in active markets.
- b) Quoted prices for identical or similar assets or liabilities in markets that are not active.
- c) Inputs other than quoted prices that are observable for the asset or liability.
- d) Market – corroborated inputs.

- **Level 3**

They are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Company's assumptions about pricing by market participants. Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

2.5 Revenue recognition

Revenue is recognized upon transfer of control of promised goods or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those goods or services. The Company recognizes revenue in the period in which it satisfies its performance obligation by transferring promised goods or services to the customer. The sources of revenue and Company's accounting policy are as follows:

- (i) Transaction charges – revenue in respect of trading transactions on exchange is recognised in accordance with the Company's fee scales at a point in time as an when the transaction is completed
- (ii) Other services – all other revenue is recognized in the period in which the related performance obligation is satisfied, either over time or at a specific point in time.

The Company considers the terms of the contract in determining the transaction price. The transaction price is based upon the amount the Company expects to be entitled to in exchange for transferring of promised services to the customer after deducting allowances and discounts etc. Revenue excludes any taxes and duties collected on behalf of the government.

2.6. Income taxes

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses, if any.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

The deferred tax credit/charge is recognised on all temporary differences between the carrying amount of

assets and liabilities in the financial statements and the corresponding tax bases uses in the computation of taxable profits. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

The carrying amount of deferred tax assets are reviewed at the end of each reporting period and are recognized only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

The Company applies significant judgement in identifying uncertainties over income tax treatments. Uncertain tax positions are reflected in the overall measurement of the Company's tax expense and are based on the most likely amount or expected value that is to be disallowed by the taxing authorities whichever better predict the resolution of uncertainty. Uncertain tax balances are monitored and updated as and when new information becomes available, typically upon examination or action by the taxing authorities or through statute expiration.

The Company considers when a particular amount payable for interest and penalties on income taxes is determined to be within the scope of Ind AS 37, it is presented as part of financing cost or other expenses.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

2.7. Trade receivables

Trade receivables are amounts due from customers for services performed in the ordinary course of business and reflects Company's unconditional right to consideration (that is, payment is due only on the passage of time). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The Company holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance.

2.8. Property Plant and Equipment (PPE)

PPE are stated at actual cost less accumulated depreciation and impairment loss. Actual cost is inclusive of freight, installation cost, duties, taxes and other incidental expenses for bringing the asset to its working conditions for its intended use and any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended by the Management. It includes professional fees and borrowing costs for qualifying assets.

Significant Parts of an item of PPE (including major inspections) having different useful lives & material value or other factors are accounted for as separate components. All other repairs and maintenance costs are recognized in the statement of profit and loss as incurred.

Depreciation of these PPE commences when the assets are ready for their intended use.

The estimated useful lives and residual values are reviewed on an annual basis and if necessary, changes in estimates are accounted for prospectively.

Depreciation on subsequent expenditure on PPE arising on account of capital improvement or other factors is provided for prospectively over the remaining useful life.

Depreciation on assets is provided on the straight-line method using the rates based on the economic useful life of assets as estimated by the management but not being more than the limits specified in Schedule II of the Companies Act, 2013 as below:

Asset Class	Useful Life as per Management	Useful life as per Companies Act, 2013
Computer Trading Systems	4 Years	6 Years
Computer Systems - Office Automation	3 Years	3 Years
Telecommunication Systems	4 Years	6 Years
Mobile Handset	3 Years	6 Years
Office Equipment	4 Years	5 Years
Furniture & Fixtures and Electrical Installations / Fittings on leased premises	3 Years	10 Years

Depreciation for assets purchased or sold during a period is proportionately charged.

PPE whose aggregate cost is Rs. 5,000 or less are depreciated fully in the year of acquisition.

The above useful life is as per the management estimate of the useful life which is lower than that prescribed in Schedule II of the Companies Act, 2013. This is based on the consistent practices followed, past experience, internal assessment and duly supported by technical advice.

An item of PPE is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

2.9. Intangible Assets

(i) Intangible assets

Recognition of intangible assets

Computer software

Purchase of computer software used for the purpose of operations is capitalized. However, any expenses on software support, maintenance, upgrade etc. payable periodically is charged to the Statement of Profit & Loss. Computer software is amortized over a period of 4 years.

Development costs that are directly attributable to the design and testing of identifiable and unique software products controlled by the company are recognized as intangible assets when the following criteria are met:

- It is technically feasible to complete the software so that it will be available for use
- Management intends to complete the software and use or sell it
- There is an ability to use or sell the software
- It can be demonstrated how the software will generate probable future economic benefits
- Adequate technical, financial and other resources to complete the development and to use or sell the software are available, and
- The expenditure attributable to the software during its development can be reliably measured.

Capitalized development costs are recorded as intangible assets and amortized from the point at which

the asset is available for use. Intangible assets are amortized over a period of four years or remaining life of the product considered at the end of each financial year whichever is earlier.

De-recognition of intangible assets

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognized in the Statement of Profit and Loss.

(ii) Intangible assets under development

All costs incurred in development, are initially capitalized as Intangible assets under development- till the time these are either transferred to Intangible Assets on completion or expensed as Software Development cost (including allocated depreciation) as and when determined of no further use.

2.10. Borrowing Costs

Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying asset are capitalized as part of cost of such asset. Other borrowing costs are recognized as an expense in the period in which they are incurred.

Borrowing costs consists of interest and other costs that an entity incurs in connection with the borrowing of funds.

2.11. Leases

As a Lessee

Leases of property, plant and equipment that substantially transfers all the risks and rewards of ownership are classified as finance leases. All other leases are classified as operating leases.

(a) Finance leases

Finance leases when acquired, are capitalized at the lease's inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the Statement of profit and loss over the lease period to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

(b) Operating Leases

Payments made under operating leases (net of any incentives received from the lessor) are charged to the Statement of profit and loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

The company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the company assesses whether:

- (1) The contract involves the use of an identified asset
- (2) The company has substantially all the economic benefits from use of the asset through the period of the lease and
- (3) The company has the right to direct the use of the asset. At the date of commencement of the lease, the company recognizes a right to use asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the company recognizes the lease payments as an operating expense on a straight-line basis over the term of the

lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. Right to use assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The rights to use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right to use assets are amortized from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. If a lessee transfers ownership of the underlying asset or the cost of the right to use asset reflects that the Company expects to exercise a purchase option, the related right to use asset is depreciated over the useful life of the underlying asset.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. Lease liabilities are remeasured with a corresponding adjustment to the related right to use asset if the company changes its assessment if whether it will exercise an extension or a termination option. The lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using the effective interest method) and by reducing the carrying amount to reflect the lease payments made.

Assets and liabilities arising from a lease are initially measured on present value basis. Lease liabilities include the net present value of the following lease payments.

- Fixed payments (including in-substance fixed payments), less any lease incentives receivable.
- Variable lease payments that are based on an index or a rate, initially measured using the index or rate as at the commencement date.
- Amounts expected to be payable by the Company under residual value guarantees.
- The exercise price of a purchase option if the Company is reasonably certain to exercise that option, and
- Payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option

Lease liability and right to use asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

As a Lessor

Lease income from operating leases where the company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the Statement of Assets and Liabilities based on their nature.

2.12. Impairment of assets

Intangible assets that have an indefinite useful life are not subject to amortization and are tested annually for impairment or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered impairment are reviewed for possible reversal of the impairment at the

end of each reporting period.

2.13. Provisions

Provisions for legal claims and discounts/incentives are recognized when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation, and the amount can be reliably estimated. Provisions are not recognized for future operating losses.

Where there are number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a Contingent Liabilities. A provision is recognised even if the likelihood of an outflow with respect to only one item included in the same class of obligations may be small.

At the end of each reporting period, provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at a future date. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expense.

Contributed equity

Equity shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

2.14. Contingent Liabilities and Contingent Asset

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent liabilities are not recognized in the financial statements. Contingent liabilities are not disclosed in case the possibility of an outflow of resources embodying economic benefits is remote. Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.

2.15. Employee Benefits

Short term employee benefits:-

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. Short term employee benefits are recognized in Statement of profit and loss in the period in which the related service is rendered. The liabilities are presented as current employee benefit obligations in balance sheet.

Long-Term employee benefits

i. Defined contribution plans

Provident Fund

The Company's monthly contribution towards Provident Fund to Regional Provident Fund Commissioner (RPFC) is accounted for on accrual basis and charged to Statement of Profit and Loss for the year.

ii. Defined benefit plans

Gratuity

The Company has maintained a Group Gratuity Cum Life Assurance Scheme with the Life Insurance Corporation of India (LIC) towards which it annually contributes a sum determined by LIC. The liability or asset recognized in the Balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to yields on government securities at the end of the reporting period that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the Balance Sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

Actuarial gains and losses are recognized in OCI as and when incurred.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest as defined above), are recognized in other comprehensive income except those included in cost of assets as permitted in the period in which they occur and are not subsequently reclassified to profit or loss.

The retirement benefit obligation recognized in the Financial Statements represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of reductions in future contributions to the plans.

Leave Encashment

The company has provided for the liability at period end on account of un-availed earned leave as per the actuarial valuation as per the Projected Unit Credit Method.

2.16. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

2.16.1. Investment and other financial assets *Classification*

The Company classifies its financial assets in the following measurement categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- Those measured at amortised cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

Initial recognition and measurement

All financial assets are recognised initially at fair value plus or minus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition or issue

of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset. However, trade receivables that do not contain significant financing component are measured at transaction price.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories based on business model of the entity:

- Debt instruments at amortized cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI).

Debt instruments at amortized cost

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method.

Debt instrument at FVTOCI

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent SPPI

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On derecognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to P&L. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Debt instrument at FVTPL

Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The Company has not designated any debt instrument as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

Equity investments

All equity investments are measured at fair value. Equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument by-instrument basis. The classification is made on initial

recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. This amount is not recycled from OCI to P & L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

Cash and Cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks and fixed deposits which are unrestricted for withdrawal and usage. These do not include bank balances earmarked/restricted for specific purposes.

De-recognition

A financial asset is de-recognized only when

- The Company has transferred the rights to receive cash flows from the financial asset or
- Retains the contractual rights to receive the cash flows of the financial asset but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset, it evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognized, Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognized if the company has not retained control of the financial asset. Where the company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of Impairment loss on the following financial assets and credit risk exposure:

- a) financial assets that are debt instruments, and are measured at amortized cost e.g., loans, debt securities, deposits, trade receivables and bank balance
- b) financial assets that are debt instruments and are measured as at FVTOCI
- c) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115.
- d) Loan commitments which are not measured as at FVTPL
- e) financial guarantee contracts which are not measured as at FVTPL

The Company follows 'simplified approach' for recognition of impairment loss allowance on:

- Trade receivables or contract revenue receivables; and
- ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/expense in the statement of profit and loss (P&L).

"Simplified approach recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk

has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL. ECL is the difference between after contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.”

2.16.2 Financial liabilities

Classification as debt or equity

Financial liabilities and equity instruments issued by the company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Initial recognition and measurement

Financial liabilities are recognized when the company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortized cost unless at initial recognition, they are classified as fair value through profit and loss.

Subsequent measurement

Financial liabilities are subsequently measured at amortized cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognized in the statement of profit and loss.

Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial period which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Financial guarantee contracts

Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.

De recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

2.17. Cash & Cash equivalent

Cash and Cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash, and which are subject to an insignificant risk of changes in value. These do not include bank balances earmarked/restricted for specific purposes.

For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, in banks

and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand and are considered part of the Company's cash management system. In the balance sheet, bank overdrafts are presented under borrowings within current liabilities.

2.18. Statement of cash flow

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

2.19. Earnings per share

Basic earnings per share

Basic earnings per share are calculated by dividing:

- The profit attributable to owners of the company
- By the weighted average number of equity shares outstanding during the financial year.

Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- The after-income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

3. (a) Property, Plant and equipment

(All amounts in ₹ lakhs, unless otherwise stated)

Particulars	Computer - others	Computer - Trading & computer systems	Furniture & fixtures	Office equipment	Mobile handset	Telecommunication systems	Total

31. Disclosure under Indian Accounting Standard 19 (Ind AS 19) on Employee Benefit.**Defined Benefit Plan:**

- (a) The Company makes contributions, determined as a specified percentage of employees' salaries, in respect of qualifying employees towards Provident Fund (PF). The contributions are charged to the Statement of Profit and Loss as they accrue. The amount recognized as expense towards such contributions for the year aggregated to Rs. 44.69 lakhs (Previous Year Rs. 38.69 lakhs).

The Company has a defined benefit plan that provides for gratuity. The gratuity plan entitles all eligible employees who have completed five years or more of service to receive half month's salary for each year of completed service at the time of retirement, superannuation, death or permanent disablement, in terms of the provisions of the payment of Gratuity Act, 1972 or as per Company's scheme whichever is more beneficial. The following table summarizes the position of assets and obligations:

A. Balance Sheet

	Present Value of Obligation	Fair Value of Plan Assets	Total
At the beginning of the year	61.09	(34.13)	26.96
Current service cost	11.30	-	11.30
Interest cost / (income)	4.41	(2.46)	1.95
Past service cost	-	-	-
Re measurements			
Expected return on plan assets	-	(0.29)	(0.29)
Actuarial (gains)/losses on obligations - due to change in demographic assumptions	-	-	-
Actuarial (gains)/losses on obligations - due to change in financial assumptions	2.74	-	2.74
Actuarial (gains)/losses on obligations - due to experience	3.86	-	3.86
Employer contributions	-	(19.85)	(19.85)
Benefits paid	-	-	-
At the end of the year	83.40	(56.73)	26.67

(ii) The net liability disclosed above relates to funded plans are as follows:

Particulars	March 31, 2026	March 31, 2025
Fair value of plan assets as at the end of the year/period	85.87	56.73
Liability as at the end of the year/period	(190.39)	(83.40)
Net (Liability)/Asset disclosed in the balance Sheet	(104.52)	(26.67)
Less: Provision for employee not covered under scheme	-	-
Net (Liability)/Asset disclosed in the Balance Sheet	(104.52)	(26.67)

(All amounts in Rupees lakh's, unless otherwise stated)

(iii) **Balance sheet reconciliation**

Particulars	March 31, 2026	March 31, 2025
Opening net liability	26.67	26.96
Expenses recognized in statement of profit or loss	107.80	13.26
Expenses recognized in OCI	(5.33)	6.30
Net (liability)/asset transfer out	-	-
Employers contribution	(24.63)	(19.85)
Amount recognised in the Balance Sheet	104.52	26.67
Less: Provision for employee not covered under scheme	-	-
Net Liability/(Asset) disclosed in the Balance Sheet	104.52	26.67

B. Statement of Profit & Loss(i) **Net interest cost for current period**

Particulars	March 31, 2026	March 31, 2025
Interest cost	7.96	4.41
Interest income	(4.33)	(2.46)
Net interest cost for current period	3.63	1.95

(ii) **Expenses recognised in the Statement of Profit & Loss**

Particulars	March 31, 2026	March 31, 2025
Current service cost	22.22	11.30
Net interest cost	3.63	1.95
Past service cost	81.95	-
Expenses recognised in the Statement of Profit & Loss	107.80	13.25
Add: Gratuity expenses in respect of employees not covered under the scheme	-	-
Net Expenses / (Income) Recognized in Statement of Profit and Loss	107.80	13.25

(iii) **Expenses recognised in the Other Comprehensive Income**

Particulars	March 31, 2026	March 31, 2025
Re-measurement	(5.15)	6.60
Expected return on plan assets	(0.18)	(0.29)
Actuarial (gain) or loss	-	-
Net (income)/expense for the period recognized in OCI	(5.33)	6.31

(All amounts in Rupees lakh's, unless otherwise stated)

C. Significant actuarial assumptions are as follows:

Particulars	March 31, 2026	March 31, 2025
Discount rate	6.81%	7.22%
Rate of return on plan assets	6.81%	7.22%
Salary escalation	5.00%	5.00%
Mortality rate during employment	Indian Assured Lives Mortality 2012-14 (Urban)	Indian Assured Lives Mortality 2012-14 (Urban)
Attrition rate	For service 4 years and below 10.00% p.a. For service 5 years and above 2.00% p.a.	For service 4 years and below 10.00% p.a. For service 5 years and above 2.00% p.a.

D. Sensitivity Analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Particulars	March 31, 2026	March 31, 2025
Projected benefit obligation on current assumptions	19.04	83.39
Delta effect of +1% change in rate of discounting	(12.02)	(6.40)
Delta effect of -1% change in rate of discounting	13.92	7.47
Delta effect of +1% change in salary increase	14.14	7.53
Delta effect of -1% change in salary increase	(12.40)	(6.56)
Delta effect of +1% change in employee turnover	2.29	0.64
Delta effect of -1% change in employee turnover	(2.67)	(0.79)

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

E. The expected maturity analysis of undiscounted gratuity defined benefits is as follows:

Particulars	March 31, 2026	March 31, 2025
1st Following Year	17.07	11.97
2nd Following Year	5.23	2.23
3rd Following Year	43.39	2.46
4th Following Year	4.59	20.85
5th Following Year	3.84	19.73
Sum of Years 6 to 10	57.98	26.32
Sum of Years 11 and above	214.36	100.80

On November 21, 2025, the Government of India notified four labour codes - The Code on Wages 2019, The Industrial Relations Code 2020, The Code on Social Security, 2020 and The Occupational Safety, Health and Working Conditions Code, 2020. The Company has arrived at the impact of these changes on the basis of actuarial valuation done in accordance with IND AS 19 - Employee Benefits. Basis such valuation, incremental employee benefits cost of Rs 81.95 lakhs has been charged to Profit & Loss account for the year ended March 31, 2026. The Company will continue to monitor developments relating to the implementation of new labour codes and re-assess its liabilities, if required.

(All amounts in Rupees lakh's, unless otherwise stated)

32. In compliance with Ind AS 24 - "Related Party Disclosures", as notified under Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 the required disclosures are given in the table below:

A . Names of the related parties and relationship:

33. Contingent liabilities

Contingent liability in respect of disputed demand of income tax amounting to Rs. NIL as on March 31st, 2026 (Previous year : Rs. 8.76 lakhs) and Disputed Service Tax demand of Rs 15.67 lakhs for the period 1st October 2016 till 30th June 2017 (Previous year- Rs 15.67 lakhs)

- 34.** An operating segment is a component of the Company that and incur expenses, including revenues and expenses that relate to transactions with any of the Company's other components, and for which discrete financial information is available. In accordance with Ind AS 108, the operating segments used to present segment information are identified on the basis of internal reports used by the Company's management to allocate resources to the segments and assess their performance. The Chairman & Managing Director along with the Board of Directors is collectively the Company's 'Chief Operating Decision Maker' or 'CODM' within the meaning of Ind AS 108. The indicators used for internal reporting purposes may evolve in connection with performance assessment measures put in place. The Company operates only in one Business Segment i.e. facilitating trading in power and the activities incidental thereto within India, hence does not have any reportable Segments as per Indian Accounting Standard 108 "Operating Segments".

35. Dues of Micro and Small enterprises

"Disclosure in respect of the amounts payable to Micro and Small enterprises, as defined under Micro, Small and Medium Enterprises Development Act, 2006:"

Particulars	March 31, 2026	March 31, 2025
Dues remaining unpaid to any supplier		
- Principal	15.57	12.68
- Interest on the above	-	-
Amount of interest paid in terms of section 16 of the MSMED Act, 2006, along with the amount of the payment made to the supplier beyond the appointed day during each accounting year	-	-

(All amounts in Rupees lakh's, unless otherwise stated)

Particulars	March 31, 2026	March 31, 2025
Principal amounts paid to suppliers registered under the MSMED Act, beyond the appointed day.	-	-
Amount of interest due and payable for the period of delay in making payment (which has been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act, 2006	-	-
Amount of interest accrued and remaining unpaid	-	-
Amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise, for the purpose of disallowance as a deductible expenditure under section 23 of MSMED Act, 2006	-	-

36. In the opinion of the Board, current assets, loans and advances are approximately of the value stated, if realised in the ordinary course of business.

37. Leases

The Company has entered into lease transactions mainly for leasing of office premise for a period between 1 to 9 years. The terms of lease include terms of renewal, increase in rents in future periods, which are in line with general inflation, and terms of cancellation. None of the leases consists of any variable lease payment terms. Extension and termination options are included in a number of property lease arrangements of the Company. These are used to maximise operational flexibility in terms of managing the assets used in the Company's operations. The majority of extension and termination options held are exercisable based on mutual consent of the Company and respective lessors and uses to assess the short term leases. The aggregate depreciation expense on Right of Use assets is included under depreciation and amortization expense in the Statement of Profit and Loss.

a) **Following are the changes in the carrying value of right to use assets for the year ended March 31, 2026 and March 31, 2025.**

Particulars	Category of Right to use Assets		
	Mumbai Office	Delhi Office	Total
Balance as of April 1, 2024	212.59	69.04	281.63
Additions during the year	-	351.49	351.49
Termination/Adjustments during the year.	-	(60.40)	(60.40)
Depreciation during the year	(75.03)	(28.11)	(103.14)
Balance as at March 31, 2025	137.56	332.02	469.58
Balance as of April 1, 2025	137.56	332.02	469.58
Additions during the year	888.73	-	888.73
Termination/Adjustments during the year.	68.78	-	68.78
Depreciation for the year	93.88	39.06	132.94
Balance as at March 31, 2026	863.63	292.96	1,156.59

(All amounts in Rupees lakh's, unless otherwise stated)

- b) The movement in lease liabilities during the year ended 31 December 2025 and 31 March 2026 is as follows :

Particulars	Category of Lease Liability		
	Mumbai Office	Delhi Office	Total
Balance as at April 1, 2024	213.18	94.67	307.85
Addition during the year	-	351.49	351.49
Termination/ Adjustments during the year	-	(86.00)	(86.00)
Finance cost accrued during the year	14.68	17.03	31.71
Payment of lease liabilities during the year	(80.89)	(36.58)	(117.48)
Balance as at March 31,2025	146.97	340.61	487.58
Balance as of April 1, 2025	146.97	340.61	487.58
Additions during the year	888.73	-	888.73
Termination/ Adjustments during the year	77.92	-	77.92
Finance cost accrued during the year	15.10	29.91	45.01
Payment of lease liabilities during the year	105.93	48.83	154.76
Balance as at March 31,2026	866.94	321.68	1,188.63

The break-up of current and non-current lease liabilities as at 31 March 2026 and 31 March 2025 is as follows:

Current lease liabilities	131.69	23.23	154.93
Non-current lease liabilities	735.25	298.44	1,033.69

- c. The Company does not face a significant liquidity risk with regard to its lease liabilities as the current assets are sufficient to meet the obligations related to lease liabilities as and when they fall due.
- d. Rental expense recorded for short-term leases was ₹ **Rs 10.92 lakhs** for the year ended March 31, 2026 (P.Y March 31, 2025- Rs 18.96 lakhs).
38. The Company has constituted a 'Settlement Guarantee Fund' (SGF) on 15th December, 2010. The members are required to contribute to SGF in form of 'Interest Security Deposit' (ISD). The said ISD is refundable at the time of cessation of membership. ISD towards SGF collected from members amounts to Rs. 512.34 lakhs as at 31st March 2026 (Previous Year: Rs. 508.06 lakhs) and the same is grouped under the head 'Deposits from Members (Unsecured)' which is invested in Fixed Deposits with Banks.
39. In accordance with Regulation 27 of PMR regulations 2021, effective from August 15, 2021 onwards, "The Power Exchange shall distribute at least 70% of the return earned on the initial security deposit invested in financial year to the member of Power Exchange in proportion to initial security deposit of the member and duration of which such deposit was held with the Power Exchange within 45 days of the last date of the financial year". Accordingly, provision for 70% of interest earned on such Initial security deposit payable to the members amounting to Rs 41.28 lakhs, (Previous year: Rs. 41.40 lakhs) (less TDS of Rs 4.13 lakhs (Previous year: Rs. 4.14 lakhs)) has been made in the books.

(All amounts in Rupees lakh's, unless otherwise stated)

40. (A) Fair Value Measurements**Financial instruments by category and fair values hierarchy**

The following table shows the carrying amounts and fair value of financial assets and financial liabilities, including their levels in the fair value hierarchy.

As at 31st March 2026							
Particulars	Carrying amount				Fair value		
	FVTPL	Amortised cost	At Cost	Total	Level 1	Level 2	Level 3
Financial Assets							
Non-current

Other financial liabilities	-	6,510.83	-	6,510.83	-	-	-
Total financial liabilities	-	9,945.06	-	9,945.06	-	-	-

(All amounts in Rupees lakh's, unless otherwise stated)

As at 31st March 2025							
Particulars	Carrying amount				Fair value		
	FVTPL	Amortised cost	At Cost	Total	Level 1	Level 2	Level 3
Financial Assets							
Non-current							
Non current bank balances	-	1,209.38	-	1,209.38	-	-	-
Other financial assets	-	64.89	-	64.89	-	-	-
Current							
Investments	5,857.85	-	-	5,857.85	5,857.85	-	-
Trade receivables	-	9.29	-	9.29	-	-	-
Cash and Cash equivalents	-	15,904.56	-	15,904.56	-	-	-
Bank balances other than cash and cash equivalents	-	8,064.07	-	8,064.07	-	-	-
Other receivables	-	532.15	-	532.15	-	-	-
Total financial assets	5,857.85	25,784.34	-	31,642.19	5,857.85	-	-
Financial liabilities							
Non-current							
Lease liabilities	-	392.75	-	392.75	-	-	-
Other financial liabilities	-	178.19	-	178.19	-	-	-
Current				-			
Lease liabilities	-	94.82	-	94.82	-	-	-
Deposits (unsecured)	-	1,541.47	-	1,541.47	-	-	-
Trade payables	-	617.58	-	617.58	-	-	-
Other financial liabilities	-	17,577.37	-	17,577.37	-	-	-
Total financial liabilities	-	20,402.18	-	20,402.18	-	-	-

(All amounts in Rupees lakh's, unless otherwise stated)

The carrying amounts of the above mentioned financial assets and financial liabilities approximate their fair value due to their nature. There are no transfers among levels 1, 2 and 3 during the year.

For Financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair value.

(II) Financial Risk Management

The Company's business activities expose it to a variety of financial risks, namely credit risk, liquidity risk and clearing and settlement risk. The Company's senior management has the overall responsibility for the establishment and oversight of the Company's risk management practices. The Company's risk management practices are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management practices and systems of the company are reviewed regularly to reflect changes in market conditions and the Company's activities.

(A) Credit Risk

Credit risk is the risk that a customer or counterparty to a financial instrument fails to perform or pay the amounts due causing financial loss to the Company. Credit risk arises from Company's activities in investments and outstanding receivables from customers.

Trade Receivables

"Credit risk on trade receivable is also very limited. The Company mitigates its exposure to risks relating to trade receivables from its members / clients by requiring them to comply with the Company's established financial requirements and criteria for admission as members / clients. As a process, the Company collects the amounts from buyer for purchase of power, including transmission and other charges and exchange fees on or before the delivery and pays out the amount to seller for sale of power one day after delivery.

Further, transmission charges etc. are paid to system operator on the next day from the day of trade. Further, the Company also holds and maintain settlement guarantee funds for settlement of defaults by any of the members/ clients."

Other Financial Assets

The Company maintains exposure in cash and cash equivalents, term deposits with banks and investments in marketable debt investments including mutual funds. The Company's investments are primarily into AAA / AA high rating instruments and therefore the credit risk is low.

The Company's maximum exposure to credit risk as at March 31, 2026 and March 31, 2025 is the carrying value of each class of financial assets as disclosed in note 5, 9,10,11, 12, & 13.

(B) Liquidity Risk

Liquidity risk arises from the Company's inability to meet its cash flow commitments on time. Prudent liquidity risk management implies maintaining sufficient stock of cash and marketable securities and maintaining availability of standby funding through an adequate line up of committed credit facilities.

The following table shows the maturity analysis of the Company's financial liabilities based on contractually

(All amounts in Rupees lakh's, unless otherwise stated)

agreed undiscounted cash flows as at the Balance Sheet date

Particulars	Carrying amount	< 1 year	1-2 years	2-5 years	More than 5 years	Total
As at March 31, 2026						
(ii) Deposits	1,540.76	1,540.76	-	-	-	1,540.76
(iii) Other financial liabilities	6,510.83	6,510.83	-	-	-	6,510.83
(iii) Lease liability	1,188.63	154.93	182.54	816.86	34.29	1,188.62
Particulars	Carrying amount	< 1 year	1-2 years	2-5 years	More than 5 years	Total
As at March 31, 2025						
(ii) Deposits	1,541.47	1,541.47	-	-	-	1,541.47
(iii) Other financial liabilities	17,577.37	17,577.37	-	-	-	17,577.37
(iii) Lease liability	487.58	94.82	94.31	101.22	197.22	487.58

(C) Clearing and settlement risk

Our clearing services guarantee final settlement of trades and manage counterparty risk. The financial risks associated with clearing operations are further mitigated by strict membership rules including supervisory capital, technical and organisational criteria. The maintenance of prudent levels of margin and default funds to cover exposures to participants. Each member deposits margins to cover the theoretical costs which the clearing service would incur in order to close out open positions in the event of the member's default.

(III) Capital Management

The Company considers the following components of its balance sheet as its managed capital:

Total equity (as shown in the balance sheet) - retained profit / (loss), share capital.

41 Corporate social responsibility

- A)** Pursuant to section 135 of the Companies Act, 2013, the Company has incurred expenditure in respect of various projects/ programmes as covered under Schedule VII of the Companies Act. Details of expenses incurred are given below:-

March 31, 2026

- Gross amount required to be spent by the Company during the year was Rs. 64.77 lakhs.
- Amount approved by the Board to be spent during the year was Rs. 65 lakhs (excluding administration cost).
- Since the company has fully spent the entire CSR amount as approved by the Board during the year, there is no pending amount remaining.
- Amount recognised in P&L during the year on"

(All amounts in Rupees lakh's, unless otherwise stated)

	In cash	Yet to be paid	Total
	65.00	0.00	65.00
Total	65.00	0.00	65.00

vi) Nature of CSR activities-

- i) Contribution to Smit Old Age Home & Care Foundation for sponsoring groceries and hygiene products for over 126 senior citizens.
- ii) Contribution to Kokan Kala Foundation for renovation and building new toilets for 3 Tribal and Rural area schools."

March 31, 2025

- "i) Gross amount required to be spent by the Company during the year was Rs. 30.12 lakhs
- ii) Amount approved by the Board to be spent during the year was Rs. 30.12 lakhs (excluding administration cost).
- iii) Since the company has fully spent the entire CSR amount as approved by the Board during the year, there is no pending amount remaining.

v) Amount recognised in P&L during the year on

	In cash	Yet to be paid	Total
	30.12	0.00	30.12
Total	30.12	0.00	30.12

vi) Nature of CSR activities- Contribution to Kokan Kala Foundation for implementation of water filtration system in 22 schools & Contribution to Armed Forces.

Particulars	March 31, 2026	March 31, 2025
(B) Details of related party transactions	Nil	Nil
(C) Provision made with respect to a liability incurred by entering into a contractual obligation	Nil	Nil

42. Capital and other commitments

Estimated amount of contracts remaining to be executed-

Capital Commitments - Rs. 472.54 Lakhs (Previous year - NIL)

43. Following are analytical ratios for the year ended 31 March 2026 and 31 March 2025.
