The IDs are given an orientation on the Company's products, group structure, board constitution and procedures, matters reserved for the Board, and the major risks including risk management strategy.

In terms of the Regulation 25(7) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company has adopted a familiarisation programme for the Independent Directors to familiarize them with working of the Company, nature of the industry in which the Company operates, business model of the Company, their roles, rights, responsibilities and other relevant details.

PERFORMANCE EVALUATION OF THE BOARD, ITS COMMITTEES AND INDIVIDUAL DIRECTORS

Pursuant to applicable provisions of the Companies Act, 2013 and the SEBI (Listing Obligation and Disclosure

Requirements) Regulations, 2015 the Board of Directors has carried out an annual evaluation of its own performance, board committees and individual Directors including independent Directors pursuant to the provisions of the Act and SEBI Listing Regulations. The criteria are broadly based on the Guidance Note on Board Evaluation issued by the SEBI.

The performance of the Board was evaluated by the Board after seeking inputs from all the Directors on the basis of criteria such as the board composition and structure, effectiveness of board processes, information and functioning, etc. The performance of the Committees was evaluated by the Board after seeking inputs from the Committee Members on the basis of criteria such as the composition of committees, effectiveness of committee meetings, etc. In a separate meeting of Independent Directors, performance of Non-Independent Directors, the Board as a whole and Chairman of the Company was evaluated, taking into account the views of Executive and Non-Executive Directors.

The Board and the Nomination and Remuneration Committee ("NRC") reviewed the performance of individual Directors on the basis of criteria such as contribution of the individual director to the Board and Committee meetings like preparedness on the issues to be discussed, meaningful and constructive contribution and inputs in meetings, etc.

A structured questionnaire, covering various aspects of the functioning of the board and its Committee, such as, adequacy of the constitution and composition of the Board and its Committees, matters addressed in the Board and Committee meetings, processes followed at the meeting, Board's focus, regulatory compliances and Corporate Governance, etc., is in place. Similarly, for evaluation of individual Director's performance, the questionnaire covering various aspects like his/her profile, contribution in Board and Committee meetings, execution and performance of specific duties, obligations, regulatory compliances and governance, etc., is also in place.

Board members had submitted their response for evaluating the entire Board, respective committees of which they are members and of their peer Board members, including Chairman of the Board.

The Independent Directors had met separately on March 23, 2026 without the presence of Non-Independent Directors and the members of the management to discuss, inter-alia, the performance of Non-Independent Directors and Board as a whole and the performance of the Executive Director of the Company after taking into consideration the views of Executive and Non-Executive Directors.

The performance evaluation of all the independent Directors have been done by the entire Board, excluding the Director being evaluated. On the basis of performance evaluation done by the Board, it shall be determined whether to extend or continue their term of appointment, whenever the respective term expires.

The Directors expressed their satisfaction with the evaluation process.

Ms. Aditi Gupta, Company Secretary in Whole-time Practice (CP No. 10512) of M/s Aditi Agarwal & Associates, Company Secretaries, New Delhi (Firm Registration Number: 52011DE199300), a peer reviewed firm, has been appointed as Secretarial Auditor of the Company for a period of 5 (five) years commencing from the FY 2025-26 and ending at the FY 2029-30 to conduct Secretarial Audit of the Company, on the basis of recommendation of Audit Committee and approval of the Board of Directors in their meeting held on May 27, 2025. The Company has received a certificate from the

Secretarial Auditors to the effect that their re-appointment, if made, would be in accordance with the provisions of the Companies Act, 2013.

There were following observations of Secretarial Auditors in their Secretarial Audit Report in Form MR-3, being attached with the Directors' Report and the respective explanation to the same by the Board of Directors of the Company, is reproduced herein below:

- i. Pursuant to the provision of Section 124 of the Companies Act, 2013 read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, a Company whose dividend remains unpaid/unclaimed for a period of seven consecutive years shall be required to transfer such shares to the special purpose DEMAT Account, accordingly, the Company was required to transfer such shares into DEMAT Account of IEPF. We have been informed that during the Financial Year 2017-18, 2018-19, 2019-20, 2020-21, 2021-22, 2022-23, 2023-24, 2024-25 and 2025-26 the Company has been receiving several request(s) from certain shareholders claiming their unpaid dividend for past years and therefore due to change in shareholders details as available in the records of the Company, the Company is taking time in identifying the authenticity of the registered shareholders, who have not encashed the dividend warrants for a continuous period of last seven years and hence, Form IEPF-4 for filing of statement of shares transfer to IEPF could not be filed till date. The unclaimed dividend of Rs. 1,23,490/- (One Lakh Twenty Three Thousand Four Hundred and Ninety Only) pertaining to the year ended March 31, 2018, was transferred to the Investor Education & Protection Fund after giving due notice to the members. The management of the Company is taking appropriate measures to comply with the above mentioned provision of the Act.
- ii. The Company had initially filed Form(s) FC-GPR with the Reserve Bank of India through its Authorized Dealer (AD) Bank, following the allotment of bonus equity shares of the Company dated October 4, 2024, in compliance with FEMA regulations. However, the said Form(s) FC-GPR were consecutively rejected. Further, the Company has re-filed Form FC-GPR on May 25, 2026, upon a careful re-examination of the applicable provisions of FEMA, 1999, the RBI Rules, 2019 and the factual history of allotment/transfer/transmission of the Company.
- iii. The Company has not filed annual return in Form PLA (Foreign Liabilities and Assets) as required under FEMA 1999, however, the management of the Company is in process of filing the Annual Return.

INVESTOR EDUCATION AND PROTECTION FUND (IEPF)

Pursuant to the provision of Section 124 of the Companies Act, 2013 read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer And Refund) Rules, 2016, a Company whose dividend remains unpaid/unclaimed for a period of seven consecutive years shall be required to transfer such shares to the special purpose Demat Account, accordingly, the Company was required to transfer such shares into Demat Account of IEPF. Since, Financial Year(s) 2017-18, 2018-19, 2019-20, 2020-21, 2021-22, 2022-23, 2023-24, 2024-25 and 2025-26, the Company had repeatedly received request from certain shareholders claiming their unpaid dividend for past years and therefore was in process of identifying the shareholders who have not encashed the dividend warrants for a continuous period of last seven years.

Further, the Board confirmed in its meeting dated May 27, 2025 that the list of shares, on which dividend was unpaid or unclaimed for seven consecutive Financial Years, preceding the Financial Year 2024-25 was uploaded on the website of the Company so that the investors can claim their unclaimed dividends after following the procedure as laid down in Form IEPF-3 which can be downloaded from the website of fund namely www.iepf.gov.in.

The Company informed to the concerned shareholder at least three months before the due date of transfer of share to the IEPF and the unclaimed dividend of Rs. 1,23,490/- pertaining to the year ended March 31, 2018, was transferred to the Investor Education & Protection Fund after giving due notice to the members.

LOAN, GUARANTEES AND INVESTMENT

The particulars of loan, guarantees and investment under section 186 of Companies Act, 2013 provided under the Note No. 4 & 5, to the notes of accounts.

COST AUDITORS AND THEIR REPORT

The Cost Records of the Company are maintained in accordance with the provisions of section 148(1) of the Act as specified by the Central Government. The Cost Audit Report, for the year ended 31st March, 2025, was filed with the Central Government within the prescribed time.

In accordance with the provisions of Section 148 of the Act read with the Companies (Audit and Auditors) Rules, 2014,

since the remuneration payable to the Cost Auditor for Financial Year 2026-2027 is required to be ratified by the members, the Board recommends the same for approval by members at the 63rd AGM.

Pursuant to Section 148 of the Act read with the Companies (Cost Records and Audit) Rules, 2014, the Central Government has prescribed audit of cost records for certain products. Accordingly, the Company needs to carry out cost audit of its products. M/s Jatin Sharma & Company, Cost Accountants, [Firm Registration No. 101845] were appointed by the Board of Directors to carry out the cost audit during the Financial Year 2026-2027.

RELATED PARTY TRANSACTION AND POLICY

In terms of Section 188(1) of the Act, all related party transactions entered into by the Company during Financial Year 2025-2026 were carried out with prior approval of the Audit Committee. Omnibus approval is obtained for the transactions which are foreseen and repetitive in nature. No approval of the Board was required as all transactions were on an arm's length basis and in the ordinary course of business. There are no material significant related party transactions made by the Company during the year that would have required shareholder approval under Regulation 23(4) of the Listing Regulations. A statement of all related party transactions is presented before the Audit Committee on a quarterly basis, specifying the nature, value and terms and conditions of the transaction. The particulars of contracts or arrangements with related parties in the Form AOC-2 attached as "Annexure – A".

LABOUR CODE

On November 31, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working

Conditions Code, 2020 – consolidating 29 existing Labour Laws. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations.

The Management of the Company has considered restructured compensation of its employees with effect from April 1, 2025, and assessed the impact of the changes, consistent with the Labour Codes, draft rules, FAQs and legal opinions. The Company continues to monitor the finalization of Central / State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments as needed.

Pursuant to the applicability of the Labour Codes effective November 21, 2025, a subset of the workforce may qualify as 'workers', and corresponding financial provisions have been recognized in the financial statements. However, systems to identify such categories and ensure compliance with the Labour Codes are currently being implemented.

Additionally, pursuant to the Government of India notifying the four Labour Codes (consolidating 29 existing labour laws), the Company has assessed and disclosed the incremental impact of these changes amounting to INR 3,22,16,000/- (approx.) primarily arising due to change in definition of wages that is applied while computing the respective components in respect of past service periods.

VIGIL MECHANISM

The Company already has put in place a policy to prohibit managerial personnel from taking adverse personnel action, employees disclosing in good faith, alleged wrongful conduct on matters of public concern involving violation of any law, mismanagement, and misappropriation of public funds, among others. Employees can raise concerns regarding any discrimination, harassment, victimization, any other unfair practice being adopted against them or any instances of fraud by or against your Company. Employees aware of any alleged wrongful conduct are encouraged to make a disclosure to the Audit Committee. No personnel of the Company were denied access to the Audit Committee.

MATERIAL CHANGES AND COMMITMENTS

ANNEXURE "B" TO THE DIRECTORS' REPORT

Disclosures on C.S.R. Activities

A brief outline on the CSR policy of the Company: At Frick India Limited, business success is not just about profits and shareholder returns. We believe in pursuing wider socio-economic and cultural objectives and have always endeavored to not just live up to it, but to try and exceed the expectations of the communities in which we operate. The definition and scope of corporate responsibility is quite vast. Terms like corporate responsibility, corporate social responsibility, sustainable development, corporate philanthropy, corporate citizenship, corporate consciousness, responsible business etc. are used interchangeably. Now, the investors and shareholders are no longer the only stakeholders in the business.

Business draws on resources both natural and social from the society and planet and provides products and services to the society. It forms an integral part of the society and is responsible and accountable to a wide range of stakeholders i.e. customers, employees, supply chain, nature, environment, regulatory bodies etc. With the emergence of corporations and conglomerates, the pressure on business on corporate governance, ethics, values and disclosures have increased. Along with regulatory frameworks a number of voluntary frameworks and guidelines require businesses to disclose the manner in which the business is being conducted. In India, the Companies Act, 2013 mandates Corporate Social Responsibility (CSR) activities to be undertaken by companies meeting the criteria specified in the Act.

Key features of the CSR Policy areas under:

- 1) The broad guiding principles for selection of CSR activities include needs assessment, if required, programme identified/adopted will be adaptive and flexible to meet the changing dynamics with focus on long term sustained impact rather than one-time impact or requiring continuous intervention.
- 2) The implementation of the identified CSR activities shall be carried out either directly by the Company and/or through an implementing agency.
- 3) A robust monitoring mechanism is in place to ensure that the CSR projects/ programs are undertaken effectively in accordance with the approval granted and fully in compliance with applicable laws, rules and regulations. Monitoring of CSR activities is achieved through:
 - a. Periodic assessment of key projects
 - b. Impact assessment with key indicators in our area of operations (if any)
 - c. Regular review by CSR Committee
- 4) The Committee will place for the Board's approval, an annual action plan delineating the CSR programmes to be carried out during the financial year and the succeeding years in the case of Ongoing Projects along with the specified budget thereof.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENTS

FRICK INDIA LIMITED was incorporated as a Public Limited Company in 1962. Frick India is now independent and has diversified and developed into one of the top-ranking companies and its equipment is rated amongst the world's best in terms of equipment range and applications.

Today, Frick India Limited is one of the largest equipment manufacturer and turnkey solution provider for industrial refrigeration in India.

The global refrigeration compressors market was valued at USD 28.79 billion in 2025 and is projected to reach USD 46.81 billion by 2035, registering a compound annual growth rate (CAGR) of 4.98% over the period of 2025-2035. This growth is primarily driven by increasing urbanization and a rising global population, which are fueling the demand for fresh and frozen food products. Reliable refrigeration systems are essential for preserving quality and extending shelf life. Additionally, the expanding food and beverage industry, alongside rising disposable incomes and evolving consumer lifestyles is contributing significantly to the demand for efficient refrigeration solutions.

Shifting consumer preferences toward fresh, frozen, and ready-to-eat foods have significantly increased the need for high-efficiency refrigeration across the value chain including food processing, cold storage, retail, and residential applications.

The Company also installs industrial turnkey projects and uses over 63 years of experience in industrial refrigeration compressor manufacturing in good stead to give energy efficient and reliable refrigeration systems in India. Besides Company has exported equipment to approx. 50 other countries across the world. Its manufacturing facilities are located at Faridabad (Haryana), an industrial township in the periphery of the national capital & are spread over a 22 acre multi-block complex.

The main customer base of the Frick India is Dairy industry and Food processing industry. Frick India has unmatched advantage of providing a single source responsibility for turnkey refrigeration systems covering design, manufacture, packaging, installation and service to standard specifications as well as custom-built to meet customers' special requirements. With collaboration and technologies from U.K., Japan, U.S.A. and Europe, Frick India also provides on line Frick Energy Management System (FEMS) for almost all industrial Refrigeration Applications. The Company is presently manufacturing a lot of equipment like various types of Compressors, and packages Condensers, Air handling units, Heat Exchanger & pressure vessels, Liquid re-circulation pump, Ice-making equipment, Flute & blast freezers, Packages chillers etc. used in Food / Industry. Besides the Company has completed jobs in Chemical, Fertilizer and other industrial chillers and has good potential for growth in these industries.

INDIAN COMPRESSOR MARKET TRENDS & DRIVERS**Inclination toward Rotary Screw Compressor**

The inclination toward rotary screw compressors is currently being witnessed in the market. Presently, screw compressors are widely used for compressing air, processing gas, and refrigerants.

As compared to reciprocating compressors, rotary compressors provide high capacities of compressed air with minimum installation space.

The physical size of the compressors is smaller, thus they are considered to provide high reliability, resulting in lower maintenance costs and reduced downtime, as compared to reciprocating machines.

These compressors are increasingly being used in industries, including food packaging and automated manufacturing, which require continuous pressurized air.

STRENGTHS**1. Strong Manufacturing Base in India**

Manufacturing since 1962 with an integrated facility in Faridabad.

In-house foundry, machining, assembly, testing, automation, and quality control capabilities.

Reduced dependence on imported components and shorter lead times for Indian customers.

2. Energy-Efficient in-house Screw Compressor Technology

Variable V_r (Volume Ratio) technology claims power savings compared with conventional fixed-V_r compressors.

High-efficiency N-profile rotors with optimized leakage and lower internal friction.

Strong focus on reducing operating costs, which is a major concern in refrigeration plants.

3. Wide Product Range

Screw compressor blocks and packages from M5M, P3S and 220C series.

Reciprocating compressor series (F-270, 450XL, 502C).

Primarily Supports ammonia, CO₂, and other environmental friendly gases has also completed jobs for Propane, Butane, HFCs and other inert gas applications.

Suitable for food processing, cold storage, dairy, seafood, brewery, chemical and pharmaceutical industries. Also supplies gas compressor packages for B.O.G applications.

4. Strong Service and Spare Parts Availability

Local manufacturing enables faster spare-part availability in India.

Extensive service support network in India has its own service teams to give customized service to discharge customer base. Employ a cloud-based CRM System.

Online monitoring and rectification capability exists. Drastically cuts down time and cost of service.

Keeping machines operational over a 20-25 year life span.

Significant advantage over imported compressor brands where spare parts may require international procurement.

5. Certifications and Compliance

Products designed to API-619 standards.

ISO, CE, EAC, ASME and EIL certifications strengthen customer confidence.

Performance testing conducted according to recognized standards.

WEAKNESSES

1. Limited Global Brand Recognition

- Very strong in India and selected export markets, but global recognition is lower compared to other global players.

2. Perception Challenge in Premium Markets

- Some international consultants and EPC contractors still favor imported European, Japanese or US brands for large flagship projects primarily on account of Past performance.
- International support infrastructure is under process of development.

3. Export Footprint Smaller Than Global Leaders

- Global competitors possess larger sales networks and aftermarket infrastructure across multiple continents.

OPPORTUNITIES AND THREATS

The government has been promoting more food production and cold chain activity including granting subsidies in a step to reduce food wastage and increase farmer's income. FI has over the year added anonymously towards food storage capability and nutrition for the nation. This induce faith and future of milk products and milk farmers of food products storage and processing. The Indian cold storage market size reached INR 2,535.87 Billion in 2025 and it is projected to reach INR 6,061.7 billion by 2033; exhibiting a growth rate (CAGR) of 10.86% during 2025-2033. The Indian Cold Storage Market is anticipated to flourish in the forecast period attributed to government initiatives such as PM Kisan Samman Yojana and others coupled with burgeoning necessity of cold storage rooms in agriculture sector to avoid post-harvest losses which accounts for around 28% of the total food produce owing to lack of proper storage conditions, opportunities in Indian cold chain assets. Also 75% of the cold storage facility are suitable only for storing single commodities, mainly potatoes. The surge in online grocery, processed foods and pharmaceuticals sales have opened up ample opportunities for developers and third-party logistics players to develop multi-purpose cold chain facilities in India. The Company is focusing in increasing its sales in domestic as well as Export.

Cold chains impart storage and distribution services for products that have to be maintained at a given temperature. India is currently the world's largest producer of milk, second largest producer of fruits and vegetables and has a

substantial production of marine, meat and poultry products. Most of these products are temperature sensitive and require specific temperature ranges to be stored and transported. This has resulted in the establishment of a very large cold chain infrastructure in the country.

Currently, India has about 8,815 cold storage facilities with a combined capacity of 40.2 million tons (MT) as of late 2025 and about 10,000 actively refrigerated vehicles, most of which are operated by small cold storage and/or transport service providers. Cold storage industry annually grows by 12-15 per cent in bulk storage capacity. As consumer preference and habits for food ranging from vegetables, fruits and eatables, cold storage would combine to be grown. We see expansion of frozen vegetable capacity as major difference prevailed in season and off season price. Frick India equipment and application are widely used in food related refrigeration applications. Frick India can produce customized refrigeration plants for:

- Pre-Cooling (98% RH)
- Controlled/ Modified Atmosphere Cold Storage
- Cold Stores for Fruits & Vegetables
- Ripening Rooms
- High Humid Ware Houses
- IQF
- Frozen Stores
- Chilling Units
- Water Chillers, Plate Ice makers

Frick India Limited vide its products and manufacturing facilities at present has been serving following industries:

- I. Dairies and Ice cream Industries
- II. Food and Agriculture Industries
- III. Beverages and Brewery Industries
- IV. Refrigeration System For Chemical & Pharmaceutical Industries
- V. Refrigeration System For Meat/Poultry & Sea Food Industry
- VI. Air-Conditioning
- VII. Low Temperature Application

Organized retail continues expected to be amongst the biggest drivers of the cold chain market in India. With the growth of the organized food retail, we expect consumers to get access to a very large variety of fresh fruits and vegetables, dairy products, meat and poultry products and a number of other temperature sensitive commodities that require cold chain storage and transportation. Most of the organized retail players have already acknowledged that setting-up of a strong cold chain infrastructure is a key step in efficiently managing their supply chains.

There has been a marked increase in the consumer demand for processed foods. The Indian government has also announced the intent of establishing several mega food parks. This augurs well for the development of the cold chain industry in the country.

Due to increasing risks and investments in grain crops, farmers are moving towards cultivation of fruits and vegetables. Most of these crops require refrigeration and hence are expected to encourage the development of cold storage facilities.

A number of healthcare products such as vaccines, bio pharmaceuticals as well as clinical trial materials are heat sensitive and must be stored at temperatures ranging from 2°C – 8°C. With India's vaccine, bio pharmaceutical and clinical trials market expected to grow at double digit growth rates, we expect a strong demand of efficient cold chain facilities in the coming years.

The consumption of ready-to-eat products, beverages, and frozen food has increased considerably worldwide in the recent years, which is further boosting the demand for commercial refrigeration equipment. Rising disposable income, along with the increasing impact of western lifestyle has fueled the acceptance of such products among the large middle-class consumers of developing countries. The changed food consumption trend is being supported by rapid expansion of supermarkets, hypermarkets and food and restaurant chains around the world.

The increased number of such stores has also forced small grocery retailers and unorganized restaurants to upgrade their infrastructure, with improved electronic appliances including commercial refrigeration equipment. Frick India has been providing refrigeration solution to almost all the vital industries, related to Food and Agriculture, Dairy Production, Meat, Fisheries and Livestock, Beverages and Breweries.

Major vegetables grown are Potato, Onion, Tomato, Cauliflower, Cabbage, Bean, etc. The major fruits grown in India are Mangoes, Grapes, Apple, Apricots, Orange, Banana, Papaya, etc., accounts for 40 percent of the national fruit production and India is one of the leading exporters of fresh table grapes to the global market. The changing food habits are discernible. There has been a positive growth in ready-to-serve beverages, fruit juices and pulps, processed fruits and vegetables products and fruits, pickles and chutneys, etc.

Nearly one-third of our horticultural produce, especially fruits and vegetables are wasted, mainly on account of poor cold storage and other storage facilities. Wastage of fruits and vegetables due to poor post-harvest management and lack of cold chain facilities have been estimated to cost up to Rs 500 billion annually. The country also experiences wide fluctuations in prices of horticultural produce, particularly potatoes and onions. The cold storages will help boost exports of agricultural and allied produce, marine produce etc.

Various scheme has also been implemented by ICABARD/NCDC/NHB. National Horticulture Board towards construction, expansion and modernization of cold storages for horticulture products, to promote setting up of cold storages in the country for reducing post-harvest losses. Furthermore, stringent regulations and quality standards, such as the Food Safety and Standards Authority of India (FSSAI) guidelines, mandate proper storage and handling of perishable goods, thus further fueling the India Cold Storage Market Growth.

The Government which subsidizes a major portion of the farmers' costs in an effort to uplift them also loses money in this wastage. Hence proper cold chain infrastructure is the need of the hour. Frick India proposes appropriate technologies for Indian Cold Chain where high-value fruits and vegetables can be kept for longer periods thereby adding some value for the farmers. Fresh and frozen fruits, vegetables are other perishable food commodities which require a cold stream, right from harvesting to consumption, to maintain quality, nutritive value and hygienic safety of the products. Any break in this cold-chain can cause heavy loss due to biological deterioration. The Company has been providing refrigeration solution to almost all the vital industries, related to Food and Agriculture, Dairy Production, Meat, Fisheries and Livestock, Beverages and Breweries, Chemical and Pharmaceutical industry etc.

Manufacturing has emerged as one of the high growth sectors in India. Prime Minister of India, Mr. Narendra Modi, had launched the 'Make in India' program to place India on the World map as a manufacturing hub and give global recognition to the Indian economy. In the present scenario, owing to the necessity for boosting the industrial strength of India, there are a lot of processes requiring refrigeration equipment.

The expansion of organized food retail services, along with the increasing demand for fresh fruits and vegetables, dairy products, meat and poultry items etc., represent some of the factors driving the Indian cold chain market.

PRODUCT WISE PERFORMANCE

Product / Technology	Key Features & Performance Highlights
Ammonia Refrigeration	Ammonia remains the primary eco-friendly refrigerant choice for bulk cold storage. The newly launched Hermetically Sealed Liquid Ammonia Pump reduces power consumption and is deployed globally.
Screw Compressors	Features "No Pump Technology" and "Variable V _i ," saving 2%-5% power compared to conventional market competitors.
Reciprocating Compressors	Special engineering yields 1%-3% power savings; gas-cooled variants keep oil carryover below 10 ppm with coalescing oil separators.
Vapour Absorption Systems	Aqueous ammonia systems for low-temperature freezers delivering improved Co-efficient of Performance (COP) and lower steam consumption.
Customized Heat Transfer	Manufacturing ASME-certified pressure vessels, evaporative condensers, PUF panels, and aluminium-finned cooling coils ("A" & "S" Series).

RISK AND CONCERNS

In any business, risks and prospects are inseparable. Frick is a well-known entity and is also exposed to various risks and uncertainties and has access to opportunities across its global presence.

The performance, future prospects and cash flow generation could be materially impacted by any of these risks or opportunities. As a responsible management, the Company's principal endeavor is to maximize returns. The Company continues to take all steps necessary to minimize its expenses through detailed studies and interaction with experts. Further, there are constant review meeting at management level to discuss and analyse various near term and long-term risk and formulate plans to mitigate the same.

Input Cost Risks

Risk: The key raw material consumed by the Company has been very volatile and sudden change can have an adverse impact on the Company's operating margins.

Concern: The Company has many long-term contracts with its major OEM customer where the raw material cost has been passed through.

Financial Risks

Risk: Financial risks relates to the Company's ability to meet its financial obligations and lessen the impact of various factors like interest rates, foreign currency exchange rates, credit rating etc. It also includes any risk to servicing pension obligations and to financial ratios due to impairment.

Concern: Company is well positioned to service financial risk and facilitates its growth objectives. The Company has adequate measures to deal with all types of financial risks.

Legal and Compliance risks

Risk: Legal and compliance risks relate to risks arising from outcome of legal proceedings; government action, regulatory action, which could result in additional costs.

Concern: Company has ensured compliance of all laws applicable to the Company and effectively monitors through efficient compliance management system.

OUTLOOK

The outlook for the Company for the coming years continues to be positive. Most of the customers have indicated robust growth plans which augurs well for the growth of the Company. However, due to COVID-19 lasting impact on the manufacturing and service sector, there are challenges with the supply chain, procurement of raw material, and a slight slow-down in the demand of the products which the Company has been overcoming now, also, due to limitation of the Labour/workforce, as per the government guidelines, the manufacturing capabilities had recorded some decrease in the production as compared to what the Company use to produce and sell in the normal scenarios.

According to the Ministry of Statistics and Programme Implementation (MoSPI), India's Real GDP grew by 7.7% in FY 2025-2026, led by strong expansion in manufacturing (10.7%) and services (11%).

Initiatives such as Make in India, the expansion of national food parks, and stringent FSSAI safety norms present structural tailwinds for industrial equipment manufacturers. With robust technology, an expanding export footprint across 50 countries, and continuous investment in new product development (e.g., FEMS, sustainable ammonia systems), Frick India remains well-positioned to capitalise on the next wave of industrial and cold-chain infrastructure growth.

FINANCIAL AND OPERATIONAL PERFORMANCE

Following are the financials highlights of the Company for the year ended March 31, 2026 on a comparable consolidated basis.

a. Total revenue has registered an increase of 8.6% from Rs. 44762.59/- Lakhs in 2024-25 to Rs. 48619.93/- Lakhs in 2025-26.

a. Profit before tax (PBT) registered a decrease by 41.01% from Rs. 4618.66/- Lakhs in 2024-25 to Rs. 2728.57/- Lakhs in 2025-26.

a. Profit after tax (PAT) registered a decrease of 41.95% from Rs. 3883.68 lakhs in 2024-25 to Rs. 2022.40/- Lakhs in 2025-26.

DETAILS OF CHANGES IN RETURN ON NET WORTH

Sr. No.	Particulars	2025-26	2024-2025
1	Net Worth (Rs. in lakhs)	32833.38	30819.69
2	Return on Net worth	6.16	11.3

As per the above table return on net worth is decreased by 45.49% for the year ending on 31st March 2026 in comparison to the previous year ended on 31st March 2025.

DETAILS OF SIGNIFICANT CHANGES IN KEY FINANCIAL RATIOS AS COMPARED TO THE IMMEDIATELY PREVIOUS FINANCIAL YEAR

As per the latest amendment as introduced by SEBI via SEBI (Listing Obligations & Disclosure Requirement) (Amendment)

Regulations, 2018 on May 09, 2018, effective from April 01, 2019, new sub-clause (f) has been inserted in Clause I in Part B of Schedule V of SEBI (Listing Obligations & Disclosure Requirement), Regulations, 2015 according to which the listed entity shall provide the details of significant changes (i.e. change of 25% or more as compared to the immediately previous Financial Year) in key financial ratios, along with the detailed explanations thereof, including:

Ratios	Financial Year 2025-2026	Financial Year 2024-2025	Change from last year %
Debtors Turnover Ratio	4.91 times	3.93 times	24.85% increase
Inventory Turnover Ratio	5.00 times	5.74 times	12.82% decrease
Interest Coverage Ratio	58.88 times	54.55 times	7.97% increase
Current Ratio	2.58 times	2.90 times	11.06% decrease
Debt Equity Ratio	0.08 times	0.02 times	237.73% increase

ANNEXURE "D" TO THE DIRECTORS' REPORT

CORPORATE GOVERNANCE REPORT FOR THE YEAR ENDED MARCH 31, 2026

[Pursuant to Schedule V(C) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations")]

1. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

The Corporate Governance at Frick India Limited takes care of overall well-being, sustainability and transparency of the system and takes into account the stakeholders' interest in every business decision. Corporate Governance is a combination of voluntary practices and compliances of laws and regulations leading to effective control and management of the Organisation and its valuable resources through effective and transparent business conduct, integrating communication, integrity and accountability towards its stakeholders.

On September 2, 2015, the Securities and Exchange Board of India (SEBI) introduced the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, effective from December 1, 2015, replacing the erstwhile Listing Agreement with the Stock Exchange. The Company has promptly taken all necessary steps to implement the revised norms of Corporate Governance. The Company understands that compliances of applicable legislations and timely disclosures enhance the image of the Company as a good corporate citizen in the Country.

Frick India Limited has always believed in and followed the best business practices and has been compliant with all the laws, exercised fairness and integrity in all its dealings, thereby reiterated its commitment to enhancement of stakeholders' value. The Company has a defined set of guidelines for its internal governance based on business ethics, legal compliance and professional conduct. The Company has been transparent in its accounting practices and procedures, in framing and adhering to policies and guidelines, in insisting on responsibility and accountability and by regular audit of its policies and procedures.

1. BOARD OF DIRECTORS

COMPOSITION AND CATEGORY OF DIRECTORS

A. COMPOSITION AND CATEGORY OF DIRECTORS

The Company's Board comprises of an appropriate combination of Executive, Non-Executive Directors and Independent Directors as on 31st March, 2026, the Board has 7 Directors out of which one is Executive Director, two are Non-Executive Directors and four are Independent Directors who are persons of eminence with experience in the fields of finance, taxation, trade and industry. Hence, the Board's composition is in line with the Corporate Governance requirements in terms of Regulation 17 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), at least 50% of the Board should comprise of Non-Executive Independent Directors with at least one woman director. The Independent Directors constituted more than 50% of the Board as on 31st March, 2026. The Company has two women Directors on the Board who are holding offices as Non-Executive Directors.

B. DETAILS OF ATTENDANCE

Details of attendance of each Director at Board Meetings and at the last year's 62nd Annual General Meeting with particulars of their other Directorships and Chairmanship/Membership of Board Committees showing the position as at 31st March, 2026 are given hereunder:

- (r) The Industrial Employment (Standing Orders) Act, 1946 and the rules made thereunder (including any statutory modification(s) or re-enactment thereof for the time being in force);
- (s) The Noise Pollution (Regulation and Control) Rules, 2000 (including any statutory modification(s) or re-enactment thereof for the time being in force);
- (t) The Air (Prevention and Control of Pollution) Act, 1981 and the rules made thereunder (including any statutory modification(s) or re-enactment thereof for the time being in force);
- (u) The Environment (Protection) Act, 1986 and the rules made thereunder (including any statutory modification(s) or re-enactment thereof for the time being in force);

- (iv) The Information Technology Act, 2000 and the rules made thereunder (including any statutory modification(s) or re-enactment thereof for the time being in force);

Accordingly, the responsibility for ensuring compliance with such applicable laws, relevant statutory filings of return and maintaining of adequate records in this regard rests with the Management and the concerned officials of the Company.

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standard-1 and Secretarial Standard-2 as issued by The Institute of Company Secretaries of India and notified by Central Government.
- (ii) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- (iii) General Circular no. 09/2024 dated September 19, 2024 read with General Circular no. 14/2020 dated April 08, 2020, General Circular no. 17/2020 dated April 13, 2020 and General Circular no. 20/2020 dated May 05, 2020 issued by the Ministry of Corporate.

Affairs to hold Annual General Meeting through Video Conferencing (VC) or Other Audio-Visual Means (OAVM).

During the period under review, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above. Further, it is recommended that the better governance and compliance of the applicable laws including SEBI circulars, Secretarial Standards, stricter compliances and applicability with respect to the disclosures and timelines to be adhered by the Company in true letter and spirit. Further, during the Relevant Audit Period, we have the following observations:

1. Pursuant to the provision of Section 124 of the Companies Act, 2013 read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, a Company whose dividend remains unpaid/unclaimed for a period of seven consecutive years shall be required to transfer such shares to the special purpose DEMAT Account, accordingly, the Company was required to transfer such shares into DEMAT Account of IEPF. We have been informed that during the Financial Year 2017-18, 2018-19, 2019-20, 2020-21, 2021-22, 2022-23, 2023-24, 2024-25 and 2025-26, the Company has been receiving several request(s) from certain shareholders claiming their unpaid dividend for past years and therefore due to change in shareholders details as available in the records of the Company, the Company is taking time in identifying the authenticity of the registered shareholders, who have not encashed the dividend warrants for a continuous period of last seven years and hence, Form IEPF-4 for filing of statement of shares transfer to IEPF could not be filed till date. The management of the Company is taking appropriate measures to comply with the above-mentioned provision of the Act.
2. The Company had initially filed Form(s) FC-GPR with the Reserve Bank of India through its Authorized Dealer (AD) Bank, following the allotment of bonus equity shares of the Company dated October 4, 2024, in compliance with FEMA regulations. However, the said form(s) FC-GPR were consecutively rejected. Further, the Company has re-filed Form FC-GPR on May 26, 2025, taking note of further observations/queries raised by the AD Bank.
3. The Company has not filed Annual Return in Form FLA (Foreign Liabilities and Assets) as required under FEMA regulations, however, the management of the Company is in process of filing the Annual Return.

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors (including women directors) and Independent Directors. The Board composition is as per the applicable provisions of SEBI (LODR) Regulations, 2015.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and duly acknowledged by the Directors of the Company and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decisions is carried through, however, there were no dissenting views captured in minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the Relevant Audit Period, the Company has following specific events/actions that took place having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. referred to above:

1. Mr. Shreshth Bhattacharya had stepped down from his position as Director (Finance & Taxation) and Chief Financial Officer

(CFO) of the Company, vide resignation letter dated July 29, 2025, effective from October 31, 2025;

2. Mr. Mukesh Was appointed as the Chief Financial Officer (CFO) of the Company upon recommendation of Audit and Nomination and Remuneration Committee with effect from November 01, 2025 in order to maintain the growth pace and to help the Company in seamless continuity in financial operations and strategic leadership and in compliance with the applicable provisions.

NOTE: This report is to be read with our letter of even date which is annexed as 'Annexure A' and forms an integral part of this report.

INDEPENDENT AUDITOR'S REPORT

To the Members of Frick India Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Frick India Limited ("the Company"), which comprise the Standalone Balance Sheet as at 31st March 2026, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including material accounting policies and other explanatory information (hereinafter referred to as 'standalone financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2026, its profit (including Other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the financial year ended 31st March 2026. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the standalone financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement therein, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management and those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position/state of affairs, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including Ind AS specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities;

selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for insuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error; design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report.

because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of Section 143(11) of the Act, We give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except for the matters stated in paragraph 2(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended) ("the Rules").
 - c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss including other comprehensive income, the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Companies (Indian Accounting Standards) Rules, 2015 as amended.
 - e) On the basis of the written representations received from the directors as on 31st March 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2026 from being appointed as a director in terms of Section 164 (7) of the Act.
 - f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 2(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended).
 - g) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements—Refer Note No. 32 to the standalone financial statements.
 - ii. The Company has made provision, as required under the applicable law or Indian accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. In reference to transferring of amount required to be transferred to the Investor Education and Protection Fund by the Company, during the year ended 31st March 2026, as stated in note no. 48 of the standalone financial statements, the Company has been receiving several request(s) during the financial year 2017-18 to 2025-26 from certain shareholders claiming their unpaid dividend for past years. For the reasons stated in the said note the Company has not filed Form IEPF-4 for filing of Statement of shares transfer to IEPF relating to dividend remaining unpaid/ unclaimed for a period of seven consecutive years.
 - iv.
 - a) The management has represented that to the best of its knowledge and belief, as disclosed in Note No. 58 (c) (i) to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("intermediaries"), with the understanding, whether recorded

in writing or otherwise, that the Intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries

- b) The management has represented that, to the best of its knowledge and belief, as disclosed in Note No. 59 (c) (ii) to the standalone financial statements, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of the Rule 11(e) of Companies (Audit & Auditors) Rules, 2024 (as amended), as provided under (a) and (b) above, contain any material misstatement.
- v. The dividend declared and paid by the Company during the year is in accordance with section 123 of the Act, as applicable. As stated in Note No. 15:6 to the standalone financial statements, the Board of Directors of the Company has proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend proposed is in accordance with section 123 of the Act, as applicable.
- vi. Based on our examination which included test checks and written representations received from the management, the Company has used an accounting software for maintaining its books of accounts during the year ended 31st March 2026, which has a feature of recording audit trail (edit log) facility except (a) at application level it could not be ascertained if the audit trail had operated throughout the year (b) audit trail is not enabled at the database level. Further, during the course of audit we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.
- ii) In our opinion and to the best of our information and according to the explanations given to us, the managerial remuneration for the year ended 31st March 2026 has been paid/ provided for by the Company to its directors in accordance with the provisions of Section 197 read with Schedule V to the Act.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 1 under "Report on Other Legal and Regulatory Requirements" section of our report of even date on the Standalone Financial Statements of Frick India Limited for the year ended 31st March 2026]

- I.
- (a)
 - (A) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment.
 - (B) The Company has maintained proper records showing full particulars of Intangible assets.
 - (b) The Company has a regular programme of physical verification of its Property, Plant and Equipment by which Property, Plant and Equipment are verified in a phased manner over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and nature of its Property, Plant and Equipment. Based on information and records provided, no material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us and on the basis of our examination of the property tax receipts and lease agreements and/ or registered sale deed / transfer deed / conveyance deed, provided to us, we report that, the title deeds of all the immovable properties disclosed (other than properties on lease where the Company is the lessee and lease agreements are duly executed in favour of the lessee) in the standalone financial statements and included in property, plant and equipment, are held in the name of the Company as at the balance sheet date.
 - (d) The Company has not revalued its Property, Plant and Equipment or intangible assets or both during the year. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant, and Equipment or intangible assets does not arise.
 - (e) Based on the information and explanations furnished to us, no proceedings have been initiated or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) [formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)] and rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in its standalone financial statements does not arise.
- II.
- (a) As per the physical verification program, the inventories of the Company (except for stock lying with the third parties and in transit, which have been verified based on confirmations and subsequent receipts) were physically verified during the year by the Management at reasonable intervals. In our opinion and according to the information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. Discrepancies noticed were not of 10% or more in the aggregate for each class of inventories on such physical verification were compared with the books of account and have been properly adjusted.
 - (b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, at points of time during the year, from banks on the basis of security of current assets. In our opinion and according to the information and explanations given to us, and as disclosed in Note No. 50(i) of the Standalone Financial Statements, the quarterly returns / statements filed by the Company with such banks are generally in agreement with the books of account of the Company of the respective quarters.
 - (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has made investment in and granted unsecured loans or advance in the nature of loan but not provided any guarantee or security to companies, firms, limited liability partnerships or any other parties during the year.
 - (d) The Company has during the year, provided loans to other parties (employees), as per details below:

(Amount in Lakhs)

Particulars	Loans
A. Aggregate amount granted / provided during the year:	
- Others	134.50
B. Balance outstanding as at 31 st March 2026 in respect of above case:	
- Others	83.76

- (b) According to the information and explanations given to us and based on the audit procedures conducted by us, we are of the opinion that the investments made in and the terms and conditions of the loans and advances given are, prima facie, not prejudicial to the interest of the Company.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of loans and advances given by the company as stated above in para (a), the schedule of repayment of principal and payment of interest, if any has been stipulated and the repayment or receipts have been regular.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no overdue amount for more than ninety days in respect of loans given during the year.
- (e) According to the information and explanation given to us and on the basis of our examination of the records of the company, there is no loan given falling due during the year which has been renewed or extended or fresh loans given to settle the overdue of existing loans given to the same party.
- (f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not granted any loans which are repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) is not applicable.
- (v) In our opinion and according to information and explanation given to us, in respect of investments made and loans given, the provisions of section 185 and Section 186 of Companies Act, 2013 have been complied with to the extent applicable and the Company has not provided any guarantees or security to parties covered under section 185 and Section 186 of the Act.
- (vi) In our opinion and according to the information and explanations given to us, the Company has not accepted deposits or amounts which are deemed to be deposits within the meaning of section 73 to 76 of the Act or any other relevant provisions of the Act and the rules framed there under (to the extent applicable). Therefore, the provision of clause 3(v) of the Order are not applicable to the Company. We have been informed that no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or other Tribunal in this regard.
- (vii) We have broadly reviewed the books of account maintained by the company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Act in respect of the company's products and services to which the said rules are made applicable and are of the opinion that prima facie, the prescribed records have been made and maintained. We have, however, not made a detailed examination of the said records with a view to determine whether they are accurate or complete.
- viii. According to the records of the company and information and explanations given to us, in respect of statutory dues:
- The Company is regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities to the extent applicable and there are no such undisputed statutory dues payable for a period of more than six months from the date they became payable as at 31st March 2026;
 - Details statutory dues, referred to in sub-clause (a) above, which have not been deposited as on 31st March 2026 on account of disputes are given below:

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls with reference to standalone financial statements under Clause (j) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("The Act")

We have audited the internal financial controls with reference to standalone financial statements of Frick India Limited ("the Company") as of 31st March 2026 in conjunction with our audit of the standalone financial statements of the Company for the Year ended on that date.

Management's Responsibilities for Internal Financial Controls

The Company's Management are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements both applicable to an audit of internal financial controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to standalone financial statements

A company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles; and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to standalone financial statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements,

Including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at 31st March 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Notes to the Standalone Financial Statements as at and for the year ended 31st March, 2026

1. COMPANY OVERVIEW AND MATERIAL ACCOUNTING POLICIES**I. Company Overview**

Frick India Limited (the 'Company') is a public limited Company domiciled in India with its registered office located at 11-5 km., Main Mathura Road, Faridabad - 121003 (Haryana). Its shares are listed on the Metropolitan Stock Exchange of India Limited. The Company is engaged in the business of manufacturing of industrial refrigeration & air-conditioning equipment.

These financial statements were approved and adopted by board of directors of the Company in their meeting held on May 27, 2026.

II. Basis of Preparation of Standalone Financial statements and Significant accounting judgments, estimates and assumptions**(i) Basis of Preparation of Standalone financial statements:**

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other relevant provisions of the Companies Act, 2013 and relevant amendment rules issued thereafter. The Company has consistently applied the accounting policies used in the preparation of its standalone financial statements.

These standalone financial statements have been prepared and presented under historical cost convention on accrual basis, except for the items that have been measured at fair value as required by relevant Ind AS. The standalone financial statements are presented in Indian rupees which is the Company's functional and presentation currency and all amounts are rounded to the nearest lakh and two decimals thereof, except as otherwise stated.

(ii) Significant accounting judgements, estimates and assumptions:

The preparation of these standalone financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies, the accounting disclosures made and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Continuous evaluation is done of the estimates and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognized prospectively.

III. Material Accounting Policies**a. Property, Plant and Equipment****(i) Recognition and Measurement**

Property, plant and equipment are measured at acquisition cost net of tax/duty credits availed, (if any), less accumulated depreciation and accumulated impairment losses, (if any). Cost includes expenses directly attributable to bringing the Asset to their location and conditions necessary for it to be capable of operating in the manner intended by the management. Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as 'Capital work-in-progress'. Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets.

Subsequent cost are included in the asset's carrying amount or recognized as separate asset, as appropriate, only when it is probable that in future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to Statement of profit or loss during the period in which they are incurred.

The cost and related accumulated depreciation are eliminated from the financial statements, upon sale and disposition of the assets and the resultant gains or losses are recognized in the statement of profit and loss.

Assets costing Rs. 7500/- or less are charged to revenue in the year of purchase.

The Depreciation methods, useful lives and residual values are reviewed at the end of each financial year. If any of these expectations differ from previous estimates, such change is accounted for as a change in an accounting

estimate.

(ii) Depreciation

Depreciation on Property, Plant and Equipment has been provided on written down value method as per the useful life of assets, as estimated by the management, which is in line with Schedule II to the Companies Act, 2013. The estimated useful lives of the assets are as follows:

Building	30/50 Years
Jig & Dies	8-15 Years
Plant and Equipments	15 Years
Electrical Fitting & Installation	10 Years
Furniture and fixtures	10 Years
Vehicles	8/10 Years

b. Intangible Assets

Intangible Assets are recognized, if the future economic benefits attributable to the assets are expected to flow to the company and cost of the asset can be measured reliably. Such Intangible Assets are measured at cost less any accumulated amortization and impairment losses, if any.

Intangible assets with finite lives are amortised on a straight-line basis over the period of their expected useful life. Estimated useful life by major class of intangible assets are as follows:

Computer Software: 3 years
Design & Development: 5 years

The amortization period and the amortization method for an Intangible asset with finite useful life is reviewed at the end of each financial year. If any of these expectations differ from previous estimates, such change is accounted for as a change in an accounting estimate.

c. Research and development

Revenue Expenditure pertaining to research is charged to the statement of profit & Loss. Development costs of products are charged to the statement of profit and loss unless a product's technological and commercial feasibility has been established, in which case such expenditure is capitalized.

d. Inventories

Inventories are valued as under:

- Raw materials, components, construction materials, stores, spares and loose tools at lower of cost or net realisable value.
- Work-in-progress at lower of material cost plus labour cost or net realisable value.
- Finished goods are valued at lower of cost or net realisable value. Cost includes related overheads.
- Contract jobs in progress at sites are valued at lower of Cost or net realisable value.

Cost is computed on first in first out basis. The net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

e. Cash and Cash Equivalents

Cash and Cash equivalents includes cash and cheques in hand, bank balances, demand deposits with banks where the original maturity is three months or less and other short term highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

f. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instrument of another entity.

a) Financial Assets

The Company recognises financial assets when it becomes a party to the contractual provisions of the instrument.

Financial assets include cash and cash equivalents, trade and other receivables, investments in securities and other eligible current and non-current assets.

Initial Measurement

At initial recognition, all financial assets are measured at fair value. Transaction costs that are directly attributable to the acquisition of financial assets, which are not at fair value through profit or loss, are added to the fair value of underlying financial assets on initial recognition. Trade receivables that do not contain a significant financing component are initially measured at their transaction price.

Subsequent Measurement

Such financial assets are subsequently classified under following three categories according to the purpose for which they are held. The classification is reviewed at the end of each reporting period.

I. Financial assets at amortised cost

At the date of initial recognition, are held to collect contractual cash flows of principal and interest on principal amount outstanding on specified dates. These financial assets are intended to be held until maturity. Therefore, they are subsequently measured at amortised cost by applying the Effective Interest Rate (EIR) method to the gross carrying amount of the financial asset. The EIR amortisation is included as interest income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

II. Financial assets at Fair value through other comprehensive income

At the date of initial recognition, are held to collect contractual cash flows of principal and interest on principal amount outstanding on specified dates, as well as held for selling. Therefore, they are subsequently measured at each reporting date at fair value, with all fair value movements recognised in Other Comprehensive Income (OCI). Interest income calculated using the effective interest rate (EIR) method, impairment gain or loss and foreign exchange gain or loss are recognised in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognised in Other Comprehensive Income is reclassified from the OCI to Statement of Profit and Loss.

III. Financial assets at Fair value through profit or loss

At the date of initial recognition, financial assets are held for trading, or which are measured neither at Amortised Cost nor at Fair Value through OCI. Therefore, they are subsequently measured at each reporting date at fair value, with all fair value movements recognised in the Statement of Profit and Loss.

Trade Receivables

A Receivable is classified as a 'trade receivable' if it is in respect to the amount due from customers on account of goods sold or services rendered in the ordinary course of business. All debts and advances are reviewed by the management at the year end by taking into account their age, performance of job, complaints received from customers and other factors. Provision is made by the management after taking into consideration all relevant facts.

Investment in subsidiary, joint ventures and associates

Investment in subsidiary, joint ventures and associates are measured at cost.

Investment in equity shares

Investments in Equity Securities are subsequently measured at fair value through Profit and Loss. Any subsequent fair value gain or loss is recognized through Profit or Loss.

Investments in mutual Funds

Investments in Mutual Funds are subsequently measured at fair value through Profit and Loss. Any subsequent fair value gain or loss is recognized through Profit or Loss Account.

Investments in bonds/Debtenture

Investments in bonds/Debtenture are subsequently measured at fair value through Profit and Loss. Any subsequent fair value gain or loss is recognized through Profit or Loss Account.

Derecognition

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 108.

Impairment

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in profit or loss.

b) Financial Liabilities

The Company recognizes financial liabilities when it becomes a party to the contractual provisions of the instrument.

Financial liabilities include long-term and short-term loans and borrowings, trade and other payables and other eligible current and non-current liabilities.

Initial Measurement

All financial liabilities are recognized initially at fair value. Transaction costs that are directly attributable to the release of financial liabilities, which are not at fair value through profit or loss, are added to the fair value of underlying financial liabilities on initial recognition. Trade payables that do not contain a significant financing component are initially measured at their transaction price.

Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below:

i. Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading. The Company has not designated any financial liabilities upon initial measurement recognition at fair value through profit or loss. Financial liabilities at fair value through profit or loss are at each reporting date with all the changes recognized in the Statement of Profit and Loss.

ii. Financial liabilities measured at amortised cost

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate method ("EIR"). Amortised cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are an integral part of the EIR. The EIR amortisation is included in finance costs in the Statement of Profit and Loss.

Loans and borrowings

Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

Trade and other payables

A payable is classified as 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

Derecognition

A Financial Liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

b. Impairment of Non-Financial Assets

The carrying amount of Property, plant and equipments, Intangible assets are reviewed at each Balance Sheet date to assess impairment if any, based on internal / external factors. An asset is treated as impaired, when the carrying cost of asset exceeds its recoverable value, being higher of value in use and net selling price. An

Impairment loss is recognised as an expense in the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is reversed, if there has been an improvement in recoverable amount.

c. Revenue Recognition

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

An entity shall account for a contract with a customer when all of the following criteria are met:

- the parties to the contract have approved the contract (in writing, orally or in accordance with other customary business practices) and are committed to perform the respective obligations;
- the entity can identify each party's rights regarding the goods or services to be transferred;
- the entity can identify the payment terms for the goods or services to be transferred;
- the contract has commercial substance (i.e. the risk, timing or amount of the entity's future cash flows is expected to change as a result of the contract); and
- it is probable that the entity will collect the consideration to which it will be entitled in exchange for the goods or services that will be transferred to the customer.

In evaluating whether collectability of an amount of consideration is probable, an entity shall consider only the customer's ability and intention to pay that amount of consideration when it is due. The amount of consideration to which the entity will be entitled may be less than the price stated in the contract if the consideration is variable because the entity may offer the customer a price concession.

Sale of goods

Revenue from sale of product is recognised at the point in time when control of the asset is transferred to the customer, usually on dispatch of the goods from the factory/storage area/port respectively. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

Other income

- a. Interest income is accrued on a time basis by reference to the principal outstanding and the effective interest rate.
- b. Dividend income is accounted in the period in which the right to receive the same is established, which is generally when shareholders approve the same.
- c. Export incentives, interest on bonds/debenture and Insurance Claims are accounted for on receipt basis.
- d. Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

i. Employee Benefits

a) Defined contribution plans

Contributions to defined contribution schemes such as employees' state insurance, labour welfare fund, employee pension scheme, provident fund etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

b) Defined benefit plans

Retirement benefits in the form of gratuity are considered as defined benefit plan and determined on actuarial valuation using the Projected Unit Credit Method at the balance sheet date. Actuarial Gains or Losses through re-measurement of the net obligation of a defined benefit liability or asset is recognized in Other Comprehensive Income. Such re-measurements are not reclassified to Statement of Profit and Loss in subsequent periods. Other costs are accounted for in Statement of Profit and Loss.

c) Short Term Employee Benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives

etc., and the expected cost of bonus, ex gratia are recognized during the period in which the employee renders related service.

d) Other Employee Benefits

Entitlements to annual leave and sick leave are recognized when they accrue to employees. Sick leave can only be availed while annual leave can either be availed or encashed subject to a restriction on the maximum number of accumulation of leave. The Company determines the liability for such accumulated leaves using the Projected Accrued Benefit method with actuarial valuations being carried out at each Balance Sheet date.

j. Job Expenses

The expenses incurred on various jobs by our customers and others for which the claims bills are received in succeeding years have been provided for on estimate basis. The claim exceeding the amount of provisions are accounted for in the year in which settled.

k. Claims realised

Claims realised for material lost or damaged are credited to Purchases in the year of settlement.

l. Borrowing Cost

Borrowing cost includes interest, amortisation of ancillary costs incurred in connection with the arrangement of borrowings. Borrowing costs, if any, directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized, (if any). All other borrowing costs are expensed in the period in which they occur.

m. Income Taxes

Income tax is comprised of current and deferred tax. Income tax expense is recognized in the Statement of Profit and Loss, except to the extent it relates to items directly recognized in equity or in other comprehensive income.

Current tax:

Current tax is the amount of income taxes payable in respect of taxable profit for a period. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible under the Income Tax Act, 1961.

Current tax is measured using tax rates that have been enacted by the end of reporting period for the amounts expected to be recovered from or paid to the taxation authorities.

Deferred tax :

Deferred tax is recognized using balance sheet approach on temporary differences between the tax bases of assets and liabilities and carrying amounts of assets and liabilities for financial reporting purpose at reporting date. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

Deferred tax assets are generally recognized for all deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary difference can be utilized. In case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax assets are not recognized.

Deferred tax liabilities are generally recognized for all taxable temporary differences. However, in case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax liabilities are not recognized. Also, for temporary differences (if any) that may arise from initial recognition of goodwill, deferred tax liabilities are not recognized.

Off-setting of assets and liabilities:

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

In case of deferred tax assets and deferred tax liabilities, the same are offset if the Company has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred

tax liabilities relate to income taxes levied by the same tax authority on the Company.

h. Provisions and Contingent Liabilities

The Company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding to settle such obligation and the amount of such obligation can be reliably estimated.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

i. Segment Reporting

The Company is primarily engaged in the business of manufacture, supply and execution of Industrial Refrigeration and Air conditioning systems. As the basic nature of these activities is governed by the same set of risks and returns, therefore, has only one reportable segment.

j. Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

k. Foreign Currency Initial Recognition:

The financial statements are presented in Indian rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

Transactions and balances

Transactions in foreign currencies are initially recorded by the Company at its functional currency spot rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognized in the Statement of profit or loss.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other gains/ (losses).

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognized in OCI or profit or loss are also recognized in OCI or profit or loss, respectively).

c. Earnings per Share

Basic earnings per share is calculated by dividing the net profit attributable to the equity holders of the company by the weighted average number of ordinary shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

s. Lease

Right of Use Assets

The Company recognizes a right-of-use asset, on a lease-by-lease basis, to measure that right-of-use asset an amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments relating to that lease recognised in the balance sheet immediately before the date of initial application.

The cost of right-of-use assets includes the amount of lease liabilities recognised. Initial direct costs incurred and lease payments made at or before the commencement date less any lease incentives received, the recognised right-of-use assets are depreciated on a straight-line basis over the shorter of its estimated useful life and the lease term. Right-of-use assets are subject to impairment test.

Lease Liabilities

The Company recognise a lease liability at the present value of the remaining lease payments, discounted using the lessee's incremental borrowing rate

The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on a lease by lease basis.

In calculating the present value of lease payments, the Company uses the incremental borrowing rate at the lease commencement date if the interest rate implicit in the lease is not readily determinable.

Short-term Leases and leases of low-value assets

The company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered of low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

1. Fair Value Measurements

The Company measures financial instruments at fair value in accordance with the accounting policies mentioned above.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability.
- OR
- in the absence of principal market, in the most advantageous market for the asset or liability. The principal or most advantageous market must be accessible by the Company.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

u. Recent accounting pronouncements

The Ministry of Corporate Affairs ("MCA") notifies new standards / amendments under Companies (Indian Accounting Standards) Rules as issued from time to time. Particulars	2025-26	2024-25
Net foreign exchange (gain) / losses shown As Other income	(5.93)	(46.60)

(c) Other price Risk

Other price risk is the risk that fair value of a financial instrument will fluctuate due to change in market trade price. Other Price risk arises from financial assets such as investment in Equity Instruments, Mutual funds and bonds valued at Fair values. The carrying value of such Financial Instruments are:-

Particulars	As at March 31, 2026	As at March 31, 2025
Investments in Stocks	298.00	247.10
Investments in Mutual Funds	1,724.74	1,587.35
Investment in Bonds/Debtenture	572.60	429.07

B. Credit risk

Credit risk arises from the possibility that counter party may not be able to settle their obligation as agreed. Credit risk primarily arises from financial assets such as trade receivables, other balance with banks, loans and other receivables.

Trade Receivables - The maximum exposure to credit risk is from trade receivable which are unsecured. The company periodically assesses the credit quality of counter parties, taking into the financial condition, current economic trends, past experiences and other factors.

The company has a well-defined sales policy to minimize its risk of credit defaults. Outstanding receivables are regularly monitored and assessed. Impairment analysis is performed based on historical data at each reporting date on an individual basis.

Financial assets are written off when there is no reasonable expectation of recovery, such as customer failing to engage in a repayment plan with the company. Where financial assets have been written off, the company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in Profit or loss.

Other Financial Assets: Credit Risk arising from investment in mutual funds and other balance with bank is limited and there is no collateral held against these because the counterparties are banks and recognised financial institutions with high credit rating assigned by the international credit rating agencies.

The ageing analysis of the trade receivables:

	7,832.72	7,832.72	4,289.77	4,289.77

The following methods and assumptions were used to estimate the fair values:

1. Cash and short-term deposits, trade receivables, loans, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
2. Fair value of investments in quoted mutual funds and equity shares are based on quoted market price at the reporting date.

Fair Value Hierarchy

All financial assets and liabilities for which fair value is measured in the financial statements are categorized within the fair value hierarchy, described as follows:

Level 1 - Quoted prices in active markets.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable, either directly or indirectly.

Level 3 - Inputs for assets or liabilities that are not based on observable market data.

The following table presents the fair value measurement hierarchy of financial assets and liabilities, which have been measured subsequent to initial recognition at fair value.

INDEPENDENT AUDITOR'S REPORT

To the Members of Frick India Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Frick India Limited (hereinafter referred to as "the Company") and its joint venture, which comprise the Consolidated Balance Sheet as at 31st March 2026, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity, the Consolidated Statement of Cash Flow for the year then ended, notes to the consolidated financial statements including material accounting policies and other explanatory information (hereinafter referred to as "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the audit report of the other auditor on separate financial statements and on the other financial information of the joint venture, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013, (as amended) ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs (consolidated financial position) of the Company and its joint venture as at 31st March 2026, and their consolidated profit including other comprehensive income (consolidated financial performance), the consolidated statement of changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAAs), as specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are independent of the Company and its joint venture in accordance with the "Code of Ethics" issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their report referred to in "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements for the financial year ended 31st March 2026. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

Information Other than the Consolidated Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the consolidated financial statements and our auditor's report thereon. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement therein, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management and those charge with governance for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the preparation and presentation of these Consolidated financial

statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in Equity of the Company and its joint venture in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. The respective Board of Directors of the Company and of its joint venture are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and its joint venture and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the Company and of its joint venture are responsible for assessing the ability of the Company and its joint venture to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Company and its joint venture or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Company and of its joint venture are responsible for overseeing the financial reporting process of the Company and its joint venture.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its joint venture, incorporated in India (based on the auditor's report of the Joint Venture) has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company and its joint venture to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company and its joint venture to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial statement and information of the Company and its joint venture to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The accompanying consolidated financial statements include the Company's share of total net profit / (loss) after tax of ₹ (98.11) lakhs, and total comprehensive income/(loss) of ₹ (98.11) lakhs for the year ended 31st March 2026, as considered in the consolidated financial statements in respect of a joint venture. These amounts represent the balancing figures between the audited figures for the financial year commencing from 27th February 2025 to 31st March 2026 and the unaudited figures for the period from 27th February 2025 to 31st March 2025, which have been approved and furnished to us by the Management. The financial statements of the said joint venture for the period ended 31st March 2025 have been audited by another auditor, whose report has been furnished to us by the Company's Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the said joint venture, is based solely on the report of such other auditor and the procedures performed by us as stated in the paragraph above.

Our opinion on the consolidated financial statement is not modified in respect of the above matter with respect to our reliance on the work done and the report of the other auditor.

Report on Other Legal and Regulatory Requirements

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph (g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date on the consolidated financial statements of Frick India Limited for the year ended 31st March 2026)

Report on the Internal Financial Controls with reference to Consolidated Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Financial Statements of Frick India Limited (hereinafter referred as to as "the Company") as of and for the year ended 31st March 2026, we have audited the internal financial controls with reference to consolidated financial statements of the Company and its joint venture which is a company incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls:

The respective Board of Directors of the Company and its joint venture, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI'). These responsibilities include design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Company and its joint venture, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their report referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to consolidated financial statements of the Company.

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

A company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of report of other auditor as referred to the Other Matters paragraph below, the Company and its joint venture, which are companies incorporated in India, have maintained, in all material respects, adequate internal financial controls system with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at 31st March 2026, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other Matters

Our report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements of the Company in so far as it relates to a joint venture, which is a company incorporated in India, is based solely on the corresponding report of the auditor of such joint venture.

Notes to the Consolidated Financial Statements as at and for the year ended 31st March, 2026

1. COMPANY OVERVIEW AND MATERIAL ACCOUNTING POLICIES**I. Company Overview**

Frick India Limited (the 'Company') is a public limited Company domiciled in India with its registered office located at 11.5 Km., Main Mathura Road, Faridabad - 121003 (Haryana). Its shares are listed on the Metropolitan Stock Exchange of India Limited. The Company is engaged in the business of manufacturing of industrial refrigeration & air-conditioning equipment.

These Consolidated financial statements were approved and adopted by board of directors of the Company in their meeting held on May 27th, 2026.

II. Basis of Preparation of Consolidated financial statements and Significant accounting judgements, estimates and assumptions**(i) Basis of Preparation of Consolidated financial statements:**

The consolidated financial statements related to Frick India Limited (hereinafter referred to as the Company) and its joint venture.

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other relevant provisions of the Companies Act, 2013 and relevant amendment rules issued thereafter. The Company has consistently applied the accounting policies used in the preparation of its consolidated financial statements.

These consolidated financial statements have been prepared and presented under historical cost convention on accrual basis, except for the items that have been measured at fair value as required by relevant Ind AS. The consolidated financial statements are presented in Indian Rupees which is the Company's functional and presentation currency and all amounts are rounded to the nearest lakhs and two decimals thereof, except as otherwise stated.

(ii) Significant accounting judgements, estimates and assumptions

The preparation of these consolidated financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies, the accounting disclosures made and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Continuous evaluation is done of the estimates and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognized prospectively.

(iii) Principal of Consolidation:

The consolidated financial statements have been prepared on the following basis:

- The consolidated financial statements incorporate the financial statements of the Company and it's joint venture. It also includes the Company's share of profits, net assets and retained post-acquisition reserves of joint venture that are consolidated using the equity method of consolidation. The entities whose accounts are included in the consolidated financial statements are detailed in note no. 55.
- The Control is achieved when the Company is exposed to or has rights to the variable returns of the entity and the ability to affect those returns through its power over the entity. Significant influence is achieved when the Company has power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.
- The financial statements of joint venture acquired or disposed off during the year are included in the consolidated statement of profit and loss from the effective date of acquisition or up to the effective date of disposal, as appropriate.
- In case of joint venture, where Company holds directly or indirectly 20% or more equity or / and exercises significant influence, investments are accounted for by using equity method in accordance with Ind AS 28 "Investments in Associates and Joint Ventures". Post acquisition, the Company accounts for its share in the change in net assets of the joint venture (after eliminating unrealised profits and losses resulting from transactions between the Company and

its Joint Venture to the extent of its share), through its statement of profit and loss, other comprehensive income and through its reserves for the balance.

- Goodwill for Joint Venture is not separately recognised but included in the value of investments.

III. Material Accounting Policies

Material accounting policies of the financial statements of the Company and jointly controlled entities are set out in their respective standalone financial statements. The material accounting policies applied by the Company in the preparation of its consolidated financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these consolidated financial statements, unless otherwise indicated.

a. Property, Plant and Equipment

(i) Recognition and Measurement

Property, plant and equipment are measured at acquisition cost net of tax/duty credits availed, (if any), less accumulated depreciation and accumulated impairment losses, (if any). Cost includes expenses directly attributable to bringing the Asset to their location and conditions necessary for it to be capable of operating in the manner intended by the management. Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress". Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets.

Subsequent cost are included in the asset's carrying amount or recognized as separate asset, as appropriate, only when it is probable that a future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to Statement of profit or loss during the period in which they are incurred.

The cost and related accumulated depreciation are eliminated from the financial statements, upon sale and disposition of the assets and the resultant gains or losses are recognized in the statement of profit and loss.

Assets costing Rs. 7500/- or less are charged to revenue in the year of purchase.

The Depreciation methods, useful lives and residual values are reviewed at the end of each financial year. If any of these expectations differ from previous estimates, such change is accounted for as a change in an accounting estimate.

(ii) Depreciation

Depreciation on Property, Plant and Equipment has been provided on written down value method as per the useful life of assets, as estimated by the management, which is in line with Schedule II to the Companies Act, 2013. The estimated useful lives of the assets are as follows:

Building	30/50 years
Jig & Dies	8-15 years
Plant and Equipments	15 years
Electrical Fitting & installation	10 years
Furniture and fixtures	10 years
Vehicles	8/10 years
Office equipment	5 years
Computers	3/6 years
Refrigeration equipments	5 years

b. Intangible Assets

Intangible Assets are recognised, if the future economic benefits attributable to the assets are expected to flow to the company and cost of the asset can be measured reliably. Such intangible assets are measured at cost less any accumulated amortization and impairment losses, if any.

Intangible assets with finite lives are amortised on a straight-line basis over the period of their expected useful life. Estimated useful life by major class of intangible assets are as follows:

- Computer Software: 3 years
- Design & Development: 5 years

The amortization period and the amortization method for an intangible asset with finite useful life is reviewed at the end of each financial year. If any of these expectations differ from previous estimates, such change is accounted for as a change in an accounting estimate.

c. Research and development

Revenue Expenditure pertaining to research is charged to the statement of profit & Loss.

Development costs of products are charged to the statement of profit and loss unless a product's technological and commercial feasibility has been established, in which case such expenditure is capitalized.

d. Inventories

Inventories are valued as under:

- Raw materials, components, construction materials, stores, spares and loose tools at lower of cost or net realisable value.
- Work-in-progress at lower of material cost plus labour cost or net realisable value.
- Finished goods are valued at lower of cost or net realisable value. Cost includes related overheads.
- Contract jobs in progress at sites are valued at lower of Cost or net realisable value.

Cost is computed on first in first out basis. The net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

e. Cash and Cash Equivalents

Cash and Cash equivalents includes cash and cheques in hand, bank balances, demand deposits with banks where the original maturity is three months or less and other short term highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

f. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instrument of another entity.

a) Financial Assets

The Company recognizes financial assets when it becomes a party to the contractual provisions of the instrument.

Financial assets include cash and cash equivalents, trade and other receivables, investments in securities and other eligible current and non-current assets.

Initial Measurement

At initial recognition, all financial assets are measured at fair value. Transaction costs that are directly attributable to the acquisition of financial assets, which are not at fair value through profit or loss, are added to the fair value of underlying financial assets on initial recognition. Trade receivables that do not contain a significant financing component are initially measured at their transaction price.

Subsequent Measurement

Such financial assets are subsequently classified under following three categories according to the purpose for which they are held. The classification is reviewed at the end of each reporting period.

i. Financial assets at amortised cost

At the date of initial recognition, are held to collect contractual cash flows of principal and interest on principal amount outstanding on specified dates. These financial assets are intended to be held until maturity. Therefore, they are subsequently measured at amortised cost by applying the Effective Interest Rate (EIR) method to the gross carrying amount of the financial asset. The EIR amortisation is included as interest income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

ii. Financial assets at Fair value through other comprehensive income

At the date of initial recognition, are held to collect contractual cash flows of principal and interest on principal amount outstanding on specified dates, as well as held for selling. Therefore, they are subsequently measured at each reporting date at fair value, with all fair value movements recognised in Other Comprehensive Income (OCI).

to Statement of Profit and Loss.

iii . Financial assets at Fair value through profit or loss

At the date of initial recognition, financial assets are held for trading, or which are measured neither at Amortised Cost nor at Fair Value through OCI. Therefore, they are subsequently measured at each reporting date at fair value, with all fair value movements recognised in the Statement of Profit and Loss.

Trade Receivables

A Receivable is classified as a 'trade receivable' if it is in respect to the amount due from customers on account of goods sold or services rendered in the ordinary course of business. All debts and advances are reviewed by the management at the year end by taking into account their age, performance of job, complaints received from customers and other factors. Provision is made by the management after taking into consideration all relevant facts.

Investment in equity Shares

Investments in Equity Securities are subsequently measured at fair value through Profit and Loss. Any subsequent fair value gain or loss is recognized through Profit or Loss.

Investments in mutual Funds

Investments in Mutual Funds are subsequently measured at fair value through Profit and Loss. Any subsequent fair value gain or loss is recognized through Profit or Loss Account.

Investments in bonds/Debtenture

Investments in Bonds/Debtenture are subsequently measured at fair value through Profit and Loss. Any subsequent fair value gain or loss is recognized through Profit or Loss Account.

Derecognition

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109.

Impairment

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in profit or loss.

b) Financial Liabilities

The Company recognizes financial liabilities when it becomes a party to the contractual provisions of the instrument.

Financial liabilities include long-term (and short-term loans) and borrowings, trade and other payables and other eligible current and non-current liabilities.

Initial Measurement

All financial liabilities are recognized initially at fair value. Transaction costs that are directly attributable to the release of financial liabilities, which are not at fair value through profit or loss, are added to the fair value of underlying financial liabilities on initial recognition. Trade payables that do not contain a significant financing component are initially measured at their transaction price.

Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below:

L Financial liabilities at Fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading. The Company has not designated any financial liabilities upon initial measurement recognition at fair value through profit or loss. Financial liabilities at fair value through profit or loss are at each reporting date with all the changes recognized in the Statement of Profit and Loss.

f. Financial liabilities measured at amortised cost

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate method ("EIR"). Amortised cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are an integral part of the EIR. The EIR amortisation is included in finance costs in the Statement of Profit and Loss.

Loans and borrowings

Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

Trade and other payables

A payable is classified as 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

g. Impairment of Non-Financial Assets

The carrying amount of Property, plant and equipments, intangible assets are reviewed at each Balance Sheet date to assess impairment if any, based on internal / external factors. An asset is treated as impaired, when the carrying cost of asset exceeds its recoverable value, being higher of value in use and net selling price. An impairment loss is recognised as an expense in the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is reversed, if there has been an improvement in recoverable amount.

h. Revenue Recognition

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

An entity shall account for a contract with a customer when all of the following criteria are met:

- the parties to the contract have approved the contract (in writing, orally or in accordance with other customary business practices) and are committed to perform the respective obligations;
- the entity can identify each party's rights regarding the goods or services to be transferred;
- the entity can identify the payment terms for the goods or services to be transferred;
- the contract has commercial substance (i.e. the risk, timing or amount of the entity's future cash flows is expected to change as a result of the contract); and
- it is probable that the entity will collect the consideration to which it will be entitled in exchange for the goods or services that will be transferred to the customer.

In evaluating whether collectability of an amount of consideration is probable, an entity shall consider only the customer's ability and intention to pay that amount of consideration when it is due. The amount of consideration to which the entity will be entitled may be less than the price stated in the contract if the consideration is variable because the entity may offer the customer a price concession.

Sale of goods

Revenue from sale of product is recognised at the point in time when control of the asset is transferred to the customer, usually on dispatch of the goods from the factory/storage area/port respectively. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

Other income

- a. Interest income is accrued on a time basis by reference to the principal outstanding and the effective interest rate.

b. Dividend income is accounted in the period in which the right to receive the same is established, which is generally when shareholders approve the same

c. Export incentives, interest on bonds/debenture and Insurance Claims are accounted for on receipt basis.

d. Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

L. Employee Benefits

a) Defined contribution plans

Contributions to defined contribution schemes such as employees' state insurance, labour welfare fund, employee pension scheme, provident fund etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

b) Defined benefit plans

Retirement benefits in the form of gratuity are considered as defined benefit plan and determined on actuarial valuation using the Projected Unit Credit Method at the balance sheet date. Actuarial Gains or Losses through re-measurement of the net obligation of a defined benefit liability or asset is recognized in Other Comprehensive Income. Such re-measurements are not reclassified to Statement of Profit and Loss in subsequent periods. Other costs are accounted for in Statement of Profit and Loss.

c) Short Term Employee Benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits.

Benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex-gratia are recognized during the period in which the employee renders related service.

d) Other Employee Benefits

Entitlements to annual leave and sick leave are recognized when they accrue to employees. Sick leave can only be availed while annual leave can either be availed or encashed subject to a restriction on the maximum number of accumulation of leave. The Company determines the liability for such accumulated leaves using the Projected Accrued Benefit method with actuarial valuations being carried out at each Balance Sheet date.

J. Job Expenses

The expenses incurred on various jobs by our customers and others for which the claims bills are received in succeeding years have been provided for on estimate basis. The claim exceeding the amount of provisions are accounted for in the year in which settled.

k. Claims realised

Claims realised for material lost or damaged are credited to Purchases in the year of settlement.

L. Borrowing Cost

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings. Borrowing costs, if any, directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized, (if any). All other borrowing costs are expensed in the period in which they occur.

m. Income Taxes

Income tax is comprised of current and deferred tax. Income tax expense is recognized in the Statement of Profit and Loss, except to the extent it relates to items directly recognized in equity or in other comprehensive income.

Current tax:

Current tax is the amount of income taxes payable in respect of taxable profit for a period. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are non-taxable or deductible under the Income Tax Act, 1961.

Current tax is measured using tax rates that have been enacted by the end of reporting period for the amounts expected to be recovered from or paid to the taxation authorities.

Deferred tax:

Deferred tax is recognized using balance sheet approach on temporary differences between the tax bases of assets and liabilities and carrying amounts of assets and liabilities for financial reporting purpose at reporting date. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

Deferred tax assets are generally recognized for all deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary difference can be utilized. In case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax assets are not recognized.

Deferred tax liabilities are generally recognized for all taxable temporary differences. However, in case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax liabilities are not recognized. Also, for temporary differences if any that may arise from initial recognition of goodwill, deferred tax liabilities are not recognized.

Off-setting of assets and liabilities:

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

In case of deferred tax assets and deferred tax liabilities, the same are offset if the Company has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Company.

n. Provisions and Contingent liabilities

The Company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding to settle such obligation and the amount of such obligation can be reliably estimated.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

o. Segment Reporting

The Company is primarily engaged in the business of manufacture, supply and execution of Industrial Refrigeration and Air conditioning systems. As the basic nature of these activities is governed by the same set of risks and returns, therefore, has only one reportable segment.

p. Cash Flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

q. Foreign Currency**Initial Recognition:**

The financial statements are presented in Indian rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

Transactions and balances

Transactions in foreign currencies are initially recorded by the Company at its functional currency spot rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Foreign exchange gains and losses resulting from

the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognized in the Statement of profit or loss.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other gains/ (losses).

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognized in OCI or profit or loss are also recognized in OCI or profit or loss, respectively).

c. Earnings per Share

Basic earnings per share is calculated by dividing the net profit attributable to the equity holders of the company by the weighted average number of ordinary shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

s. Lease

Right of Use Assets

The Company recognizes a right-of-use asset, on a lease-by-lease basis, to measure that right-of-use asset an amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments relating to that lease recognized in the balance sheet immediately before the date of initial application.

The cost of right-of-use assets includes the amount of lease liabilities recognized, initial direct costs incurred and lease payments made at or before the commencement date less any lease incentives received, the recognized right-of-use assets are depreciated on a straight-line basis over the shorter of its estimated useful life and the lease term. Right-of-use assets are subject to impairment test.

Lease Liabilities

The Company recognizes a lease liability at the present value of the remaining lease payments, discounted using the lessee's incremental borrowing rate.

The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on a lease-by-lease basis.

In calculating the present value of lease payments, the Company uses the incremental borrowing rate at the lease commencement date if the interest rate implicit in the lease is not readily determinable.

Short-term Leases and leases of low-value assets

The company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered of low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

t. Fair Value Measurements

The Company measures financial instruments at fair value in accordance with the accounting policies mentioned above.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- in the principal market for the asset or liability;

OR

- in the absence of principal market, in the most advantageous market for the asset or liability. The principal or most advantageous market must be accessible by the Company.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as

a whole;

- Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

37. FINANCIAL RISK MANAGEMENT

Financial Risk Factors

The Company's financial liabilities comprise borrowings and trade & other payables. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company has loan and other receivables, trade receivables, cash and short-term deposits that arise directly from its operation. The company's activities are exposed to a variety of financial risk from its normal business operation. The key financial risks include market risk (including foreign currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

1. Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to fluctuation in market prices. Market risk comprise three types of risk: currency rate risk, interest rate risk and other price related risks.

Financial instruments affected by market risk includes borrowings, investments, trade payables, trade receivables and loans.

(a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Borrowings at variable rates, exposes to cash flow risk. With all other variables held constant, the following table demonstrates composition of fixed and floating rate borrowing of the company and impact of floating rate borrowings on company's profitability:

Investments in Mutual Funds	3,724.74	3,587.35
Investment in Bonds/Debenture	572.60	429.07

B. Credit risk

Credit risk arises from the possibility that counter party may not be able to settle their obligation as agreed. Credit risk primarily arises from financial assets such as trade receivables, other balance with banks, loans and other receivables.

Trade Receivables: The maximum exposure to credit risk is from trade receivable which are unsecured. The company periodically assesses the credit quality of counter parties, taking into the financial condition, current economic trends, past experiences and other factors.

The company has a well-defined sales policy to minimize its risk of credit defaults. Outstanding receivables are regularly monitored and assessed. Impairment analysis is performed based on historical data at each reporting date on an individual basis.

Financial assets are written off when there is no reasonable expectation of recovery, such as customer failing to engage in a repayment plan with the company. Where financial assets have been written off, the company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in Profit or loss.

Other Financial Assets: Credit Risk arising from investment in mutual funds and other balance with bank is limited and there is no collateral held against these because the counterparties are banks and recognized financial institutions with high credit rating assigned by the international credit rating agencies.

The ageing analysis of the trade receivables:

	7,832.73	7,832.73	4,289.77	4,289.77

The following methods and assumptions were used to estimate the fair values:

1. Cash and short term deposits, trade receivables, loans, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.
2. Fair value of investments in quoted mutual funds and equity shares are based on quoted market price at the reporting date.

Fair Value Hierarchy

All financial assets and liabilities for which fair value is measured in the financial statements are categorized within the fair value hierarchy, described as follows:

Level 1 - Quoted prices in active markets.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable, either directly or indirectly.

Level 3 - Inputs for assets or liabilities that are not based on observable market data.

The following table presents the fair value measurement hierarchy of financial assets and liabilities, which have been measured subsequent to initial recognition at fair value.
